Message From The CHANCELLOR

The Annual Report 2018-19 introduces the progress and achievements of the University during the past academic year. In this special year of Golden Jubilee, several new projects have been introduced and steady growth has marked the University's stride towards excellence. I appreciate the efforts of the University administration, faculty, staff, students, alumni, parents and well-wishers who have contributed towards the vision and mission of the University.

This year Dr Fr Abraham V M, took over the stewardship of the Institution from Dr Fr Thomas C Mathew. He has set research and improved accreditation and ranking as his priorities, while continuing the existing initiatives and policies. We welcome you Fr Abraham, and look forward to your leadership to take the University to greater heights.

I would also like to take this opportunity to thank Dr Fr Thomas C Mathew for his services to this institution as a visionary leader. His dedicated effort towards making CHRIST (Deemed to be University) what it is today will always be remembered.

May we revisit the promises that we made to our students, stakeholders, industry partners and staff and continue to instil hope and be committed towards our commitment towards service and be able to fulfil them in the years to come.

Dr Fr George Edayadiyil CMI

Chancellor

Message From The VICE CHANCELLOR

It is important for us to acknowledge our progress in striving towards achieving the strategic goal of emerging as a World Class University, through two strategies of excellence in 'performance' and 'differentiation' in existence and contribution, thereby marking a distinct competitive advantage. From its humble beginnings on 15 July 1969 to what it has grown today, CHRIST (Deemed to be University) has been a story of dreams and inspiration. I humbly thank everyone who has been involved with the University for the same.

CHRIST (Deemed to be University) is an institution that nurtures curiosity, inspires the commitment to build sustainable communities, provide innovative learning and experiential environment for the new-age learners, including the students and the staff. It strives towards intellectual and emotional balance wherein the individual transforms through a holistic process.

It has been a privilege to be a part of innumerable projects, ideas and creative pursuits. Every day has been new and refreshing, challenging and meaningful owing to new ideations.

The Annual Report 2017–18 provides the details of the activities and achievements of the University during the academic year. Let the past year light the lamps for the roads ahead so that we lead and continue to be led by the light of wisdom and compassion. I congratulate the efforts of the teams at the Office of Registrar and the Centre for Publications in compiling this Report.

Dr Fr Thomas C Mathew
Vice Chancellor

50 Years of Excellence and Service!

The Golden Jubilee Celebrations, which began on 14 July 2018 marked 50 glorious years of CHRIST as an institution. Established in 1969 as CHRIST College, the Institution undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic education and adoption of global higher education practices with the support of creative and dedicated staff.

The University Grants Commission (UGC) conferred Autonomy to CHRIST College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008, under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India, declared the institution a 'Deemed to be University.' One of the first institutions in India to be accredited in 1998 by the National Assessment and Accreditation Council (NAAC) and subsequently in 2004 and 2016, the University has a top Grade 'A' on a 4-point scale.

As a nurturing ground for creative and academic excellence, CHRIST (Deemed to be University) as a multi-disciplinary University has rapidly grown through its many innovative and sustainable initiatives in line with its Vision, Mission and Core Values. To have come this far over 50 years was no small feat! For this reason, the University decided to celebrate the significance of this landmark year.

The Official Golden Jubilee logo was released on Gratitude Day dated 16 March 2018 by Mr Puneeth Rajkumar and Mr Rockline Venkatesh, actors from the Kannada film industry. The yearlong celebration was inaugurated on 11 July 2018 along with the inauguration of Darpan-Cultural Fest and Pedagogic League-sports fest of the University by releasing the First-day cover and Commemorative Stamp by India Post. Mr S Rajendra Kumar, Postmaster-General of Southern Karnataka Region was the Chief Guest for the event.

On 14 July 2018, a special programme was organised for the neighbouring institutions in Bangalore and other collaborators from the Government and Civil Society. Shri Kailash Satyarthi, Nobel Laureate, was the Chief Guest. Mrs Sumedha Kailash, Maharaja of Mysore, His Highness Yaduveer Krishnadatta Chamaraja Wadiyar, Her Highness Trishikha Devi Wadiyar, an Alumna, Sri Ramalinga Reddy, MLA representing our Constituency, were the guests of honour. Bishop Mar Antony Kariyil, Bishop of Mandya and former Principal, presided over the programme.

On 21 July 2018, an additional programme was organized for the faculty members, staff, retired faculty and alumni guests. It was presided over by the Prior General of the CMI Congregation, Dr Fr Paul Achandy, Shri Anil D Sahasrabudhe, Chairman, All India Council of Technical Education (AICTE) the Chief Guest, accompanied by Shri Nandan Nilekani, Co-Founder and Non-Executive Chairman of Infosys, Shri Krishna Byre Gowda, alumnus and Minister of Rural Development, Law and Parliamentary Affairs, Government of Karnataka as the guests of honour.

Events including fests, competitions, concerts, seminars, conferences, workshops, exhibitions, special guest lectures and other events were organized by various departments

of the University, across all campuses, throughout the year to commemorate this special milestone.

The Valedictory ceremony of the Golden Jubilee programme is scheduled to be held on 4 July 2019. This will bring to a close the year-long celebrations. CHRIST now marches forward to achieve more milestones!

1. REGISTRAR'S REPORT

The Academic Year 2018-19 has been a momentous year in the life of CHRIST (Deemed to be University) as we celebrate its golden jubilee as a globally known educational institution. The institution over these 50 years has grown from a single building founded as CHRIST College to establish itself as a Deemed to be University with campuses beyond the state of Karnataka, where it originated. The uniqueness and escalation in the curriculum, teaching-learning-evolution, societal and scholastic outreach, extension and student support has enabled the institution to make effective contributions to society. Having completed 10 years as a University, the placements, infrastructure, international collaborations, faculty and staff development along with various other initiatives has made CHRIST a household name around the world.

Passing the Baton

Dr Fr Thomas C Mathew, after leading the Institution as its Head for the last 15 years, requested retirement from his responsibilities and stepped down from his position as Vice-Chancellor on 28 February 2019. I would like to take this occasion to remember and thank Dr Fr Thomas C Mathew for his remarkable leadership and contribution to the Institution over the last 33 years. During his tenure, he led the transition of the Institution from an Affiliated College to an Autonomous College and then to a Deemed to be University, perhaps the first for a liberal arts college in India.

Dr Fr Abraham V M, the new Vice-Chancellor of the University, took over the stewardship of the Institution from Dr Fr Thomas C Mathew on 1 March 2019. Dr Fr Abraham V M has been contributing to the growth and development of CHRIST for the last 30 years in various capacities as a leader, including as the Pro-Vice-Chancellor of the University for the last 10 years.

Dr Fr Joseph CC, Professor, Department of International Studies and History was appointed as the Pro-Vice-Chancellor by the Board of Management with effect from 1 March 2019. He continues in his position as Director, Student Affairs and Director, Centre for Publications.

Golden Jubilee Celebrations

The Golden Jubilee Celebrations began on 14 July 2018. Various events, including fests, competitions, concerts, seminars, conferences, workshops, exhibitions and gatherings were organized by various departments of the University to commemorate this special milestone.

Off-Campus Centres at Lavasa, in Pune and Ghaziabad in NCR Delhi

The University Grants Commission (UGC) has approved the Off-Campus centres of the University at Lavasa, Pune vide the MHRD Notification Number No.F.10/2/2018-U3(A) dated 08 April 2019 and at National Capital Region (NCR) Delhi vide notification number No.F.10/1/2018-U3(A) dated 08 April 2019. The following programmes have been started at the Lavasa, Pune Campus: BCom (Financial Analytics), BBA (Business Analytics), BA LLB (Honours), BBA LLB (Honours), MA (Business Economics), MCom, MBA with specialisations in Business Analytics, Finance, Marketing and Human Resource. At the Delhi NCR Campus, the University started BA (Economics Honours), BSc (Psychology Honours), BCom (Honours), BCom (Professional), BBA, BBA (Honours), BBA (Finance and Accountancy), BA LLB (Honours), BBA LLB (Honours), MA (Applied Economics), MSc (Clinical Psychology), MCom, MBA with specialisations in Business Analytics, Finance, Marketing and Human Resource programmes.

Academic Activities

Academic programmes of the University were offered under the Deaneries of Science, Humanities and Social Sciences, Commerce and Management, Faculty of Engineering, Institute of Management, School of Law, School of Business Studies and Social Sciences and School of Architecture. The University promotes interdisciplinary programmes at all levels. The Undergraduate programmes have mandatory non-core electives, which necessarily have to be taken outside one's deanery. Five postgraduate programmes offered under the Choice Based Credit System (CBCS) are also interdisciplinary in their approach. This enables the students to develop and explore varied perspectives and skills across disciplines.

Student Enrolment

A total of 169420 applications were received for various programmes, out of which a total of 7568 students were admitted.

Student Council

Apart from the regular functions, the Student Council organized DAKSH, an education fair depicting various programmes offered at the University for parents and students interested in higher education on 7th and 8th December 2018. The Student Council Day and the Farewell Day for senior students were organized on 16th March 2019. All the outgoing Council members were felicitated for their contributions and 70 new Student Council members for the next academic year took charge on this day.

Student Satisfaction Survey

The University conducted its Annual Student Satisfaction Survey from 12th April to 6th May

2019. The survey was conducted online with the participation of students from all deaneries. The average satisfaction index was 3.88 on a 5-point scale with 73% of the responses being 'Good' and 'Very Good'. The Library had the highest satisfaction index of 4.21. It is heartening to note that questions on the impact of the University on their personality have received an average score of 3.93.

Faculty Outreach: The faculty published 731 research articles in various journals notified on UGC Website. 122 Books and chapters in edited volumes/ books and papers of national and international conference proceedings were published during the year. Further, 27 patents were also published.

Apart from the above research, publications and academic outreach, the faculty members attended and updated themselves through Orientation Programmes, Refresher and Quality Improvement Programmes and in-house and out-bound Faculty Development Programmes.

Research: The Research Committee encourages and promotes research activities on the campus. The University provides support and resources to apply for externally funded research projects, as well as promoting early-career faculty to pursue a research career through Seed Money Scheme. The seed money has been provided to initiate quality project proposals and publications. A total fund of Rs. 168 lakhs as part of Seed money were extended to faculty members. Apart from these, the external funded research amounted to Rs 180.24 lakhs.

Extension: Through its Centre for Social Action (CSA), the University sponsored the education of 905 students in the slums and villages in and around Bengaluru during the last academic year. The education of these students is sponsored from the money voluntarily contributed by the students of the University. CSA also runs child-focused and women empowerment projects in Karnataka, Telangana, Maharashtra, Kerala and Chhattisgarh directly benefiting over 10,000 families in 122 villages and 5 urban slums.

The University through the Department of Sociology and Social Work has adopted six villages in Hoskote Taluk near Bangalore under the Unnat Bharat Abhiyan programme of the Government of India. The University departments continued their work at the nine colleges adopted by them in Chikmagalur and one college adopted in Kodagu districts of Karnataka. The University community contributed generously towards the flood relief efforts in Karnataka and Kerala.

Centres and Offices: The Centres and Offices of the University internally support the growth and activities of the Academic departments, students, and faculty and reach out with their expertise to institutions and society around. The Centre for Organizational and Professional Effectiveness (COPE) has been established at the Bannerghatta Road Campus with the aim to facilitate an effective organization and manage the complexities inherent in a dynamic workforce; improve performance and success potential through skill acquisition; increase resilience and better manage professional concerns. The Centre has now extended its services to the Main and the Kengeri Campuses.

Infrastructure: The University inaugurated Four Research Labs: Applied and Industrial Biotechnology Lab, Pharmaceutical Chemistry Lab, Genomics lab, and Neurocognition Laboratory-with eye tracker facilities. These laboratories will enable us to build capacity for advanced research, conduct interdisciplinary research and promote better research culture among the undergraduate, postgraduate and doctoral students.

Manual of Academic Administration: The *Manual of Academic Administration* was prepared and brought out by the Institution, containing the detailed processes and procedures, including clarity of roles pertaining to the functions of Offices and Centres of the University. The Manual was prepared by the representatives from the Offices and Centres of the University in consultation with their co-workers and was facilitated by Mr Senthil Kumaran, a former faculty and employee of the Confederation of Indian Industries.

Dignitaries on Campus: Some of the important dignitaries who visited the University and interacted with the students during the last few months are, Sadhguru Jaggi Vasudev; Justice Kurian Joseph and Justice J Chelameswar-Former Judge, Supreme Court of India; Bezwada Wilson-Ramon Magsaysay Awardee and Co-Founder of Safai Karamchari Andolan, Delhi; Prof. Gerald Pillay, Vice Chancellor of Liverpool Hope University, UK; Padma Shri Shashi Deshpande-Novelist; Vir Sanghvi-celebrity journalist and food critic; D Roopa Moudgil, Inspector General of Police, Karnataka; Manish Sisodia, Hon'ble Deputy Chief Minister and the Education Minister, Government of Delhi; Navin Chawla- Former Chief Election Officer; Prof. D P Agrawal-Former Chairman, Union Public Service Commission (UPSC), Justice Lavu Nageswara Rao-Former Judge Supreme Court of India; Padmashri Dr K Kasturirangan-Former Chairman of the Indian Space Research Organisation; Vijay Garg-Vice President Council of Architecture; Bhushan Patwardhan- Vice Chairman, UGC, among others.

Alumni Day: The 49th Annual Alumni Family Day was held on 26 January 2019. Over 2100 alumni attended the department chapter meetings and the General Alumni meeting. The current and the former Principals of CHRIST Junior College, CHRIST P U College-Evening and CHRIST PU Residential and the Vice-Chancellor of CHRIST (Deemed to be University) were felicitated during the programme.

MOUs Signed: The University has signed 20 MOUs with universities and research organisations for faculty and student exchange and collaborative research, to name a few: IQS School of Management, Spain; Hansei University, South Korea; Five party agreement-d.carrick, NIPA Korea India SW Cooperation centre, Lolite Technologies Pvt Ltd., ETRI; Sophia University, Japan; Miami University, USA; Global IEEE, India, funded by Safran Engineering Services; Patna Women's College (Autonomous), India; Kerala Agricultural University (KAU), India; School of Electronics Engineering, Kyungpook National University, South Korea; Kanagawa University, Japan; The University of the Western Cape, South Africa; Manchester Metropolitan University, UK; Norwegian University of Science and Technology (NTNU); Vivartan Technologies LL, Bengaluru. The MOUs will enable faculty and student exchange, research collaboration with universities and corporate organisations, and digital development.

Convocation: The eleventh convocation of the University for the class of 2019 was between 18-26 May 2019. This year the convocations were held at the three campuses in Bangalore. Graduating students from across the varied deaneries of the University were honoured with

degrees. The convocation ceremonies were presided over by Dr Fr George Edayadiyil CMI, Chancellor, CHRIST (Deemed to be University). Dr Fr Abraham V M, Vice-Chancellor, CHRIST (Deemed to be University) addressed the graduands. All the Deans, Heads of Department, Coordinators, Faculty and members of the staff attended the programme. Mr Jugnu Uberoi, President of the Alumni Association, felicitated the graduating students on all five days. The Chief Guests of the Convocation ceremonies were Dr Rajendrakumar Anayath, Vice-Chancellor of Deenabandhu Chhotu Ram University; Mr P.B. Kotur, Global Head - Wipro Ltd.; Dr Sunil Thomas Chandy, Former Director, CMS Vellore and Professor of Cardiology; Mr Dominic McAllister, British Deputy High Commissioner and Mr Vinod Subramanian, CEO, Logo Infosoft, Mumbai, Maharashtra, India.

Major Recognitions: ***SIRO Recognition to the University from DSIR:*** The University has received recognition as a Scientific and Industrial Research Organisation (SIRO) by the Department of Scientific and Industrial Research (DSIR), Government of India, under the scheme of Recognition of Scientific and Industrial Organization vide its letter, F.No.11/774/2018-TU-V dated 26 November 2018. The recognition will help the University improve the research facilities, especially in the areas of science and engineering at CHRIST.

International Baccalaureate Recognition: International Baccalaureate, Geneva has recognised Bachelor of Education and Postgraduate Diploma in International Education offered by the School of Education of the University for IB Educator Certificate in Teaching and Learning towards IB Diploma Programme from the academic year 2019-20. The visit of the IB to review the application took place from 15-17 January 2019. We are happy to note that CHRIST is the first University in India and the second in Asia to get this recognition. The recognition will help the students to be teacher educators in any IB School across the world. Since the curriculum of both the teacher education programmes is mapped to IB requirements all these students will be given training in keeping with the best of International teacher education learning outcomes.

Rankings: The University academic programmes are consistently ranked among the top 10 in India by leading ranking agencies including India Today, The Week and others. The University also ranked in QS Asia at 451–500, QS BRICS University Ranking at 301-350 and QS India University Ranking at 71-75 this academic year. CHRIST has been ranked 301+ globally in the overall 2019 Times Higher Education (THE) University Impact Rankings 2019. In addition, our University has obtained the following positions in Sustainable Development Goals (SDG) global rankings by the Times Higher Education (THE): Quality Education 101-200, Gender Equality 201-300, Industry, Innovation and Infrastructure 301+, Partnership for the Goals 201-300. The Institution is one among the 11 higher education institutions from India to find a place in this global ranking.

Student Support and Scholarship: The University provided fee concession/ exemption/ scholarship awards and it benefited 10457 students. Study materials and free lunches were provided for students who belonged to the economically weaker sections. A total of 25,701 meals, prepared by the Department of Hotel Management, were provided to the students during the academic year 2018-19. Free lodging facilities were also provided to needy students.

Placements: During the academic year 2018-19 a total of 2573 were placed. The top recruiters were Ernst & Young, Deloitte, KPMG, Accenture, ICICI, DE Shaw & Co, Axxela Business Services and ZS Associates.

Off-Campus Centres at Lavasa, in Pune, and Ghaziabad in National Capital Region: The Committee headed by Prof. Tankeshwar Kumar, Vice-Chancellor, Guru Jambheshwar University of Science and Technology, Hisar, Haryana, with nine other members representing the University Grants Commission (UGC), All India Council for Technical Education (AICTE) and Bar Council of India (BCI) visited Ghaziabad, Lavasa, Main, Kengeri and Bannerghatta Road Campuses in October 2018. Based on this Report, the UGC recommended to MHRD the grant of Off-Campus status. The University is awaiting notification from MHRD on the Off Campuses. On receipt of the Notification, the University proposes to start at the Lavasa, Pune Campus BCom (Financial Analytics), BBA (Business Analytics), BA LLB (Honours), BBA LLB (Honours), MA (Business Economics), MSc (Data Science), MBA with specialisations in Business Analytics, Finance, Marketing and HR. At the Ghaziabad Campus, the University proposes to start, BA (Economics Honours), BSc (Psychology Honours), BCom (Honours), BCom (Professional), BBA, BBA (Finance and Accountancy), BBA (Honours), BA LLB (Honours), BBA LLB (Honours), MA (Applied Economics), MSc (Clinical Psychology), MCom, MBA with specialisations in Business Analytics, Finance, Marketing & HR.

Conclusion: For the last 50 years, God Almighty has been gracious to us and has blessed us abundantly. We appreciate all parents for reposing their faith in us. We thank our friends and well-wishers for their unrelenting efforts towards taking this Institution to where it is today. We recognize the enormous contribution of both our academic and non-academic staff for their collaboration and support. With new leadership and renewed focus on the happiness quotient, we aim to create a community of mature, happy, responsible and holistic citizens who are prepared to face the future with confidence. CHRIST (Deemed to be University) is steadily sailing towards its vision of Excellence and Service in all its endeavors. May the good will of all lead us to greater paths of meaningful education and academic milestones.

Dr Anil Joseph Pinto
Registrar

94	Bachelor of Technology (Mechanical Engineering)

Testing and evaluation process: '

The University conducts two kinds of evaluation for all regular programmes, viz Continuous Internal Assessment (CIA) and End Semester Examinations (ESE). The CIA consists of two course instructor-given tests and a mid-semester examination. The ESE were held for odd semesters in October and even semesters in March-April. The trimester programmes had their ESE in September, December and March. Question papers were generated through question bank software through Gaussian distribution 1:2:1 for each of the topics in the syllabi. The University Testing and Evaluation Process are committed to providing quality testing services to our students.

ENGLISH STUDIES

About the Department

Dept of English is a dept that engages with students at the undergraduate levels across the university, with English language focused papers and literature papers. The Dept also offers an interdisciplinary Postgraduate programme. Advanced research courses reflect the diverse

specialisation of the faculty of the department.

The diverse interests are indicated in the externally funded research projects of the faculty. Student academic focus is clear in the events like organising international seminars, presenting and publishing papers in journals.

Department Collaboration

Liverpool Hope University, UK, Mandava Science Foundation, Bangalore

Curriculum Innovations

100% change in English - skills included- listening, speaking, reading and writing. A mix of academic and industry requirements. Competitive exam based comprehension skills and vocabulary skills.

Pedagogic Innovations

visual text used in classrooms, hands-on skills training

use of music to teach literature, use of ads and posters

poetry taught through performance(Rap and Jazz)

Hands-on experience in Lesson plans, classroom teaching experience, exposure to NGOs and Playschool teaching, material designing and textbook making.

Faculty details Specialisation in Literary Studies

Postcolonial Literatures, Indian Writing in translation, Indian Epics, Women's Writing, Gender Studies, Indian writing in English, Diaspora Literatures, British Literature, Cultural Studies, Precarity Studies, Joycean Studies, Performance Studies, Minority Studies, Spatial Studies, Music as Aural Narrative, City Studies, Art and curation, World Literature, Comparative Literature, Comparative Philosophy, Translation (Theory and Practice), Creative Writing, Comparative Religions, World History, Indic Studies and East-West encounter, Folk Traditions, Nemo Culture, Ecosophy, Multimodality - Behaviour Studies and Graphic Novels, Discourse studies - culture and cinema, Medical Humanities, Digital Humanities, Dalit Studies, Disability Studies, Ecocriticism

Specialisation in Linguistics and English language Teaching

English Language Teaching, Assessment, Business English, Technical communication, Psychology in Education, Innovations in Teaching, Corporate- academia Training, Linguistics, Cognitive Linguistics, Animal cognition-language evolution, Sociolinguistics - Language change and policies, Vocabulary instruction, teaching strategies, English language and higher education, Emotional Intelligence

28. Ms Santhi Soundarajan, Indian track and field athlete, Anna Isaac, The News Minute, Janardhana Kesaragadde, Samvada Youth Work Resource Centre, Bengaluru

Overseas countries visit by faculty members

Dr Abhaya N B, Liverpool, UK
Dr Sweta Mukherjee, Hong Kong

Other Department activities

Dept of English launched I-cell, incubation cell. First English department in India to host an incubation cell, it was inaugurated by Mr Manish Sisodiya, Deputy Chief Minister, New Delhi. I-cell, received 4 proposals for startups in the last academic year and all the proposals are under review by external experts.

LANGUAGES

About the Department

The Department of Languages presently offers Hindi, Kannada, Sanskrit, Tamil and French as the second language. In addition to this, French is offered in BHM, BCA, BBA F & IB, MBA (T&T) and MA in Int. Studies, and German in BCA and MBA Programmes as elective papers. The Department offers nine open elective courses – Spoken Kannada, Vedic Maths, Wikipedia Training, French, German, Spanish, Russian, Japanese and Korean to students across the University. One MRP and three monographs were completed and seven research papers were published by the faculty

Department Collaborations

Collaboration with Centre for Internet and Society for Wikipedia Education Program. The Department has an agreement with Alliance Française de Bangalore and Goethe Institute, Max Mueller Bhavan, Bangalore to offer international certification for the DELF courses which correspond to two levels (A1 & A2) in the six-level scale of competence laid down in the Common European Framework of Reference for Languages (CEFR).

Curriculum Innovations

Inclusion of modules from the areas of Culture, Communication, Film Studies and Translation

Pedagogic Innovations

Used Google Class Room and conducted assignments through Moodle testing

Faculty Details

Most of the faculties are having more than 20 years of experience in teaching and they hold doctoral degrees. Their areas of study include Linguistics, Medieval and Contemporary Literature and Translation

MEDIA STUDIES

About the Department

The Department offers UG, PG, MPhil and PhD programmes that are rigorous. At the foundational stage, the department equips students with skills, knowledge, and attitude that enable them to aspire for leadership roles in the domain of media and communication. The academic year proved to be one of a research intensity with many PG students, guided by their faculty, went afar and presented papers in the US, Malaysia and Germany.

Curriculum Innovation

For the MAMCS students, a project paper was introduced, wherein the students had to present an industry/field-oriented workable idea. Another course titled Comprehensive Viva Voce is in place in the final semester, to test the assimilative learning of the PG students. All UG and PG students have mandatory internships.

Pedagogic Innovations

Demonstration-based learning is enabled in courses like Critical Thinking, Print Media Production, Photography, Data Journalism etc. For the Introduction to the Theatre.

Infrastructure

All the classrooms of the department have audio-video support.

Faculty details

70% of the Department faculty have industry experience and 80% have PhDs. Areas of specialisation include Political Communication, Film Studies, Popular Cinema, Ecological Studies, Public Relations, Storytelling.

PERFORMING ARTS

About the Department

The department of Performing Arts has a series of academic and non-academic activities at both intra and intercollegiate level which help the students to become more holistic individuals equipped with necessary skills of time management, discipline and dedication to work in bigger groups with ease.

Various Performances in college help and develop a greater sense of aesthetics and overall make a stronger performer with more experience and exposure to the world of art.

Department Collaborations

1. Baylor University, USA
2. Apsaras Dance Company, Singapore
3. Indian Music Experience, Museum, Bangalore

Curriculum Innovation

Connecting the curriculum with global needs by incorporating topics such as life skills, dance therapy and western music in the courses.

Pedagogic Innovations

Teaching dance through video analysis; in which students are given feedback about their performance through a video recording of their dance. This helps in discussions in groups as well as at the individual level.

Infrastructure

1. Dance Studio fully equipped with soft wooden floor and full-length mirror for the dance purpose.
2. Theatre lab with the basic light system for theatre activities

Faculty details

The performing arts department has vibrant, talented and professional faculty members who have specialised in classical Indian dance, Carnatic Music and theatre fields respectively.

SOCIOLOGY AND SOCIAL WORK

About the Department

The Department of Sociology and Department of Social Work at CHRIST (Deemed to be University) emerged as a single Department by the merger of Department of Sociology which was one of the oldest Departments in the University and Department of Social work. The Department offers two Postgraduate programmes in Applied Sociology and Social Work. It also offers Undergraduate programmes under the triple major system with the departments of psychology, economics and journalism. There are MPhil, PhD and Post-Doctoral Fellowship programmes for aspiring research scholars.

The Department works towards the pursuit of excellence in academics and skill training for students of sociology as well as those aspiring to be social work professionals. In addition to its focus on academic engagement, the Department strives to engage in providing services to society

through student-led projects for communities in need of support. Inspired by the ever-changing social context and the needs of people, the Department initiates programmes that cater to the emerging needs of the society. The Department undertakes research, organizes educational programs, seminars, workshops, and camps as part of its curriculum. The value of learning through service is significantly incorporated in academic programmes. The curriculum offered by the department provides opportunities for the holistic development of the students and blends learning from the classroom with experiential learning.

The students of the department demonstrate an enhanced sense of social responsibility. This is reflected in the innumerable activities, seminars, workshops they organised and participated. Most of the Postgraduate students bring out research thesis in current emerging areas. They present the research findings at various national and international conferences.

The faculty members have worked towards building a strong academic and research profile. They carry out the research activities with the funding of the University as well as outside organisations. They have published extensively and many of them are well known in their areas of expertise.

Department Collaborations

MoUs are signed with the following Universities abroad for student - Faculty exchange & Internship.

1. Bodo University, Norway
2. VID Specialised University, Norway
3. University of Paris-Dauphine, France
4. Flinders University, Australia
5. Griffith University, Australia
6. HAN University, Netherlands
7. Hist University, Norway
8. Lund University
9. Zurich University of Applied Sciences, School of Social Work, Switzerland

Curriculum Innovations

1. Regular updating of the curriculum with inputs from Academicians from National and International colleges and Universities, members from Industry, Alumni members, feedback from students and Parents.
2. Service Learning is part of the curriculum
3. 6-month continuous internship placement

Pedagogic Innovations

1. Case Study, Role Play, Experiential Learning, MOOC, Audio Visual Aids Webinar and Online Classes.
2. Research Informed Teaching. Research inputs are given in CIAs. Skills building programmes for developing research culture at the department.
3. Student-centric learning process is initiated, Effective use of LMS and Library, Innovative CIAs, Self-study topics identified.

Infrastructure

Community meeting room for the regular interactive meetings with Industry personnel, national and international faculties.

Faculty details

Faculty members in the Department of Sociology and Social Work hold a degree in either an MA or MSW programme. Among the faculty in the department hold PhDs and MPhils. Areas of expertise of faculty members include Inclusiveness, Social Entrepreneurship, Migration and Diaspora Studies, Corporate Social responsibility, Population Displacement, Diversity Management in workplaces, Tribal Studies, Sustainable Development, Quality Education, Wellbeing, Gender, caste, religion, tribal development, Equality, culture, custom, poverty and social change, Environment: Climate Change, Ecology, Urban Development and Disaster, Human Resource Development: Positive Health, Stress Management, Health Promotion, Child Rights and Child Protection, Child Rights, Early Childhood Care and Development (ECCD), Child Protection and Community Development.

3. Zurich University: Ms Anisha Anna Mathew (MSW CCP) & Mr Febin Johns (MSW HRDM)
4. Ms Krishnapriya P S (2017-19 MSW CCP) received Best Paper Award for the research paper entitled " Understanding life experiences of Transgender " in the International Symposium on "Innovations for promoting sustainable Inclusive Development", held on 15 &16 February 2019 at Bharathidasan University, Tamil Nadu. Dr Mary Tariang was her Faculty Supervisor for the Research.

MUSIC (WESTERN)

About the Department

The Western Music Department aspires to create a genuine interest and appreciation for western classical music (voice and piano) among students. The faculty are from all over the world, combining their musical expertise and experiences from Australia, Belarus and South Korea and as such our students are uniquely situated between cultures to create a vibrant and harmonised atmosphere. The last academic year saw our first batch of graduate students, where now just over half are pursuing Masters degrees locally, nationally or internationally (America, England and the Netherlands).

Curriculum Innovations

Evaluation and mentoring support system in place that identifies struggling students (aiding them with mentoring sessions and resources), and fast learners are given the freedom to expand their talents through pedagogical or performance-based opportunities.

Pedagogic Innovations

Subject content and pedagogic delivery methods rooted in a tripartite taxonomy focused on the holistic development of cognitive, affective and psychomotor domains of brain function.

Infrastructure

Two classrooms (4405, 4406), six piano studio practice rooms, three vocal practice rooms and a choir room.

SCHOOL OF EDUCATION

DEPARTMENT OF SCHOOL OF EDUCATION

About the Department

The School of Education is set up as a premier department for teacher training to mold future secondary school teachers. Apart from EDU, school of education also offers a two-year B.Ed, MA Education programme, MPhil, and PhD. The vision of the department is achieved through the implementation of an innovative curriculum. The curriculum is designed to prepare competent and professional educationists, who will be able to play diverse roles in the field of education. A Variety of value-added programmes are also included in the curriculum.

Department Collaborations

1. The Radio Namaste project: collaborative program between the School of Education, CHRIST (Deemed to be University), India and HEP Vaud, Switzerland.
2. Peer Alliance for Productive Professional Experience for Teaching (PAPPET) with School of Education two Australian Universities, La Trobe University and RMIT University

Curriculum Innovations

Introduced Theory of Knowledge in ISem B Ed and introduced Personal Safety and Sexuality in the Second semester.
Curriculum for a new programme Post Graduate Diploma in International Education was approved by the Academic Council.

Pedagogic Innovations

Case studies, Zig-saw, Spider web Discussion, Think pair share, Concept maps

Infrastructure

06 Classrooms, ICT lab, Psychology Lab, Science resource lab

Faculty details

All the Faculty of School of Education are Doctorate holders. Specialisations of Faculty include Educational Psychology, Pedagogy, Adolescent Education, Education Leadership and Management and Inclusive Education.

DEANERY OF SCEINCES

CHEMISTRY

About the Department

Department of chemistry has good infrastructural facilities in terms of well-equipped laboratories with modern instruments and well- furnished and spacious classrooms. Currently, 730 undergraduate students and 100 postgraduate students apart from the MPhil and PhD scholars are pursuing their studies in the department. The department follows a

dynamic curriculum which is benchmarked against the UGC model curriculum and syllabi of institutes of national and international repute.

Department Collaborations

16

Curriculum Innovations

Research for PG students was introduced to promote research culture

Pedagogic Innovations

Usage of Google classroom was promoted and implemented

Usage of Mentimeter was promoted and implemented in classroom teaching

Infrastructure

Pharmaceutical chemistry laboratory was established

Faculty details

Department has 95% faculties with Doctorate.

Faculty members are involved in different areas of research viz. Nanomaterials and their applications, material science, green chemistry, organic synthesis, natural products chemistry, pharmaceutical chemistry Fluorescence studies and electroanalytical chemistry

COMPUTER SCIENCE

About the Department

The Department of Computer Science of CHRIST (Deemed to be University) strives to shape outstanding computer professionals with ethical and human values. The department is committed to the motto "Excellence and Service" and this philosophy pervades in every aspect and functioning of the department. The training imparted aims to prepare young minds for the challenging opportunities in the IT industry with a global awareness rooted in the Indian soil, nourished and supported by experts in the field. The heterogeneous and vibrant student community of the department have represented the university at various national and international events and also have brought in many laurels. With 4 patent published,4 internal research projects, 5 specialised research clusters and more than 60 journal articles, faculty members are strengthening the research culture of the department

Department Collaborations

2 (Redhat, Kritter Software)

Curriculum Innovations

Introduced interdisciplinary lab courses for BCA(Accounts lab & office automation lab), Introduced cluster-based elective courses for BSc(CME/CMS)- Data Analytics, IoT, Revision of MSc(Computer Science) syllabus

Pedagogic Innovations

Evaluation process for all practical courses of all programs-Periodic and structured assessment for the learning progression(student) from basic to advanced programming and software development

Tech-enabled team teaching- Inter-disciplinary co-teaching for integrating concepts and applications for holistic learning

Infrastructure

Up-gradation of labs systems.

MCA Lab I5 7th Generation, 32 GB RAM,1TB HDD, Windows 10

BSc Lab I5 7th Generation, 32 GB RAM,1TB HDD, Windows 10,256SSD

12. Mr Sourav Ghosh, Senior Manager - Data Architecture Science (AI/ML), Accenture AI Innovation Hub, Bangalore
13. Prof. Domingos M Cardosso, University of Aveiro, Portugal

Overseas countries visit by faculty members

Dr Saleema JS participated in International Teaching Week at University of Applied Sciences Würzburg-Schweinfurt, Germany

DEPARTMENT OF LIFE SCIENCES

About the Department

Eco Friendly practices through Green Army Students internship for industrial and research exposure, Compiled report of internships (Precis Genesis)

Department Collaborations

1. Industry Academia Collaboration with Bionivid Technology - Genomics Training Workshop is jointly being conducted at regular intervals.
2. Collaboration with Dr G.S. Hebbar, Faculty of Engineering, CHRIST (Deemed to be University) for MRP Project MRPENG 2016-03 - Project is running in Applied and Industrial Biotechnology Laboratory under the guidance of CO-PI, Dr Alok Malaviya;
3. Collaboration with Dr Angela Falciatore, Sorbonne University, France and Dr Shruti Malviya, NCBS, Bangalore - a Joint DBT Project Application has been submitted

Curriculum Innovations

New elective courses covering specialized areas of life sciences for UG and PG programmes.
New open elective course (Skill Enhancement Course)

Pedagogic Innovations

Use of ICT (Google classroom and Moodle)
Use of PowerPoint slides
Use of chalk and board
eContent using CCD
MOOC

Infrastructure

1. Microbiology Laboratory
2. Plant Tissue Culture Facility
3. Common Instrumentation room for LIfe Science
4. Green House
5. All laboratories with audio-visual facility
6. Centralized storeroom for chemicals
7. Media preparation and sterilization facility
8. Decontamination and washing area
9. Air shower room
10. Water shower and eyewash station
11. Bioprocess / Fermentation technology Laboratory

Faculty details

Qualified faculty members with expertise in the fields of human genetics, environmental biotechnology, disease biology, genomics, microbial technology, analytical techniques Instrumentation etc.

PRISM (Primal Research Ideas in Science and Management) Award
(2019) to 3 SEM MBTY students Neha and Nimisha

Alumni Activities conducted by the Department

1. Alumnus - Shashank S (2010 bath BCB) was invited to conduct an Entrepreneurship and Career path talk on CrowdFunding in Science and Research on March 5, 2019
2. Organized a Life Science Alumni meet on Jan 26, 2019 (Had alumni from 1971 batch CBZ)

Special dignitaries at the department for the departmental programmes/events lectures

1. Mr Vibhava Shukla, Scientific Manager, Biocon Ltd., Bangalore
2. Dr Reeta S. Mani, Additional Professor of Neurovirology, National Institute of Mental Health & Neurosciences (NIMHANS), Bangalore
3. Dr Chenna Reddy Aswath, Indian Institute of Horticulture Research, Bangalore
4. Dr Setha Krishnan, SYNGENE
5. Dr Abraham Verghese, National Centre for Agriculturally Important Insects, Bangalore
6. Dr Senthil Kumar Radhakrishnan, GPS Institute of Agricultural Management, Bangalore

Other Department activities that need mention

1. Dr Suma S, faculty in charge for collaboration with SCRI for stem cell registry drive and awareness (social work)
2. Dr Suma S - served as MAPS (Marine Arctic Peace Sanctuary) Ambassador in collaboration with a Canadian NGO for fighting against commercialization in the Arctic region and thereby causing huge climate changes.
3. Mandatory internship for all BSc and MSc students in Research institutes / R and D companies.

4. Green Army activities: National moth week, Tree plantation drives, cycling drive, trekking camp
5. Global Backyard Bird Count (GBBC) and eco-conservation lectures are organised by the Green army.
6. Celebration of anniversaries of national personalities

MATHEMATICS

About the Department

1. The Department focuses on quality research.
2. Eighty-four research articles were published in the last year.
3. A research-oriented curriculum is implemented in PG Programmes.
4. Administration of the doctoral programme by the Department.

Department Collaborations

Collaborations in Research Publications with 16 Institutions

Curriculum Innovations

Programming Language Python has been introduced for both UG and PG.

Pedagogic Innovations

Team teaching method for practical courses

Infrastructure

1. Mathematics Research Centre (MRC)
2. Smart Classrooms

Faculty details

1. All members of the faculty have doctoral degrees and are very active in research.
2. Three domains of research: Graph Theory, Fluid Mechanics and Differential Geometry

5. Research-based projects
6. Bridge Course/Remedial Course for weak students.
7. Monthly Colloquia (MIGD) on discrete mathematics

PHYSICS AND ELECTRONICS

About the Department

The Department of Physics and Electronics offers a wide range of courses at the level of Undergraduate and Postgraduate. The department has 20 faculty members plus numerous visiting scientists and research associates. The focus of the Department is to develop a strong background in the fundamentals of Physics. The Department is researching the front-line areas of Applied Physics including Material Science, Nanophysics and Astrophysics. Frequent seminars and weekly colloquia attract many distinguished visiting physicists to the campus, which further stimulates an active research environment.

Department Collaborations

Collaboration with IIA, CSIR-NASL, TIFR, ISRO and RRCAT

Curriculum Innovations

Student projects
Choice-based curriculum with electives

Pedagogic Innovations
Poster presentation, Micro presentation for evaluation. Demonstration of Electronics Projects.

Infrastructure
Research Labs (3)

Faculty details
The faculty members of the department carry out research in many frontier areas, which includes crystallography, superconductivity, nano-materials, nuclear physics and astrophysics.

2. Through Udaan Club B-Plan competition facilitated to the students with venture capitalist
3. Number of events were hosted for the students to showcase their skills like MUN, Upskill to Upscale and Samsodhan etc.,

HOTEL MANAGEMENT

About the Department

Department of hotel management with its above vision and mission aims at creating global citizens and leaders in the hospitality industry. With this aim, the department organised and achieved the following events in the academic year 2018-19;

Research papers in various conferences and journals were presented and published by faculty members. Distinguished industrial experts, academicians and alumni visited the department for various academic activities. Industrial and Academic visits were organized for students and faculty members at the regional and international level. Three students participated in an exchange programme with NHTV Breda University of Applied Sciences, Netherlands.

Department Collaborations

BUAS, Netherlands, Sheffield Hallam University, UK, Central Michigan University, USA, Griffith University, Australia, Liverpool Hope University, UK

Curriculum Innovations

A very dynamic curriculum, with the right blend of management and operational thought in academic rigour, the Department of Hotel Management monitors the career progression of the students with vigorous academic inputs and the systemized mentoring process. Students are given the opportunities to travel and study in affiliated recognized hospitality schools across the globe to make them more successful in their profession.

Pedagogic Innovations

Experiential learning, Social Media based classroom engagement, Test over Documentary

Infrastructure

Studio Kitchen, Front Office Lab, Model Guest Room, Experiential Learning Restaurant, Store Room, Quantity Kitchen, Basic Kitchen, Bakery, Chocolate Room.

Faculty details

All faculty members with industry experience and with an average experience of 15 years in CHRIST (Deemed to be University). Research and operational oriented such as culinary, patisserie, rooms division, front office, beverages and restaurant management.

DEPARTMENT OF PROFESSIONAL STUDIES

About the department

The Department of Professional Studies offers some of the most unique and specialized programmes in the field of commerce and management. With strategic partnerships and integration with leading national and international professional bodies, the department constantly strives to nurture future professionals and leaders in the field of Commerce, Finance, and Management.

Department Collaborations

MoUs/Agreements signed (Active MoUs) – International

1. Association of Chartered Certified Accountants
2. Chartered Institute of Management Accountants

Curriculum Innovations

Undergraduate programmes :-

Introduction of new and unique Generic Elective papers for all the Undergraduate programmes of the Department

1. Commerce and Indian society I
2. Commerce and Indian society II
3. Sustainability and Corporate Social Responsibility

Commerce and Indian society is an interdisciplinary course in economics, sociology, and the Indian constitution, grounded in intersecting debates of contemporary significance. The course is designed to broaden learners' awareness and critical engagement with the political economy of India as a function of its sociological and ideological underpinnings.

Sustainability and Corporate Social Responsibility aims to develop students' awareness *on sustainability* and skills to enhance *sustainable* business value based on the 'triple bottom line' of people, planet and profit. It will focus on developing an understanding of the relationships between *CSR / Sustainability* and competitive strategy.

Postgraduate Programme :-

Industry Work Placements across all the semesters

Industry Work Placements is an important learning experience of this study program, allowing students to apply management knowledge in a professional setting.

Introduction of Data Analytics for Decision Making courses across all the semesters

This course will help students to gain the skills required to navigate through the complexities of making decisions using data science and make better business decisions.

Pedagogic Innovations

1. Discussion of research papers in class
2. Flip method of teaching
3. Peer learning
4. Case study Method of teaching
5. Discussion of recent and practical cases
6. Study of visual texts, analysis through experience
7. Blogs, Short movies/ videos, TED videos, MOOC, Webinars

INSTITUTE OF MANAGEMENT

INSTITUTE OF MANAGEMENT

About the Department

The Institute of Management conducts two year regular MBA which is the flagship programme of CHRIST (Deemed to be University), with about 1500 students from throughout India, across two campuses. As we enter the 25th year of the MBA programme, we have embarked on two important accreditation initiatives: NBA and AACSB. We have as our strategic themes, Sustainability and Digital, which are driven through curriculum and pedagogy with alumni participation and industry connect.

Department Collaborations

Academic – 3	Industry - 4

Curriculum Innovations

1. VED Analysis, Decentralized Evaluation, Industry Practicum,
2. 1 new specialization 'Business Analytics' (this includes 12 new courses), 6 new value-added and 10 new courses added.
3. New assessment method (CIA Weightage scheme including MCQs)

Pedagogic Innovations

1. Video preparation by students for CIA, Integrating board games, Mock Stock trading incorporated into the curriculum (Trakinvest)
2. Impartus (Video Capturing) 16 sessions were recorded by 14 faculty members.

Infrastructure

LOS Labs, SAP & ERP Lab, Marketing Lab

Faculty details

Good heterogeneous mix with desired industry experience and ascendency over a range management topics

SCHOOL OF BUSINESS STUDIES AND SOCIAL SCIENCES

SCHOOL OF BUSINESS STUDIES AND SOCIAL SCIENCES

About the Department
The campus offers facilities for collaborative learning through activities where Business students and the students of Social sciences are integrated with a clear goal on the learning outcome.
Interdisciplinary with common core is a major focus area of the school.
The curriculum is carved to give an overview and completeness to the discipline under study.
Students are given challenging and creative assessments through 70% on internal Assessment and 30% on End semester examination.

Department Collaborations
HAN University, Netherlands, Farmer School of Business, MIAMI University US

Curriculum Innovations
Common core (number) and 2 interdisciplinary papers offered to EPH and EMP

Pedagogic Innovations
Verbal sessions/face to face interactions with required supporting pedagogy such as audio-visuals.

Infrastructure
1. 1 Media Laboratory
2. 1 Business Lab
3. Research/Statistical Database
4. Psychology Laboratory

Faculty details
The array of domain expertise of the faculty of the Department ranges from multicultural studies to business enterprises to multimedia to law enforcement agencies.

Extension and outreach by Dept/teachers

05

Other Department activities that need mention

School of Business Studies and Social Sciences, CHRIST (Deemed to be University), Bannerghatta Road Campus, Bengaluru is an interdisciplinary campus which offers unique programmes like common core papers offered by the school to its students to facilitate any optional paper which any student from varied disciplines can opt and take examinations.

FACULTY OF ENGINEERING

CIVIL ENGINEERING

About the Department

The distinctive professional lines in which attention is given in the course in Civil Engineering are, Surveying and field methods, Mechanics and its application to the design of roofs, bridges and other structures, Plain and reinforced concrete and concrete construction, Railway location, construction and maintenance, Hydraulics, and its application to waterpower, canals and drainage work, and irrigation, Sanitary and municipal engineering, including water supply, sewerage, and roads and pavements. The purpose is to give as broad

and scientific training in these lines as the length of the course will permit. The study of principles is held to be of prime importance since the knowledge of these is acquired only with difficulty in the practical work of the Civil Engineer. Through student's association CACE (Christites Association of Civil Engineers), the department organizes various technical and non-technical events which include, interdepartmental technical fests, workshops related to skill development, Seminars, Conferences Guest talks, Alumni interactions, Industry visits, Social outreach programs, sports and cultural fests.

There are two externally funded projects on sustainable construction products using industrial wastes taken up by the faculty funded by the Ministry of Mines and the Department of Science and Technology. The department is also involved in the disaster management of Kodagu, which has experienced floods since the last two years.

Curriculum Innovations

Open electives and Global electives are introduced in addition to the Industry based internship.

Pedagogic Innovations

Mini projects and project-based learning are introduced in addition to the MOOC and Industry Internship

Infrastructure

Research laboratory established to turn on industrial wastes into a civil engineering product. The department has also the loading frame and

Faculty details

The faculty of Civil Engineering has been the forefront in the areas such as sustainability, earthquake engineering, geotechnical engineering and highway & transportation Engineering. For operational purposes, the department functions as a combination of four groups: Structural, Geotechnical, Environmental & Water Resources, Disaster Management and Highway Engineering.

Research in the areas of geophysical testing, solid waste management, and ground improvement are undertaken. Our research in the broad area of water engineering encompasses flood prediction, disaster management, climate change impacts on hydrology/water resources prediction and water quality.

COMPUTER SCIENCE AND ENGINEERING

About the Department

The Department of Computer Science and Engineering started its journey to produce qualified Engineers to society with a variety of skills. The department offers the degrees Bachelor of Technology, Master of Technology, and Doctor of Philosophy in the areas of Computer Science and Engineering (CSE) and Information Technology (IT). Student intake is 180 for CSE and 60 for IT. Currently, there are 920 students and 48 faculty members in the department.

Department Collaborations

Industry: CISCO, LG-SI, ORACLE, TECH MAHINDRA, RED HAT LINUX

Academics: Kyungpook National University, Catholic University of America, Fachhochschule Würzburg-Schweinfurt University, St. Martin's.

Research: CSI and IEEE

Curriculum Innovations

1. Certificate Courses
2. Fast Track Course for Advanced Learners
3. Industry Based Projects
4. Service Learning
5. 2+2 Student Exchange Programme
6. Interdisciplinary Electives

Pedagogic Innovations

1. Flipped Classroom
2. Blended Teaching
3. Project-Based Teaching Learning
4. Certification Programmes with Industry Collaboration
5. Skill Enhancement Courses (CIMA, FESTO, RPA, Data Analytics and so on)

Infrastructure

1. Internet of Things Lab
2. CISCO Networking Lab
3. Red Hat Linux Lab
4. Machine Learning Lab

Faculty details

The department has rich knowledge pool of faculty resource who are well trained in various fields like Artificial Intelligence, Machine Learning, Computer Vision, Algorithms Design, Cryptography, Computer Networking, Data Mining, Data Science, Big Data, Digital Image Processing, Text Mining, Knowledge Representation, Soft Computing, Cloud Computing, etc. The department has a wide variety of labs set up namely open source lab, Machine learning lab, CISCO Networking Lab, IoT Lab, etc. Specifically for students, for their lab curriculum and their research.

ELECTRONICS AND COMMUNICATION ENGINEERING

About the Department

The department envisioned to impart quality technical education by a well-qualified faculty team and provide hands-on training to the learners with the in-house state-of-the-art laboratories at the undergraduate, postgraduate and doctoral levels in frontline areas of electronics and its inter-disciplinary domains. The research interests of the faculty members of the department encompass the wide area of applied and fundamental aspects of Electronics and Communication Engineering. The broad areas of research in the department includes RF and Microwave, Signal Processing, VLSI and Embedded System Design.

Department Collaborations

1. E-Mobility Research and Development Centre was inaugurated on 21.01.2019, aimed to develop the emerging electric vehicle technology in India, in collaboration with SAFRAN Engineering Services, Bangalore.
2. MoU between Department of ECE and Vivartan Technologies, Bangalore for offering Industry based PG programme, M.Tech - Communication Systems(IC Design) signing ceremony held on 28.03.2019.

Curriculum Innovations

1. The Curriculum is aimed with a clear mapping of theoretical knowledge, practical skills to be acquired and ability to use them in practical situations in the context of Local, Regional, National and Global needs.
2. The curriculum has been framed keeping the global industry trends in mind. Special emphasis has been laid out on recent industry trends and also programming skills which will make our students employable. The entire

syllabus has been framed by doing a comparative analysis with other universities abroad and also by following the AICTE model curriculum of 2018.

3. Department has introduced project-based learning in the curriculum through service learning where the students create prototypes and projects which are helpful to the society in the fields of agriculture and health care.
4. Department has introduced mini projects in the curriculum to equip the students to solve real-life applications and to enhance their employability.
5. Open electives are introduced in the curriculum to give the students from other departments an understanding of electronics and communication engineering concepts applied for multi-disciplinary applications.
6. The Internship which has been introduced in the curriculum aims to provide an opportunity to seek, acquire and explore an appropriate level of technical skills through industry exposure.

Pedagogic Innovations

Some of the best practices in our department toward effective teaching and learning process are listed below:

1. Learning Management System(LMS)
2. Teaching and Learning through ICT
3. Engineering Experience Program
4. Project-Based Learning Approach
5. Technical Talks by SME
6. NPTEL
7. CAPS
8. Service Learning
9. Holistic Education
10. Comprehension

- All the classrooms are provided with ICT facilities to enable visual teaching in all the subjects.
- The entire campus is Wi-Fi enabled allowing the students access to any material on the internet on the go.
- Department has introduced research groups to expose students to research culture as early as the second year. Through these research groups, students work with faculties in their areas of research and during this hour an exclusive discussion takes place among the students which are initiated by the students.

11. Expert video subject lectures delivered by the various eminent resource persons are available in the digital library and it facilitates the faculty and students to utilize e-tutorials of NPTEL, MOOCs access E-Journals, Video Conference room, etc
12. Peer teaching has been introduced where the advanced learners handle classes for slow learners of junior batches.
13. Faculties use Learning Management System (LMS) extensively for uploading assignments, teaching materials which will be made available to the students anytime.
14. Department has procured MATLAB TAH (Total Academic Headcount) license which enables all the students to have MATLAB with 50 toolboxes in their laptops.
15. There is provision for submission of assignments online and online evaluation is also available.

16. Few faculty members have also developed online lectures through the facility available at the university called as Centre for Concept Design (CCD) and these lectures are made available to the students through their LMS.
17. Faculty members are encouraged to update their knowledge by attending frequent FDP's and short term courses. It has been made as one of the appraisal criteria to make the faculty members update their knowledge.
18. Holistic development is based around the principle of the whole being greater than the sum of its parts and addresses all of the needs of a Students Life. These may include any combination of emotional, physical, relational, intellectual, creative and spiritual needs. This has been continuously imparted to the Students in each semester as a part of the curriculum.

Infrastructure

Special Labs

1. Photonics Lab

The Photonics Lab is a research laboratory. This lab is equipped with Continuous domain instruments for Diffused Optical Tomography system which contains following devices: Laser diode and TCLDM9 mount, Temperature controller (TED200C), Laser diode controller (LED200C) of Thor Lab, Photomultiplier tube (Hamamatsu) & K218 mount and Lock-in amplifier (SR830). The lab is also equipped with simulation software like NIRFAST and COMSOL. It provides a platform for postgraduate students and doctoral research scholars to explore the field of biomedical imaging using optics.

2. Hardware Software Co-Design Lab

Hardware Software Co-design Laboratory is established to design high-speed systems which support hardware as well as the software implementation of real-time application. The lab is equipped with tools like XILINX VIVADO, XILINX ISE, XILINX EDK, XILINX SDK, XILINX SYSTEM GENERATOR and also XILINX VIRTEX 5, SPARTAN 6, SPARTAN 3 FPGA boards to support hardware implementation of the real-time applications. The resources are made available for the faculty as well as to students for their research in the area of hardware-software co-design, wherein students are exposed to learn the concepts of design high-speed systems on FPGA.

3. RF and Microwave Research Laboratory

The RF and Microwave are a Research Laboratory which caters to the researchers to explore the field of wireless communication concerning conventional & planar antennas and RF systems including investigations on the effect of metamaterials and ambient RF energy harvest.

The explosive growth in the demand for information transfer using handsets and personal communications devices has created the need for major advancements of antennas. One type of antenna that fulfils most of the wireless system requirements is the planar antenna. It finds an increasingly wide range of wireless applications in handheld mobile devices, satellite communication systems and biomedical applications. This Research Laboratory

provides a complete platform for simulation and experimental validation of antennas & RF system designs up to 40 GHz. This lab is equipped with HFSS EM simulation software and the state-of-the-art kind of measuring instruments Vector Network Analyzer, Spectrum Analyzer, PCB Printing Machine, RF modules and an Anechoic Chamber measuring a size of 7m x 4m x 3m. The long term goal is to develop this laboratory as a centre of excellence for microwaves.

Faculty details

The faculties of the Department of ECE are pioneered in the four vertices viz. RF & Communication, Signal Processing, VLSI & Embedded Systems and Devices & Circuits in the field of Electronics & Communication engineering.

Awards & achievements

1. Dr Aswatha Kumar has been elected to the Senior Member(SM) Grade in IEEE.
2. Dr S.Suganthi awarded with "Teaching and Research Excellence Award – GRABS Awards 2019" instituted by GRABS Educational and Charitable Trust.
3. Prof.R.Vivek was awarded with Best Paper Award for the research paper presentation on 'High Gain Ultra wideband Fractal Antenna', Faculty of Engineering, Annamalai University, Tamilnadu.
4. Dr Rusan Kumar Barik honoured with Appreciation Award for the contribution in the pursuance of the vision and mission of the University.
5. Dr Rusan Kumar Barik honoured with Outstanding Reviewer Recognition by The Editors of AEUE-International Journal of Electronics and Communication.
6. Prof.G.Sushanth received appreciation Award for TI-IICDC participation.

Alumni Activities conducted by the Department

Annual Alumni meeting conducted on 26.01.2019 with alumni talks and recreational programmes were organized as a part of Alumni interaction.

Special dignitaries at the department for the departmental programmes/events lectures

1. Mr Sundaram Ramalingam, Head – Deep Learning, NVIDIA, Bangalore.
2. Mr A.N.Ramaprakash, Scientist, IUCAA, Pune,
3. Mr Jayant Murthy, IIA, Bangalore
4. Ms Annapurni Subramaniam, IIA, Bangalore
5. Mr Avinash Deshpande, RRI, Bangalore
6. Mr Padmakar Parihar, IIA, Bangalore
7. Mr Rajesh Nayak, IISER, Kolkata
8. Ms Shyama Narendranath, ISAC, ISRO
9. Dr S Raghavan, Senior Professor, NIT-Tiruchirappalli.
10. Dr Narendranath Uduapa, Former Director & Head of Lighting Research Philips, Bangalore.
11. Dr Prajof Prabhakaran, Tech Lead, L&T Technology Services.
12. Dr Manjunath Ramachandra, Principal Consultant – CTO – Wipro.
13. Mr Chandrakant Singh, CEO, Startup Huts, Bangalore
14. Mr Manjunath Dixit, Manager – Silicon Engineering Group, Intel Technology Pvt. Ltd.

Overseas countries visit by faculty members

1. **Prof.Vinay Jha Pillai**, Assistant Professor in ECE department participated and presented a research paper entitled as "Early detection of breast cancer using ER specific novel NIR fluorescent dye conjugate: a phantom study using FD-FDOT system" in the conference during 02-07, Feb 2019 held at San Francisco, California, United States of America.
2. **Dr. S.Suganthi** visited National Technical University(NTU), Singapore for technical discussion on RF and Microwave Engineering.

ELECTRICAL & ELECTRONICS ENGINEERING

About the Department

The goal of the department is to create engineers of high technical skills in the Electrical & Electronics Engineering field, suitable for employment in reputed firms and higher studies. The programmes offered by the department caters to the ever-increasing needs of technical brilliance in all areas of electrical and electronics engineering such as integrated Electronics and Circuits, Telecommunications, Control & Automation, Power Systems & Power Electronics.

During the academic year 2018-19, the department focussed on research and development in the area of E-mobility. The provision for a six-month industry internship in the final semester is rolled out and all the eligible students got internship opportunities through it.

The UG and PG students were inducted in going research projects and could produce many research papers.

Department Collaborations

1. Established E-Mobility R&D facility in collaboration with Safran Engineering Services and IEEE

2. Mahindra Electric collaborated with E-Mobility research

Curriculum Innovations

1. Six-month exclusive internship in industry scheme is introduced
2. Curriculum modified in line with AICTE guidelines
3. Number of elective courses increased to 13 from previous 8 courses
4. Courses like Biology for Engineers, Professional Ethics, Project Management and Finance included in the curriculum to bridge the gap.
5. Three certificate courses included
6. Curriculum modified towards OBE.

Pedagogic Innovations

1. Option for Fast track is provided for performing students
2. More electives were introduced
3. Modifications made towards NBA accreditation

Infrastructure

Established E-Mobility R&D facility

Faculty details

Power systems are the major core area in which all the faculties have expertise. Apart from it e-Mobility, Smart grids and Industrial automation are the recent trending areas were our department faculties are working

MECHANICAL AND AUTOMOBILE ENGINEERING

About the Department

Mechanical and Automobile engineering is one of the oldest, largest and diversified of all engineering disciplines. It is rated as one of the most "evergreen" branches. It is one of the top departments in the university which is aggressive not only in academics but also in research. In the academic year 2018-19, the department has published 38 research articles and 6 faculties have completed their PhD. The department has developed a collaboration with a good number of industries for student internship cum projects. Department signed an MOU with "Safran" and established E-mobility lab along with ECE and EEE departments, Jointly with Indian Ceramic Society department has conducted one International conference "AceND".

Department Collaborations

The Department has collaboration with 8 world-known firms. Details are as below.

1. Mercedes Benz Research and Development India Pvt Limited.
2. Renault Nissan Automotive India (P) Ltd, Chennai, India.
3. FESTO DIDACTIC
4. I Three InfoTech Private Limited
5. Elite Techno Groups Jaipur, Rajasthan, India
6. Tech Mahindra
7. Tata Advanced Materials Limited, Bangalore
8. BOSCH Limited
9. Mechwell industries Limited
10. e-Mobility Lab in association with IEEE and Safran Engineering Services.

Curriculum Innovations

1. Fast Learners are identified and given special training by industry experts.
2. Inhouse Summer Internships for selected students every year during summer vacation.
3. Learning through Industry Visits/Guest lectures.
4. Industry based projects for final year students under the fast track process.
5. Mandatory 60 days of internship during summer vacation.

Pedagogic Innovations

1. Interactive Class Room Teaching.
2. Real-Time case studies.
3. Collaborative Learning.
4. Google Classroom.
5. NPTEL e-learning.
6. Research-based Assignments.

7. Experiential learning

Infrastructure

1. Vehicle Building Facility is used to build vehicles like BAJA, SUPRA, EBAJA, vehicles.
2. An Advanced composite lab is used to test different materials under the class of ceramics and also to enhance student skill development and capability.
3. An Advanced Manufacturing Laboratory is used to teach and produce high precision components using CNC and 3D printers.
4. Software laboratory is used to create Modelling, Meshing and Analysis and also for the validation of results obtained from Analytical and Experimental Methods.
5. CHRIST-MBRDI Daimler Truck Tear-Down Facility for assembly and disassembly of Daimler Trucks.

Faculty details

Department has faculties with following specializations.

Machine Design, Production Engineering, Thermal Engineering, CAD/CAM, Industrial Engineering, Material Science, Product Design and Manufacturing, CAE and Automotive Engineering.

SCHOOL OF ARCHITECTURE

SCHOOL OF ARCHITECTURE

About the Department

The School of Architecture (SoA), conceived in the year 2017-18, has been leveraged on the CHRIST (Deemed to be University)'s 50 years legacy of academic pursuit for excellence and its transformation through creative and empathetic involvement with the society. Approved by the Council of Architecture New Delhi and AICTE, the five-year Bachelor's Degree Program in Architecture offers an Integrated design curriculum understanding Architecture as a cultural production unravelling its deep connection with the environment, society and material.

The year 2018-19 saw efforts to reaffirm this aspiration, strengthened by three core principles, the teaching pedagogy of 'Experiential learning' in Architecture; the 'Service Learning & Outreach Projects' evolved through a close working relationship with the existing ecosystem of the University; and the 'Studio on Wheels' a unique travel and learn studio programs

Curriculum Innovations The School of Architecture offers an Integrated design curriculum understanding Architecture as a cultural production unravelling its deep connection with the environment, society and material.

Pedagogic Innovations

The three pedagogic innovations:

1. The teaching pedagogy of 'Experiential learning' in Architecture; with focus on hands-on material exploration in design thinking.
2. The 'Service Learning & Outreach Projects' evolved through a close working relationship with the existing ecosystem of the University, and
3. The 'Studio on Wheels' a unique Travel and Learn studio program attempting flexible classroom technique for effective learning.

Infrastructure

1. **Art and Carpentry workshop** provides pottery, sculpting, painting and several other forms of art;
2. **Climatology Lab** that provides facility for building performance analysis and
3. **Computer Lab** with the software for 2D drafting and 3D rendering AutoCAD, Sketch-up, V Ray etc.
4. The facilities offer active and experiential learning realms to work with varied materials and media.

Faculty details

With an overarching proficiency in Urban Studies and Architecture, the Faculty of Architecture has expertise in sustainable practices, landscape architecture and historical criticism. The group has varied strengths of both practising architects and academicians. The curriculum advisers are drawn, from both academia and industry, of high reputation and experience.

11. The new School of Architecture Block is under design with innovative and sensitive use of materials, with spaces to assemble and developing the Centres for Applied arts & Building sciences Research as two new verticals to grow along with the Architecture program.

SCHOOL OF LAW

SCHOOL OF LAW

About the Department

The School of Law incorporates many co-curricular activities in all its courses that make learning an enjoyable experience. It facilitates skill development and strengthens interpersonal relations. With the Karnataka State Legal Services Authority, the department has adopted six villages and also conducts legal aid and awareness programmes with the view to instil values of service to the society. The strong learning environment has resulted in students winning moot court competitions, client counselling competitions, model united nations, debate competitions at national and international level.

Department Collaborations

1. Karnataka State Legal Services Authority, Government
2. The Karnataka Institute of Parliamentary and Legislative Reforms
3. (KILPAR)
4. Leeds Beckett University
5. University of Illinois, US

Curriculum Innovations

1. Introduced New Electives for skill development
2. Co-Curricular Activities enhanced through various Committees
3. Empirical Legal Research introduced in subjects as a part of pedagogy.

Pedagogic Innovations

Teaching Learning: Courtroom Exercise for application-based learning, Workbooks for integrated learning, Classroom discussion to introduce the concept, Crosswords, Case Study, Guest Lecture, Group Presentations, Resource person Invited to supplement class lectures, Students presentation to develop their Oratory skills and instil confidence in them, Group presentations to inculcate teamwork, Co-teaching, Documentary, Discussion oriented regular classes, Class Moots, Use of the Creative Commons License to understand Copyright Licensing, Drafting of Agreements, Skit based on Case Laws, Theatre, Seminar on Contemporary Issues

HISTORY AND INTERNATIONAL STUDIES

HISTORY AND INTERNATIONAL STUDIES

About the Department

The department has grown by leaps and bounds through one academic year, constantly punctuated by visits from students and representatives from well-known foreign Universities, Fests and seminars. In the past one year, the department has hosted visitors from the University of Universities in Korea, KU Leuven, University of Lille, University of Guelph, Canada, Liverpool Hope University, Soochow University and several experts from leading Universities in India. The department has also introduced *Global Classes* - a virtually conducted lecture, by our peers in Durham College, Canada on topics as varied as Global Economy, Cultural differences among students and Racial Discrimination. It has also become a leading centre for China Studies by conducting a workshop in Collaboration with Harvard Yenching Institute and a conference in collaboration with the Institute of China Studies, New Delhi.

Department Collaborations

MOUs - 5
Internship Collaborations - 25
Seminar/ Workshop - 2

Curriculum Innovations

1. History: Entire curriculum of eight courses, has been revamped, adopting a graded approach of studying the histories of the World, to Region and National. It comes into execution from

2019 June for the first semester students.

2. Innovations: 1) Introducing a Cultural component such as literature, cinema, painting, in all the modules/units or chapters. 2) Inclusion of history of less familiar areas 3) Introducing concepts and theories.
3. Political Science: Emphasis has been on enhancing understanding of Political Science in a conceptual and theoretical framework.
4. Innovation: 1) Introduction of Research methods in all the units from third semester 2) Introduction of Research paper in Political Science.
5. MAIS: Focus has been on expanding area studies coverage, by including significant regions in the contemporary world.
6. Innovations: 1) Introduction of China Studies and Language 2) Inclusion of new areas such as Russia and Japan.

Pedagogic Innovations

1. History: 1) Self-learning component within the syllabus 2) Extensive use of visual sources such as maps and images. 3) Case study method and evaluation
2. Political Science: 1) Case study method and evaluation
3. MAIS: 1) 1) Case study method and evaluation 2) Global Class in association with Durham College, Canada, along with other international participants, in a virtual class.

Faculty details

Department has highly qualified faculty with expertise in Political Science, International Relations and History. More specifically the Faculty are experts in the fields of major area studies (South Asia, Central Asia, Americas, Africa and East Asia) theories, their applications, as well as global tongues like French and Mandarin

GENERAL DEPARTMENT

PHYSICAL EDUCATION

" Talent wins the game, but team-work and intelligence wins championship "

Sports activities are an integral part of a student's career. Our students are enthusiastic achievers with zeal and ambition to give their best performance. The year began with team selection tryouts for all the team games which were followed by Pedagogic League conducted on 11th of July 2018 along with the grand inaugural celebration of the golden jubilee.

Keeping up the tradition, this August too, the 25th CHRI-SPO-FEST, an Annual Inter-Collegiate Sports Festival, held by CHRIST (Deemed to be University), in which **Anil Aldrin ALEXANDER (Olympian)** was the Chief Guest. University sports teams had participated in all men and women disciplines. Our students have participated in various tournaments in and outside India during the months of November-December-January; the following are some of our student's national and international achievements during the year 2018-19.

OM Shankar M.V of II MCOM won bronze and silver medal in the All India Inter-university WUSHU Championship held at Haryana in 2018. Also won one gold and 2 silver medals in Karnataka state Wushu (Kungfu) championship held at Shimoga, Karnataka also secured a bronze medal in the federation cup wushu championship held at Punjab. It gives immense pleasure to inform you all that Krishnan R, of I BBA, represented India in the ASIAN GAMES, in Tenpin Bowling which was held at Jakarta, Indonesia and also represented Karnataka in 29th National Tenpin Bowling Championship held at Bangalore.

Another asset of our university is Crystal Ann Pinto of II BSC who was selected for the Women Football Indian camp which was held at Odisha. Sushmitha Maria Fernandes, (III BCOM) Rasiga Madavan,(III BSC) Jane Spadigam(I BSC) & Crystal Ann Pinto(IIBSC) were selected for the 24th Senior Women's National Football Championship held at Cuttack, Odisha. Also, Dwaitha .P. Chandra,(I BCOM), Varidhi V,(II BSC), Neha B,(I BSC), Sugnan P.V,(II BSC) Manoj. Kumar (II BSC) were selected for Karnataka Throwball team for 41st Senior National Throwball championship at Chandigarh.

Yeshwant. J of I BA Represented Karnataka basketball team in u-21 KHELO

INDIA tournament held at Pune, Maharashtra. Jijo P Raju of II MCA represented the Karnataka team in the senior national basketball tournament held at Bangalore. Madumathi B of I BCOM participated in the 9th Hockey India Women's Senior National, held at Hisar, Haryana.2019. Sruthi k and Samjuktha Gubbi had represented the Karnataka throw ball team in the federation cup at Jaipur and bagged the bronze medal.

The Annual Athletic Meet was held on December 7TH, at University Ground, in which K. Annamalai, IPS (Deputy Commissioner of police) inaugurated the tournament. Thereafter the events of the day started and all the students actively participated in various events with full sportsman spirit. The individual championship for men and women award was bagged by Mr Sifin of MA philosophy & Miss. Hema Shalini of III BA.

Also, the department of physical education sent the teams to take part in the south zone and all India inter university tournaments throughout the year in different venues. The team's participation is as follows.

Game	Zone	Host University
Football (W)	South Zone	Sathyabama University, Chennai
Kho Kho (W)	South Zone	Mangalore, University
Chess (W)	South Zone	Vel Tech University, Chennai
Kho Kho (M)	South Zone	Sri-Venkateshwara University, Tirupathi

Inter deanery / inter class tournaments started from the month of January in different disciplines and the Commerce and Management Deanery won the overall champions and the Deanery of Science came Runners up

A prestigious award, best sportsman and best sports women were given to the outgoing students during valedictory function. This was awarded to Senthil Vcan) III BCOM (best sportsman) and Joyce J (II MCOM) (best sportswoman) by Fr.Vinod Michel (Director, Physical Education)

SPECIAL CENTRES AND OFFICES

ACADEMIC STAFF COLLEGE

CHRIST (Deemed to be University) recognizes its role as a transformer of value education with the vision 'Excellence and Service' to create an appropriate learning platform for its teachers has established the Academic Staff College in 2011. The Academic Staff College conducts orientation, refresher and quality improvement programs to augment the skill, knowledge and competency of the faculty members.

The broader perspectives of the Academic Staff College is

1. To create awareness about newer methodologies of learning and teaching among faculty members.
2. To enable the teacher-learner to understand his/her subject by linking with other subjects and at the global level.

3. To educate the teachers on general aspects of education and allied disciplines.
4. To deliberate on research and consultancy activities and opportunities to explore.
5. To build the confidence of the teachers with knowledge and skill development.
6. The orientation programs for Assistant Professors in the grades of IV and V highlight the various aspects of higher education, academic leadership, value education, innovative methods of teaching-learning etc. The Refresher programs for Professors/ Associate Professors and Assistant Professors grade III and above, emphasizes on the contemporary and applied aspects of knowledge in different disciplines leading to advancement in research and consultancy with a focus on multi-disciplinary approaches. The Quality Improvement Programmes (QIP) is about domain knowledge and aimed at all faculty members on capstone areas which are subject-specific.

The topics pertaining to the programs are discussed in advance with participants and their inputs are taken. The external resource persons are drawn from across the country and to name a few, Dr Arun Nigvekar- former Chairman UGC; Dr M I Savadatti, former Vice-Chancellor, Mangalore University; Dr M. M. Salunkhe, Vice-Chancellor, Central University of Rajasthan, Dr PG Apte, former Director IIMB; Dr Prasanna Chandra-Director CFM; Dr A.M. Pathan-former VC of Karnatak University; Dr Srinivas Saidapur-former VC of Karnatak University; Dr Mathew Manimal-IIMB; Dr Erode Prabhakar-IISc; Mr Ravi Das Gupta-Biocon; Mr Srinidhi Parthasarthi; Dr Gururaj Karajagi- ACT; Mr Sanjay Padode-Dalal Streets; Dr J. D. Singh-New Delhi; Dr L.S Ganesh-IIT, Chennai; Dr R.S. Deshpande, ISEC among others. In addition, CU faculty members are also encouraged to function as resource persons.

The CU-Academic Staff College has a duly constituted Board of Studies, members being nominated by the Vice-Chancellor, and all Deans/Associate Deans, Personnel Officer and Registrar being the ex-officio members; and an Academic Advisory Committee chaired by the Vice-Chancellor with due representation from faculty members, Deans, two external experts, Registrar, Chairman, Board of Studies of ASC as members, and Chief Finance Officer and Personnel Officer as special invitees, to deliberate on need, significance, time frame, and financial approval aspects of the programs.

ALUMNI ASSOCIATION

Alumni were part of the Golden Jubilee Celebration of the University. Around 500 alumni participated in the event. Mr Jugnu Uberoi, President, Alumni Association was felicitated during this event. On 18 Aug 2018 11th Edition of Fun Fiesta was organized for both the teaching and administrative staff from all three campuses. Around 1100 gifts (Glass set, casseroles, lunch & dinner vouchers, Cooker, Tea Set, Storage glass, Flask, Dinner Set - Stainless Steel, Fiber Plates, Kadai, Non-Stick Cooking Set etc.) were distributed to the winners and participants

Alumni Band Performance - Thermal and A Quarter / Galeej Gurus at Main Campus on 07 Sept 2018.

CU-CMI Connect 2018 – CHRIST (Deemed to be University -CMI Alumni Reunion meet was held at Kengeri Campus on 18 Oct 2018. The Annual General Body Meeting was held for appointing the newly elected office bearers for 2018-19. Mr Jugnu Uberoi (Bcom - Batch of 1973) was elected as President, Ms Deepa Chandrashekar (Bcom - Batch of 1998), Vice President along with 13 Core Committee members on 27 Oct 2018. Alumni Family Day was conducted on 01 Nov 2018 by CHRIST Junior College. Mr Jugnu Uberoi, President, Alumni Association was felicitated. The 1st Core Committee Meeting of Alumni Association for 2018-19 on 17 Nov 2018. On 23 Nov 2018 a Workshop on Cultivating a Social Scientific Temper in association with CMCA for Bcom (Morning) Students. 99 students attended the workshop.

The annual Medical Camp was organized for students and staff of Main Campus in association with Narayana Health and Titan EyePlus. The health camp included Eye Test, Body Mass Index (BMI), Blood & Sugar Test, Dental Check-Up, Blood Donation, Cardiac Screening (ECG, Echo), Mammogram. The blood donation drive collected 723 blood units from the donors. Over 1890 students and 445 staff attended the camp. Mammogram - NCD (49) Screening (139) Test (09) on 5, 6 & 7 Dec 2018

The Alumni association sponsorship for the winners of student march past on sports day (Main Campus). PCMB D - CHRIST Junior College on 7 Dec 2018 and 8 Dec 2018 Sponsorship for the winners on sports day (Kengeri Campus). On 9 Dec2018 Sponsorship for Swashakta Mahila Sangama organized by Centre for Social Action. 300 women of Self Help Group from Bagalkot, Kolar, Bengaluru Urban Slam, Maharashtra and Chhattisgarh participated in the event.

Around 15 students are supported daily.

CENTRE FOR ACADEMIC AND PROFESSIONAL SUPPORT

At its core, the Centre for Academic & Professional Support (CAPS) has always aimed at setting a benchmark in different domains of the academic arena. It has also been successfully developing greater proficiencies related to the professional domain by focusing on soft skills and promoting career readiness through in-house as well as external trainers. CAPS' outreach comprises experiential learning and delivery of the well-researched content created to support a variety of target audiences like students, researchers, teaching faculty and non-teaching staff through its 5 Wings and 5 Committees.

Spreading its arms and continuing with its outreach through various modalities, CAPS reached a milestone of reaching out to 22000+ Christites over three different campuses in the year 2018-19. CAPS Kengeri, being the newest member of the ever-growing family, has conducted 15 events and reached out to 1106 Christites. The academic year 2018-19 was significant with over 270 volunteers and 22 mentors working painstakingly to bring out the best in every member of its tightly-knit family. CHRIST Online Writing Lab was officially launched as India's first open-

source web portal with useful e-learning modules. Besides, to commemorate CHRIST (Deemed to be University)'s 50 years, CAPS published CHRIST Book of Memories with evergreen recollections of staff, students, alumni and various stakeholders over the last fifty years. A snapshot of our activities and outreach topics can be accessed through www. CHRISTuniversity.in/caps/

All in all, CAPS volunteers and mentors have kept pushing the limits to expand its outreach to touch as many recipients in as many ways as possible. CAPS also conducted its third Summer Internship over April and May 2019, giving over 20 interns a comprehensive work experience. Truly, the clock never stops at CAPS.

CENTRE FOR ADVANCED RESEARCH AND TRAINING AND CENTRE FOR DIGITAL INNOVATION

The Innovation Centre was conceived as a platform for facilitating coordination between the **Centre for Advanced Research and Training (CART)**, the **Centre for Digital Innovation (CDI)**, **Digital Repository of Questions (DRQ)** and **International Collaboration**. These centres were conceived and created at various instances with the strategic goal of streamlining the administrative tasks at the University, as is the case with the DRQ and the ERP management and development team within CDI.

Later the **Centre for Advanced Research & Training** and the **Centre for Digital Innovation (Global)** was created to accommodate the necessity of raising a culture of research among the faculty and students and also parallelly expose the students to the fast-growing IT industry which is setting a pace to innovative ideas across the world.

INNOVATION CENTRE aims at fostering an ecosystem of innovation by connecting research, technology, ideation and curriculum with solutions for the benefit of society and industry. It is a connecting point to forge linkages between various stakeholders from academia, industry and research institutions.

LGSI	B.Tech. (CSE) and M.Tech. (CSE)	22 Apr, '19 To 24 May,'19

Miscellaneous Events

Event	Period/ Date of Event
Inauguration of the WIZnetIoT lab at Kengeri	7 Jan, '19
Hackathon LG webOSIoT contest was held for the B.Tech. (CSE) and M.Tech. (CSE) of the University. 1. 3 teams from CU reached the finals of the contest. 2. 1 team was the first runner up (with a cash prize of INR 70,000) 3. The other two teams won the outstanding innovator award for the hackathon contest (with a cash prize of INR 20,000 each)	27 May to 17 Jul, '19
Launch of WIZnet contest	1 May, '19
WIZnet contest period	3 Sep to 22 Sep, '18
WIZnet Contest produced three winners	16 Mar to 30 Jun, '18
Proposal to create a LoRaTestbed by WIZnet	

In-House Projects

Centre for Digital Innovation (CDI) – ERP

Major tasks completion updates:

Sl. no	Module	Description	Category (New Feature/ Enhancement)
1	Examinations	1. Gracing page amendments to help the user to know about the previous marks 2. Provision to enter comments against each class in gracing page 3. Provision to give gracing for pass class changes 4. Automatic closure of link to the hall ticket on the commencement of exams 5. Mid-semester question paper download option added to the faculty's login. This will appear after the examination 6. Course completion status added in students' login and students' detail view	Enhancements

		7. Provision for gracing based on the consolidated percentage	
2	Admissions	**Entrance test** 1. For the 2019-'20 admissions, programmes with entrance tests, the process is outsourced to TCS. Major modifications in the admissions module to incorporate the facility to choose entrance test venues, dates, admit card generation, weightage calculations, entrance test results, etc. 2. Process of admission cancellation made online from the cancellation till refund of fees	New Feature
		1. Sponsored Category- provision to incorporate the sponsored category applicant's photo captured with a digital camera during the admission process	Enhancement
3	Attendance	Provision added to create batches with multiple courses together	Enhancement
4	Employee	1. A provision added to carry-over only accumulated leaves. This feature will help the user to shift all balance leaves of previous year's to the new year's accumulated leaves 2. Provision to withdraw online leave application submitted	Enhancement
		1. New feature added to print various letters issued to employees 2. Provision added in online resume submission to upload relevant documents for qualification and work experience 3. Provision to keep separate leave authoriser based on the campus as leave authoriser could be different for different campuses	New Feature
5	Research & Publication	Provision to upload the document proof	Enhancement
		Provision to enter the videos made at CCD albeit by CCD and shall reflect in the faculty's profile	New Feature

6	Healthcare	Record to maintain the details of a student's visit to the on-campus medical staff	New Feature
7	Counselling	Provision to track the counselling records with attendance percentage	New Feature
8	MoUs	Provision to track the MoU details with various Universities and annual reports related to them	New Feature
9	Course Plan	1. Course plan entry and approval process is changed 2. Mapping can be done by the HoD to assign the initiator and approver 3. Initiator can upload the word document to the course plan 4. Review and approval to be done by the assigned approver	New Feature
10	Accounts	For the academic year, 2019-'20, for the students of the second year (MBA) there is a difference in the tuition fee generation based on specialisation. Amendments have been made in the fees module to incorporate this feature.	Enhancement
11	Hostel	New feature introduced to make the hostel readmission fees payment online	New Feature
12	Project Application	Engineering: Facility to apply for project applications, assign guides and print letters for approval authorisation	New Feature
13	Support System	Provision to see the support users' details and send reminder emails in addition to the automatic emails triggered for pending support requests	Enhancement
14	Question Repository	Reviewer/Approver/IDR will get the reminder link in the login page in case of any pending activity	Enhancement
		Provision to track the errors in question papers during examinations. This will also alert the faculty in-charge of the question repository of each course	New Feature
15	ASC Centre	Provision to register, enter marks and give certificates for ASC centre (Collaboration programme between ASC & CHRIST (Deemed to be University)	New Feature

16	IPM	1. Provision to track postal/courier details 2. Publish student's medical leave online so that students can get the details of the actual attendance percentage 3. Provision to keep track of the students who get a provisional promotion	New Feature
17	Off campuses	Application submission and process centralised for all campuses	New Feature
18	Admission	Features added for the entrance test (the process of centre selection, admit card generation, question paper export etc.)	New Feature
19	Time Table	Provision to keep the total hours required to be taken by each faculty for the semester	Enhancement
20	Health Centre	Provision to keep track of staff's visit to the health centre	New Feature

International Collaborations

1. **Student Exchanges**

Sl. No.	Home University	Host University	Description/ Course	Year	Number of Students	Status
1	CHRIST (Deemed to be University)	Dongguk University	CEP/PSEco/PME	'18	3	Completed two semesters
2	CHRIST (Deemed to be University)	Kyungpook National University	PSEco/PSEng	'18	2	Completed two semesters

2. MoUs signed

Sl. No.	Institution/ Company/Agency	Category	Date
1	Chonnam National University	1. Exchange of students 2. Exchange of faculty members 3. Exchange of academic publications and information 4. Development of collaborative research	13 Dec, '18
2	Moonyewon Language Contents Institute	1. Joint educational, cultural and reading program-related research activities 2. Participation in seminars and academic meetings 3. Exchange of academic materials, publications and other information 4. Special short-term academic programs	19 Jan, '19

3. Workshops/Seminars/Performances

Institution /Company/ Agency	Description	Number of Participants	Date
VA 2019 (Indo-Korean Festival)	1. Two-day event 2. First day saw paper presentations 3. Around 14 papers were presented at the event 4. Second day saw LG Hackathon and cultural activities from Korea and India 5. The invitees included the Korean Consul General to India	Over 500 student-participants and 14 participants presented papers	Jul,'18

Digital Repository of Questions

Key features added:

Sl. No.	Description	Key Feature Added	Status
1	DR-Q (Digital repository of Questions)	Header Setting 1. Facility to export in excel 2. This shall improve the tracking of common course papers 3. Enables identifying and requesting the exam office to do a course-wise timetable entry followed by question paper generation for supplementary examinations 4. The subject name and subject code have been changed to subject code and course code. Question Paper Errors 1. Errors in question papers found at the time of exams will be recorded by the office of examinations 2. Email/SMS escalation shall be made available to the allotted subject teacher (initiator/reviewer/approver) 3. KP notification will be triggered for them to make corrections in coordination with the Question Bank Office. Reviewer/Approver 1. Option to view the entire question bank during the approving of questions & patterns	
2	Result Analysis & Convocation	● Modified the exam result analysis report into the requested format (merged into a single report)	
		● Report to be generated for rank holders as submitted format to display on the website	Yet to

		● Formats of certificates for gold medalists, rank holders and PhD holders has been submitted to the ERP team	Completed
		● Gold medallist certificates have to be modified in coordination with the software team.	Yet to
3	Admission Entrance Examinations	1. Provision made to export the generated question paper as per the TCS Excel format 2. Report made for Choice option count to fill the TCS metadata	

CENTRE FOR CONCEPT DESIGN

Key activities

Training faculty for creating digital video lectures, facilitating the creation and produce digital video sessions

During the academic year 2018-19, 22 faculty were trained and 16 trial recordings were done at Green View Studio. A total of 58 digital video sessions, of which 24 videos for CHRIST Junior College involving Kannada poets who explained and about their poems from the I and II PUC syllabus as a new experiment, were recorded. 24 students of CHRIST Institute of Management, Ghaziabad, were also trained and short videos were created for them. Support was extended in documenting various events, 33 talks were recorded and uploaded to the youtube Space Channel, and 11 promotional videos were done for various departments. 42 events were covered and 152 occasions were photographed.

CENTRE FOR COUNSELLING AND GUIDANCE

The Centre for Counselling and Health Services welcomed two new members Ms Deepa Venu Kumar and Ms Jane Rodrigues.

May 2018

The academic year started on 14th May 2018. All members of CCHS attended the inaugural session hosted by the Vice-Chancellor, Fr Dr Thomas C Mathew. The next two days were utilised to discuss department growth strategies for the academic year 2018-19

The first department meeting was held on 30th May 2018.

June 2018

1. **Department meeting**: The department meetings were held on every Tuesday, 5th, 12th, 19th and 26th of June 2018. The agenda for the meeting was to monitor student attendance or any concern with regard to any issues faced by the students.
2. **Psychoeducation program**: Psychoeducation program commenced

on 11th June 2018 for all first-semester students across the campus. The main objective was to provide an open platform for students to know their batch counsellors who will share their opinions and experiences with regard to a variety of issues, which influence their health and well-being. The topics addressed were Personal safety, Addiction, Anger Management, Managing Emotions, and Fostering Relationships etc.

3. **Services for International Students:** A discussion was held with all first-semester International students on 15th June 2018. Along with the International office, the CCHS oriented them on the institutional and academic systems and suggestions to cope.
4. **Peer Education open Elective Course:** The first batch of students from Deanery of Sciences, Humanities and Commerce started on 15th June 2018.
5. **Services for NRI Students:** A discussion was held with all first semester NRI students on 18th June 2018. The batch counsellors discussed with students their difficulties in settling down and asked what support if any they needed.
6. **Policy implementation and review meeting**:
7. Ms Ashly and Dr Asha attended the policies meeting which was held on 22nd and 23rdof June in PU Block and the objective of the meeting was on writing out the policies to be followed which are mentioned as per the norms of the university.
8. **Wellness space**: This program was launched this academic year, as a rejuvenating space for the members of CCHS. The Wellness Space was inaugurated by Dr Fr Viju, Director CCHS on the 27th of June 2018. Ms Savita of the CCHS team introduced the wellness journal in this session.

July 2018

1. **Department meeting**: The department meetings were held every Tuesday on the 3rd, 10th, 17th, 24th and 31st July 2018. The agenda for the meeting was monitoring student attendance and any concerns with regard to issues faced by the students.
2. **Wellness space**: The wellness space was held in Meeting room 208, Block 1, at 3 p.m. on 25th July 2018. This was conducted by Ms Urmi on the topic 'Workplace Emotional Wellness'. All the members of the CCHS team took an active part in the session.
3. **Policy implementation and review meeting**: MsAshly and Dr Asha attended the policies meeting which was held on 27th July 2018 in PU Block and the objective of the meeting was on writing out the policies to be followed which are mentioned as per the norms of the University.
4. **Workshop:** Ms Shessy and Ms Sarika attended a workshop on 26th July 2018 in Central block at 2 p.m. Session were on past life and regression therapy by the Department of Psychology.

August 2018

1. **Workshop:** Ms Manjula and Ms Savita attended a workshop on Cognitive Behaviour Therapy for 2 days at NIMHANS on 3rd and 4th August 2018.
2. **Department meeting**: The department meetings were held every Tuesday on 7th, 14th, 21th and 28th August 2018. The

agenda for the meeting was monitoring student attendance and any concerns with regard to issues faced by the students.

3. **Workshop:** The CCHS team attended a workshop in the Central block at 3 p.m. on 8th August 2018. The topic was "The development and efficiency of Neuro Psychological Intervention Program for Adolescents high academic stress" which was organized by the department of psychology.
4. **Meeting:** A meeting was organized by CCHS in the Meeting room on 9th August 2018, the agenda for the meeting was to assign Conference responsibilities to each member and to form committees.
5. **Policy implementation and review meeting**: Ms Ashly George attended a meeting in the central block which was on 28th August 2018 and the objective of the meeting was on writing out the policies to be followed which are mentioned as per the norms of the University.
6. **Wellness space**: The wellness space was held in Meeting room 208, Block 1, at 3 p.m. on 29th August 2018. This was conducted by Ms Shani on the topic 'Gratitude'. All the members of the CCHS team took part in the session and shared their experiences with regard to gratitude.
7. **Pre-Detention meeting:** Department had a tutorial recommendation meeting on 31st of August 2018 in the Meeting room at 10.30 a.m. for those students whose attendance was less than 75% for genuine reasons.

September 2018

1. **Advanced Peer education program meeting:** The coordinator of CCHS Ms Medonna Milton, Ms Smita Prabhu and Ms Ashly George attended the Board of Studies meeting on the succession of the peer education program which was held on 3rd September 2018.
2. **Department meeting**: The department meetings were held every Tuesday on 4th, 11th, 18th, 25th September 2018. The agenda for the meeting was monitoring student attendance and any concerns with regard to issues faced by the students.
3. **Bhasha Utshav:** The 'ethnic day' was organized by the Department of Languages on the 8th September 2018. Everyone was dressed in ethnic attire; the theme was on 'understanding language celebrating diversity'.
4. **Policy implementation and review meeting**: Ms Ashly George attended a meeting in the Central block, on 11th September 2018. The objective of the meeting was to formulate and compile the policies to be followed as per the norms of the University.
5. **Workshop:** A session was taken on 'Parenting' by Ms Medonna Milton for the parents of the junior college students at the Kengeri campus, on 15th September 2018.

9. **Conference:** On 15th -16th February 2019 the CCHS conducted a National conference on 'Transforming Young Adults' at the Kengeri Campus
10. **Post-conference meeting:** On 27th February 2019 a review meeting post-conference was held in block 1. All counsellors gave feedback on what worked and what improvements could be made in future. This meeting was followed by a team lunch.
11. **Wellness space**: On 20th February 2019 Wellness space was conducted by Ms Shessy on the theme 'LoveLife and Life Will Love You Back.'

March 2019

1. **Department meeting:** The department meeting was held on every Wednesday 06th, 13th, 20th and 27th March 2019. The agenda for the meeting would be on monitoring students' attendance or any concerns with regards to any issues faced by the students.
2. **Parent- Senior Management Meeting:** Parent interaction with senior management was organized by CCHS on 16th March 2019 in Block 4, BHM restaurant at 3.30 p.m.Fr Dr Abraham, the newly appointed VC, along with Directors, Dean, HOD and coordinator of different departments discussed with parents and addressed their concerns
3.
4. **Shakti Women'sDay**: Celebrations were held at Main Auditorium on 19th March 2019 between 3-5 pm. Ms Manjula, Ms Shessy, Ms Sarika, Ms Jane and Ms Shylaja participated. The programme was coordinated by Ms Shessy of the CCHS team.
5. **Peer Education Convocation**: Valedictory ceremony for both batches of Peer Education was held on 19th March 2019 in room 105, Central Block between 4-5 pm. All counsellors and students attended and letters of appreciation were handed out.
6. **Gratitude Day**: All CCHS members attended a celebration hosted by SWO and Student Council in Sky View, Central Block on 21st March 2019 at 1.15 pm. Games were organised and mementoes were received by all.
7. **Pre-Detention meeting:** Department had a tutorial recommendation meeting on 26th March 2019, in the Meeting room at 10.30 a.m., for those students whose attendance was less than 75% due to health reasons.
8. **Attendance CondoningMeeting:** Detention meeting was held in the Meeting room, Block 1 on 28th March 2019, at 10.30 a.m. The Director of CCHS, Director of students affairs, Deans and HODsof all deaneries along with the respective batch counsellor were present to discuss the policy applicable to those students who had an attendance between 74.5%- 84.4 %.

CENTRE FOR EDUCATION AND SUSTAINABLE DEVELOPMENT

The centre is associated with academicians, research scholars, alumni, voluntary organizations, corporate and government departments interested in developing

sustainability models towards education. Activities during the year were,

Channelizing the educational scholarship/fee concession within the University to create a sustainability model.

Alumni Association: The centre provides support to the alumni association in website updating, events, scholarship, engagement of alumni and membership.

CENTRE FOR PUBLICATIONS

The Centre facilitates the research environment of the University and is celebrating its 17th year. The Centre has published a Souvenir to celebrate the Golden Jubilee year. Apart from publishing 36 research reports (working papers, monographs, major research projects), 6 peer-reviewed journals, reports pertaining to the functioning of the University such as the Annual Reports for University Administration and Publication, Research, and Academic Outreach of Faculty, Student and Staff Handbooks, Academic Planner, Lab Manuals, Workbooks and Orientation Handbooks. The Centre published the Manual of Academic Administration and a book of memories dedicated to the former Vice-Chancellor, Fr Thomas C Mathew. The Editorial Board of the journals has been reconstituted with internationally acclaimed scholars to nurture the academic rigour. A policy manual including templates for individual processes, in collaboration with other departments and centres, was edited and designed to systematise the processes. Last year, Kannada Sangha, partner of the Centre, published eight books on creative fiction.

CENTRE FOR RESEARCH

The Centre for Research was established at CHRIST (Deemed to be University) in 2008 to nurture the research talents through a meaningful transition from an early stage of acquiring knowledge to an advanced stage of its creation and application. Striving for fundamental and axiomatic knowledge, identified as an existential need and necessity, underlies the pursuit of innovative and intensive research. The current process of rapid globalization puts forth demands and challenges that go well beyond the scope of a traditional curriculum where learning or expansion of knowledge is primarily conceived in receptive modes.

Progress, development and changes

Through various academic exchange programs, the Centre aims at establishing a universal nature and legitimacy of research culture. This would motivate as well as facilitate the scholars to cultivate an aptitude for intercultural and transnational communications, driven by values and visions of the future. Through various academic exchange programs, the Centre aims at establishing a universal nature and legitimacy of a Research Centre. It motivates and facilitates scholars to cultivate an aptitude for intercultural and transnational communications in economic, social, political and scientific spheres. The Centre has PhD programs in nineteen disciplines. There are 270 empanelled supervisors supervising the scholars. The Centre for Research initiated scholarship schemes for eligible PhD scholars from 2017

onwards. The Doctoral Committee Meeting held during August 2019 approved a part-time PhD programme and admitted 170 PhD scholars including full-time scholars. The year 2019 witnessed a progressive transformation in the conduct of coursework for the regular and part-time cohorts of PhD scholars. As per the revised schedule, the full-time scholars shall attend the coursework on a regular mode for six months and the part-time scholars shall attend the coursework on weekends.

The Process of Doctoral Programmes

Centre for Research confers the academic degree of Doctor of Philosophy (PhD) on the eligible candidates based on the coursework in research methodology and the particular domain/s, publications in refereed journals, participation and/or presentation in National/International seminars, a thesis, and its evaluation after which public defence. The stages of doctoral programmes are starting from admission, validation of research proposal and PhD registration, progress review and submission of progress reports, PhD synopsis submission and defence, PhD thesis submission and final defence and award of the doctoral degree. The degree certificate indicates the discipline under which the degree was pursued, the title of the thesis and the date of public defence.

Coursework

The six-month coursework classes started for the current batch in the month of June 2019 and will be completed in the month of December 2019. The full-time scholars shall attend the coursework on a regular mode for six months and the part-time scholars shall attend the coursework on weekend days. At the end of the coursework, the Centre will conduct an end semester examination during January 2020.

Progress Review and Proposal Presentation

The respective Departments are continuously reviewing the progress of the scholars every six months and submit the reports to the Centre for Research. The 2018June and December batches of PhD scholars are currently undergoing validation of proposal presentation and submitting their PhD research proposal.

PhD synopsis and submission of thesis

Thirty PhD scholars have submitted their PhD synopsis and are currently in the process to submit their PhD thesis. Six PhD scholars have successfully submitted their thesis and currently, the thesis is under adjudication process.

CENTRE FOR RESEARCH PROJECTS

Research and continuing activity form the backbone of a university. Traditionally, universities have been the centres for research, though the government has a network of science and technology laboratories for research & development, the major base for research remains within the universities.

Accordingly, CHRIST (Deemed to be University), Bangalore, assumes a responsive role to promote advanced academic research in diversified disciplines through the establishment of the Centre for Research-Projects in 2010. The Centre for Research-Projects in its endeavour to help society, businesses and enterprises to

manage risk and uncertainty has different professional groups, who assist and take up 'pure' and 'applied' research assignments. These research projects focus on various issues related to the Economy, Society, Industry and Government Agencies etc. in the form of Major Research Project (MRP), Monograph, Working Paper, Scholarly Book, Instructional Software and Minor Research Project (MIRP).

Major Research Projects conceived by the Centre and executed by faculty members of CHRIST at different levels in Social Sciences, Natural and Physical Sciences and Applied Science disciplines, not only adds significant value to the society but are also important in the ever-changing global scenario. Monograph, which is an in-depth study on a specific theme, concept or model, doctrine, treatise or a report, is published by the Centre to provide an in-depth insight to drive further research or application. Another level is the Working Paper or Work Paper that the Centre publishes which provides scholars with an opportunity to further deliberate and expand. Scholarly Book is to provide an in-depth examination of current events; discuss and reflect on original research, and discuss the professional expertise. Instructional Software's sole purpose is to develop e-learning, simulation, gaming, mobile learning etc., applications to support instruction and/or learning. The Minor Research Project aims to carry out independent research on topics of academic and professional interest.

After inception, the Centre has approved 118 MRPs, 52 Monographs, 85 Working Papers, 7 Scholarly Books, 2 Instructional Software, and 6 MIRPs. Till date 48 MRPs, 25 Monographs and 43 Working Papers have been completed. Eligible students are granted a fellowship for carrying out an extended project of MRP along with Industry.

For all the above projects, faculty members, industrial executives, scientists from institutions/organizations like the Indian Institute of Management, Bangalore; Indian Institute of Science, Bangalore; Institute for Social and Economic Change, Bangalore; National Law School of India University, Bangalore; Karnatak University, Dharwad; Gulbarga University, Gulbarga; Bangalore University, Bangalore; PHILIPS, Bangalore; Institute for Fiscal Policy, Government of Karnataka, Bangalore; Indian Statistical Institute, Bangalore; Azim Premji University, Bangalore; Vikram Sarabhai Space Centre, Trivandrum; ISRO, Bangalore etc., are involved in the review of proposals and bi-annual reviews. These projects are approved with due internal vetting, external review and personal defence of proposal before a duly constituted committee with a Vice-Chancellor's nominee.

The highlights of the projects are bi-annual reviews with external experts, the publication of research papers, presentations at seminars/conferences, the involvement of students, discussion with colleagues, interdisciplinary approaches, panel discussions, interaction with experts, field surveys, the involvement of departmental/deanery colleagues, and engagement of students. The Centre also has appointed a few Visiting Research Mentor to continually facilitate the departments /deaneries research endeavour.

Benefits to Industry (Government/NGOs/Society, Executives):

1. Participation in Panel discussion by industrialists.
2. Sharing of objectives in projects by Govt. departments.
3. Presentation of research results by faculty to the officials of industry.
4. Training and Development programme by faculty to industrial executives.
5. Continued discussion on projects with various executives, officers, NGOs, experts.
6. Testing of Models, Tools etc., developed by the faculty.
7. Permission to test or analyze scientific, engineering, manufacturing.
8. Provision of material to build the products out of findings of research projects.
9. Sponsorship of mini-projects, participation in exhibitions, special lectures to students and faculty.
10. Recognition of application competency among faculty and students of the university.
11. Extension of projects by scientific institutions sponsored by UGC etc. to the faculty of CHRIST (Deemed to be University).
12. Willingness to participate as co-investigator to the projects or mentors from institutions of national & international repute.
13. Recognition of projects quality by Govt. of Karnataka and approval of 18 projects for evaluation.
14. Request from institutions, researchers etc., from India and abroad for research projects completed by faculty members.
15. Dissemination of knowledge among industries, government offices, NGOs, scientific organizations, researchers etc., by issuing published copies of projects.
16. Advanced research training to Research Assistants, who in turn have joined many institutions, industries, professional firms etc.
17. Training rural weavers in procurement, cost management, pricing and marketing.
18. Hard skill mapping workshop to faculty members from seven states.
19. Cost-benefit analysis of government schemes.
20. Training ground to our Principal Investigators, Co-investigators, participating Faculty Members, Research Assistants with rigorous review exercises.
21. Software development and experimentation with industry participation.
22. Experiential learning on the field and creation of awareness among masses about various schemes, provisions, incentives, values etc., during surveys.
23. Industrial Associations, Clusters, clubs etc. expression of interest for advanced association with projects.
24. Mapping the unaccounted expenditure of society or government in certain sectors of the economy.
25. Development of draft laws, regulations, procedures for a few sectors where the legal regime is poor or not found. That is, for Health and Biotechnology.
26. Analysis of working of commissions, Central Information Commission.

27. Advice to the Government on underprivileged sections of the society about issues and challenges faced.
28. Mapping the works of the artistic scholars, who have proved regionally, but whose works are not known or not captured. Bringing them to the platform.
29. Participation and presentations in international conferences outside the country for advanced learning and discussion on projects.
30. Advice to government departments to promote industrial units for export promotion in centrally sponsored projects.
31. Statistically analyzed reports of industries about the significance of variations, risks, opportunities etc.

Benefits to Faculty and Students:

1. Working in a team with colleagues and outsiders.
2. Opportunity to experiment with ideas and thoughts.
3. Interaction with experts, industrialists etc.
4. Tested or experienced knowledge about the field area.
5. Testing the theory with live projects on the field.
6. Opportunity to visit other labs, Centres, Universities, Industries, Scientific Organizations.
7. Establishment of Research labs/Centres.
8. The multi-disciplinary approach to learning.
9. Learning advanced skills and professional competencies.
10. Publication of research papers and presentations in conferences/seminars etc.
11. Working with co-investigator and research assistant.
12. Building patience and competency in the light of rigorous reviews.
13. Presentation of bi-annual works before all the colleagues.
14. Research outcome incorporation in the curriculum.
15. Discussion on the topic of research with students.
16. An interdisciplinary approach to learning and teaching.
17. Linking research during normal teaching.
18. CIA assignments related to projects – small aspects.
19. Assignments to students to map the data, information etc.
20. Sense of satisfaction and delight once the projects are published.
21. Opportunity to manage the finance and be accountable to the project and financials of the project.

CENTRE FOR SOCIAL ACTION

Centre for Social Action (CSA) is the development action wing of CHRIST (Deemed to be University), Bengaluru. It was set up in 1999 to facilitate social sensitization programmes for students and undertake community development projects for marginalized communities. It is a students' initiative for a humane and just society.

CSA envisions that "Every student will be aware, sensitive, empathetic and contributing to sustainable changes in the society". The Mission of CSA is "to promote social action through student volunteerism

and community empowerment for sustainable development"

Since the beginning, CSA has been involved in facilitating an array of development programmes in various states in India.

Rural Project Activities

Chetana Child-focused Community Development Project

Chetana CFCD project has been continuing to serve its target communities through the involvement of the Project Level Federation of women Self Help Group, which is an independent registered body managed by the elected leaders from the CBOs and registered under the Karnataka Souhardha Co-operative Societies Act. Chetana is currently functioning as a Community Managed Microfinance Institution and provides microfinance services. Support for children's education especially for higher studies, life skills development of children, vocational skills training, micro-enterprise promotion (farm and off-farm) for income generation are some of the major systems provided by the cooperative society. 60 SHGs (712 members), 5 CLAs and one Federation have been formed. Total Savings has been mobilized (CSA contribution and SHG Fund). The Federation has also collaborated with Blue Match (smokeless stove) and Unnath Bharath Abhiyan. The Federation has already started a Cooperative Bank. It has plans for starting a School, Old Age Home and Garment industry in its locality.

Jeevadhan Child-focused Community Development Project

The Jeevadhan CFCD Project supported by Kindernothilfe was implemented by CSA from 2006 to 2013 covering 14 villages in Nirmal Mandal of Adilabad District in Andhra Pradesh state. The project has supported 1500 families, 800 women, 900 children and 400 youth. 90% of the people in the project area are Hindus belonging to "Gond & Banjara tribes'. The project funding support came to an end on 31st March 2013 from the donor, and the development work is being continued through the registered federation promoted in the project.

Manikgarh Hills Community Development Project (MHCDP)

Manikgarh Hills Community Development Project (MHCDP) was started in August 2009 by the Centre for Social Action with the help of Kindernothilfe (KNH), Germany, aiming to create an ideal society, which will provide ample opportunity to children for their holistic development. The project has helped to improve the socio-economic status of the marginalized communities along with improving the health, nutritional and educational status of children. The project has also helped in addressing the issues of

environmental and climate change. The project period was 9 years. Now the project has been completed and handed over to the local community. A total of 91 SHGs (1015 members), 8 CLAs, 1 Federation, 24 VDCs, 14 Children's Parliament have been formed. A Community Resource Centre has been constructed in the locality. The project is handed over to the local federation to ensure sustainability.

Pragathi CFCD Project

Pragathi Child Focused Community Development project started its interventions in 22 villages to bring changes in the life of women and children. Kindernothilfe (KNH) German supports Pragathi CFCD Project. The project is spread across 22 impact villages within a radius of 8 to 35 km. Currently, the project supports 1817 families from socially, economically backward communities including 1708 children. As part of this project, the Children'sActivity Centre and women's development project started by forming Self Help Groups (SHGs) and taught the members the relevance of regular saving habits in the group. It also further helped them to avail loans to meet their family and business needs. At present 39 SHGs are functioning. There are 3 Cluster Level Associations (CLAs) functioning in the project area which take care of the SHGs in the particular cluster. A total number of 83 members/families availed financial support and started family based micro-enterprises. This was helpful to the family to earn an extra income. Now CBOs members have been monitoring the initiatives taken by the project in School and Early Childhood care centres. A Total number of 1705 children, 1100 women and 800 adolescents/youth from 1500 families are currently benefiting from the Athe project. In March 2019 the project was handed over to the registered federation managed by the community to sustain the activities promoted by the project.

Unnathi SHA- Child Focused Community Development Project

Unnathi Project aims to bring changes in the lives of the community in all aspects, especially changes in social empowerment, economic empowerment and political empowerment. In order to ensure empowerment, various groups were formed in the project to impact villages. Kindernothilfe funds the Project. So far the project has formed 32 SHGs, 4 Cluster level associations (CLA), 2 project-level Children's Parliament, 11 adolescent girls groups, one project level Child Protection Committee with the equal representation of Children and Women in the project area. Along with providing basic services to the community as planned, the project initiated a women-led development programme through a self-help group approach (SHA) by empowering women in social, political and economic domains. There are 11 Supplementary Education Centres, which were promoted and supported by the project, and it helps 411 children to access quality education and facilitates them to acquire life coping skills. 256 SHG women and 27 SHGs are trained to set goals for themselves as well as for their community and achieve them. 225 SHG women are trained on understanding gender issues and fighting against violence and oppression. Networked with Government Departments and with Gram Panchayaths networked with Health, Education, Gram Panchayath, Higher

Officials and political leaders to avail entitlements like Drinking water, health facilities etc. 70% of the SHG members constructed toilets and utilizing them. 25 women availed themselves livelihood loans which helped them to improve their economic status. The project envisages benefiting 1200 children, 800 women and 300 adolescents/youth from 1343 Dalit and Devadasi families

Bastar Community Development Project (BCDP)

Bastar Community Development Project (BCDP) was launched on 18th October 2015. This is implemented in 34 tribal villages of 19 Panchayats located in Pakhanjore Tehsil of Kanker District in Chhattisgarh. Centre for Social Action (CSA) – CHRIST (Deemed to be University) has been collaborating with Bastar Dharma Kshema Samiti (BDKS), which has its base at Kapsi block in Pakhanjoor Tehsil of Kanker District in Chhattisgarh state. The overall objective of the project is to understand and build base-line information on the socio-economic status of the SC/ST/OBC communities of the proposed 34 tribal villages and to set output indicators for the project period to promote sustainable transformational development and also provide training and integration Self-Help group Approach to empower the women to develop their social, political and economic status. The project has formed and strengthened 71 SHGs in 34 project impact villages. 12 SHGs have been linked with the National Rural Livelihood Mission (NRLM) and are getting benefits. 651 SHG women and 57 SHGs are trained to set goals for themselves as well as for their community and achieve them. 397 SHG women are trained on understanding gender issues and fighting against violence and oppression. Training on Government welfare schemes - 192 families applied for Ration card (72 received) and 73 people applied for Labor card. 345 SHG members were trained on Forest Land Rights - 23 village people participated in the training programs (213 families applied with the Panchayat office). 590 families helped through seeds distribution under kitchen garden promotion and organic farming. 76 women were supported to improve their livelihood and started earning extra income for the family. The project envisages benefiting 1500 children, 1400 women and 800 adolescents/youth from 1709 Tribal families.

Integrated Community Development Project (ICDP)

This Project is implemented in collaboration with Cyriac Elias Voluntary Association (CEVA). CEVA completed 3 years of Integrated Community Development Project (ICDP). The programme is being implemented in two areas namely Udaya Colony, Kochi and Kainakari, Alappuzha. The main achievements of the projects are: 15 women from Udaya Colony are being provided Chenda Training after expressing interest. Chenda is a cylindrical musical percussion instrument; mainly played in Hindu temple festivals and as an accompaniment in the religious art forms of Kerala. 50 elderly parents initiated farming on a half-acre land situated in the heart of Kochi and training was provided for organic farming. Cancer Care Group was formed and awareness campaigns were initiated. Discussions with local governing bodies were undertaken to avail pension schemes for cancer patients. Treatment support is

also being provided to 18 patients. Income Generation Activities include the Chavara Food Processing Unit and the Chavara Tailoring Unit.

Micro-Enterprise and Educational Programme for Women and Children (MEEP)

This project was initiated in association with CMC sisters in Kainakari to bring about an integral development among the people through education, life skills and livelihood training. The important activities are carried out through this project are:

1. Little Masters Academy – 50 boys and 50 girls are supported to improve their education and develop their life coping skills
2. Extension education for women - Housewives and considering them as the light of the family, providing them with some educational classes helps them to gain knowledge and awareness about themselves and their day-to-day life situations. Trainings were given on topics like budgeting, responsible parenting, stress management, health care, leadership skill
3. Tailoring Training – 55 women are trained and started earning income. They also provided sewing machines to start their business on their own.
4. Distribution of Grow Bags and Bio-Farming -A total number of 100 families are provided with Grow Bags including Kudumbashree units. Three training sessions on Bio-farming are also conducted for them.

UDHIPANA YOJANA, Tiryani, Mandal, Asifabad, Telangana

This project was initiated in association with the Diocese of Adilabad, Telangana. This project aims to benefit poor children, jobless youth and farmers from remote villages who belong to the age of 15 to 50 years. The activities are tailoring training to women and youth, computer coaching for youth, automobile mechanic course and Organic training to the farmers. The project is intended to benefit 500 families, 500 farmers, 800 youth and 300 women are getting benefit from this project

Desirable, Dynamic, Development Project (3D Empowerment Project)

3D Empowerment project in Janakiram Layout slum near Kammanahalli has

completed 9 years since 2009. This project primarily focused on the holistic development of the slum communities. Education and health care of children under 16 years and the empowerment of women towards socio-economic development through the promotion and strengthening of Community-Based Organizations (CBOs) are the two major components of the intervention. Initially, this project was initiated through the funding of in-z Netherlands and H.G. Boumeester Foundation, Amsterdam (2015-16). Currently, the project is funded by CSA and BCI, Italy.

Educate a Child Sponsorship Programme

"Educate a Child" sponsorship Programme which originated and was implemented by CSA in 1999 in Rajendra Nagar has been expanded to L.R.Nagar slum situated near Koramangala, and Janakiram Layout Bengaluru urban district in the year 2009. Initially, 52 children from marginalized families were selected and sponsored through the students of CHRIST (Deemed to be University) and through the funding of GMR Varalakshmi Foundation, a sister concern of GMR group of companies from Bengaluru. The Programme has continued with the support of student funding from CHRIST (Deemed to be University). Currently, CSA has been providing sponsorship support (under the age group 8-16 years) to 852 children.

Slum Community Development Project (BCI)

Slum Community Development Project is implemented in Janakiram Layout Slum, Bengaluru in the state of Karnataka (South India) and two slum communities namely Reth Colony and Bombay Colony in Ghaziabad District in North-Indian state of Uttar Pradesh. In addition to its primary base at Bengaluru, CHRIST (Deemed to be University) has instituted CHRIST Management Institute in Ghaziabad City of Uttar Pradesh State. The project aims to cover 3000 families, 800 women, 1200 children and 500 youth under Health, Education, sustainable livelihood and promotion of the community-based organization.

English Access Microscholarship Program (Access Program)

English Access Micro Scholarship Programme (ACCESS) is funded by the US Embassy and executed through the Regional English Language Office (RELO). It helps students improve their English language based on Listening, Speaking, Reading and Writing (LSRW), improve their skills through Enhancement activities and teaches the elements of US culture through different activities. In Bangalore, we supported 325 students who were enrolled for this programme in different locations namely, Uttarahalli, Ambedkar Nagar, L. R. Nagar and Janakiram Layout. After two years break the project has implemented by CSA in Mysore and Koppa for 75 students.

International Students Exchange Programme

The International Students Exchange programme focuses on enhancing students' mutual capacity to improve cultural, social and service knowledge to bring about sustainable and meaningful development change. ISEP brings together people from international universities with diverse backgrounds and communities to organize service activities to develop leadership and

professional skills with able academic instructions. Students take up Internships, Social Research, Volunteering and Field-based studies. Annually about 40 -50 international students participate in this programme

Parivarthana Waste Management

Parivarthana came into being way back in May 2008. Born out of CSA's "Trash to Treasure" project to improve waste collection, recycling and livelihood promotion. Parivarthana served the slum community in Rajendra Nagar and Ambedkar Nagar and CHRIST (Deemed to be University) campus for nine long years through integrated and decentralized waste management service. Parivarthana Waste Management works in collaboration with BBMP and many civil society organisations, corporate bodies, academic institutes and slum communities.

BRIDGE- BOSCH's Response to India's Development and Growth through Employability Enhancement

BRIDGE- BOSCH's Response to India's Development and Growth through Employability Enhancement, is to help underprivileged students who have completed their 10th Standard and dropped out in the 11th or 12th standard or any other course and who have reached the age of 18year. These students are brought together and given a platform, where they are given two months of continuous training on various areas such as communication skills, Personality development, customer service, basic computer knowledge along with spoken English, etc. Once these students are complete their two months continuous training programme, they are given 100% placement in different firms in the BPO sector, sales executives, marketing executives, promoting new products, office assistants, lab assistants, loan processing executives, retail executives, key accounts executive etc. BRIDGE focuses on students who are from economically disadvantaged families who are unemployed and develop skills to earn a living. The BRIDGE Center at CHRIST (Deemed to be University) has completed 7 Batches, across all these batches 100 students were trained and placed, few students have got back to mainstream education.

Hostel and Guest House

CSA has one student Hostel (Zion- Hostel). It started in the year 2008. Annually about 80 underprivileged students are benefited from the hostel facility. Besides, there are 3 guest houses run by CSA for international students. Accommodation facilities are provided to 347 international students. Approximately 40-50 international students benefit.

Student Volunteering Programme

All the activities of CSA derive strength and sense of direction from the vision and mission statements, which forms the basic principles and frameworks for all development interventions by the organization. CSA implements the following programme to involve students in social issues and sensitize them to become active and aware social citizens.

Drishti (Street Theatre): CSA has a trained street theatre team-'Drishti' symbolizing 'Vision' that performs such as College

campuses, Public places, Shopping malls, Villages, slums and NGOs. Through this medium, CSA volunteers educate the student community and the general public about various contemporary social issues, solutions and concerns. A Drishti Street Play performance revolves around social themes such as child rights, environment, women empowerment, water conservation, Civic Sense (Traffic/Road Safety etc) personal hygiene and sanitation. 2018-19 saw a display of close to 25 Street Plays, one Podcast on Social Media Ethics

Activity Centre:
Student volunteers take regular tutoring classes through activity-based sessions for the sponsored children to improve the learning levels and cognitive skills of the children. Classes are conducted on the life-skills, soft skills and personality development. Six Major events including Talents' Day and Sports day were conducted by student volunteers for the children.

Media and Communication Team:
The media and communication team publishes a biannual magazine 'We Care', which contains articles, poems, cartoons, posters, essays, etc. pertaining to various social and development concerns to create awareness amongst the student community and larger society. They are also involved in updating CSA's blog, making short documentaries and news-letters, conducting photo walks (Story Hunts) and anchoring interactive group sessions related to contemporary social issues through a forum called "Chat over Coffee". Seven socially relevant events were held by the volunteers of Media and Communication.

Prayatna and Zero Waste Campus:
CSA volunteers and students of CHRIST (Deemed to be University), with the support of various departments, get involved in creating awareness among the student community about environmental and climate change issues. A paper recycling unit, organic and food composting units, biogas plants, and waste systems and a sustainable environment. The zero waste campaign of CSA has been awarded by Rotary Club for creating replicable models. A total of 19 varied events were conducted by Prayatna broke all previous records of volunteer activities.
Clean-up drive was held on 10th February 2019 by CSA (Centre for Social Action) in collaboration with various NGOs in Bangalore, where volunteers from all three campuses of CHRIST (Deemed to be University) and other volunteers from NGOs come to work together.

Special Events: GOLDEN JUBILEE

Teachers' Day Celebration-hosted by CSA on 22nd September to felicitate School Teachers from the Project Areas

INTERNAL QUALITY ASSESSMENT CELL

The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of CHRIST (Deemed to be University). For this, during the post-accreditation period, IQAC channelizes all efforts and measures of the Institution towards promoting its Holistic Academic Excellence.

During the year 2018-19, IQAC held three meetings on 25 July 2018, 7 December 2018 and 22 March 2019. Reports on FDP, QIP, Feedback on Syllabi by Stakeholders and activities of CEDBEC, Holistic Education Development Cell and Academic Staff College were discussed and approved.

The IQAC Council approved the launching of the Strategic Action Plan (2018-23) on 25 July 2018. The team comprising of Fr. Thomas C Mathew, Vice-Chancellor, Prof. Joy Paulose, Director, IQAC and DrSomu, Coordinator of Strategic Plan reviewed the report of the Strategic Action Plan (2018-23). The summary of the evaluation by all the departments on the Strategic Plan (2018-19 First Quarter) was presented by Prof. Joy Paulose, Director of IQAC on 7th December 2018.

The first Annual Quality Assurance Report (AQAR) of CHRIST (Deemed to be University) was submitted to NAAC on 30th December 2018.

In the Council Meeting on 22 March 2019, Prof. Joy Paulose, Director of IQACpresented the following two recommendations to the Management

1. Scholarship for PhD Scholars.

2. Reduction of Fee structure for PhD and MPhil Scholars.

The Board of Management approved both recommendations.
An academic Audit was conducted for all the departments during the period between 1-11, April 2019, the final report of the academic audit was presented to the Vice-Chancellor on 1 May 2019.

LIBRARY AND INFORMATION CENTRE

The library is renamed as Knowledge Centre to turn it into knowledge and 'happening place'.Several initiatives have been taken to attract and sensitise the students and faculty to use library resources optimally such as Bookmark–Annual Book Exhibition, and Discussion Rooms in the Knowledge Centre, Book Talk, library research-based CIA, compulsory library hours for MPhil and PhD scholars, online resources, and Braille text. The University has well-equipped libraries with a built-up area of 5781 Sq.m. LibraryAdvisory Committee manages the procurement of library resources based on the needs of faculty and students. The library has 2,95,760 catalogued items, 409 print journals and magazines, 19 online databases, and 4,485 question papers online. The library is automated. The diverse collections with the update of general collections and subject specified reference work in the library cater to the needs of students. Well-qualified librarians and able to support staff manage the library.
The library uses OPAC software namely KOHA. There are 90 computers for general access with 4 Gbps of Internet bandwidth speed and an institutional repository (repository. CHRISTuniversity.in). Moodle, a content management system, is used for e-learning. The library has resource sharing networks/consortia with DELNET, British Council Library and ISEC.

The library has installed anti-theft devices, Bio-Metric Access Gates for its day-to-day activities. The library procured Jaws software and Braille books for the use of visually challenged and dyslexic students.

For the year 2018 -2019, the monthly average number of walk-ins was **18,532** per month, issue and returning of books were **12,408** and **10,342** respectively per month. The ratio of library books to students enrolled was 14: 1. The **19,974** books were added during the year 2018-2019. Around **409** journals and **95** magazines were renewed during the year. The library also subscribed to ebooks from Oxford University Press, World Scientific, Bloomsbury, Elsevier, Springer, Emerald Insight etc. during the year 2018 – 2019. The average monthly login to OPAC (KOHA) is per month is 85000 The average download of e-resources is **2,50,000** downloads per year. The library organised training programmes on Information Literacy and library orientation for its students and faculty. The library had visitors from other Universities for research work. Monthly BookTalks and the annual book exhibition BookMark were conducted during the year 2018- 2019.

Library (Centre Activity/Objectivity)

SL No	Program/ Course	Date	Duration	Objective	No. of Participants	Impact Expected
1.	BookMark	13 -15 July 2017	9 Hrs	To inculcate reading habits among students and faculty	5000	Cultivating reading habits among students/faculty
2.	BookTalk	June 17 August 17 Nov 17 March 18	1- 2 Hrs	To have an activity based on reading	60	Cultivating reading habits among students/faculty
3.	Orientation Programs	Various dates	-	Library e-resources awareness	100	Use of e-resources for assignment, research papers, projects
4.	Book Review Competition	20 – 21 September 2017	2½ hours	To have an activity based on reading	31	Cultivating reading habits among students/faculty
5.	Workshop jointly conducted with ProQuest	21 September 2017	5 hours	Community Knowledge Sharing	25	To acquaint with various resources and services used by other Universities.
6.	Library Advisory Committee	6 February 2018	2 hours	Streamline Library policy decision; collection development.	13/15	The smooth running of library day-to-day activities. Sharing library activities
7.	Information Literacy Course (library)	Certificate courses were conducte	2 hrs per class	Instructions on using library books, online resources etc.	140	Increase in use of online resources and books

		d every semester				
8.	Library Staff Development Programme	25 April 2018	4 hrs	Skill Development in staff	20	Improvement in work culture, skill development and communication skills

NATIONAL CADET CORPS

The National Cadet Corps is a youth organization engaged in grooming the youth of the country into disciplined and patriotic citizens. It gives one a platform to explore their potential, be adventurous, develop personality and character, serve humanity, and motivates the youth to join the Armed Forces.

The NCC wing of CHRIST (Deemed to be University), conducted various activities year-round.

The year began on a very adventurous note with around 45 cadets participating in a mountaineering camp in collaboration with HMI, Darjeeling in April-May 2018. They got to enjoy the scenic and breathtaking beauty of the North-East and scaled high rise peaks. The experience was challenging but thoroughly enjoyable. Further various trekking camps were held in the previous year as well.

Various attachment camps were held in the year 2018 – OTA (Officers Training Academy) in which 3 cadets attended Cdt. Gireesh, Cdt. Emmanuel M Shine and Cdt. Anup M. Cdt. Eniyavan S attended IMA(Indian Military Academy) Further Cdt. Tejaswini successfully completed Para Basic Course as well. NCC registration and selections were held in the month of June 2018, to motivate the students, start their journey in CHRIST (Deemed to be University), to join NCC, and experience a life like no other.

NCC aims at building a sense of responsibility amongst the cadets for their fellow human beings and engage in social work; keeping in sync with this, the cadets organized an Anti-Tobacco awareness campaign in CHRIST (Deemed to be University) campus, to spread awareness about the harmful effects of smoking and discourage the youth from taking up this habit. Apart from this, the cadets donated generously for the Kerala Relief Funds. The cadets were further involved in the filming of a fire evacuation video (for the auditorium) for CHRIST (Deemed to be University). The cadets further participated in the Yoga Day Celebration in Manekshaw Parade Ground, Bangalore on 21st June 2018.

Being a good leader is crucial. Thus to hone the skills of leadership, cadets attended the Basic Leadership Camp, in June 2018 and the Advanced Leadership Camp, in November and December 2018

respectively. Ek Bharat Shreshtha Bharat Camp, a camp celebrating the unique and diverse culture of India, was held last year with one cadet attending the camp.

There was a DG visit in July 2018, where the DG of NCC, Lt. General P. P. Malhotra, visited CHRIST (Deemed to be University). The cadets, smartly turned out, in their crisp uniforms and ceremonials, gave a well synchronized Guard Of Honor to the DG. Eleven Cadets of the coy received Deputy Director Generals commendation and one Cadet received Chief Minister's Commendation for their exemplary performance and contribution to the Directorate.

Best Institution Award was bagged by our company for outstanding achievement in the Karnataka and Goa Directorate. Being the Golden Jubilee year for CHRIST (Deemed to be University), several events were held to celebrate this milestone for the University. NCC cadets volunteered wholeheartedly in the events to help make them a success. In addition, the Armed Forces Alumni Meet was held in August 2018, where alumni who are now serving the nation, were the guests. They interacted with the cadets and motivated them to join the prestigious Armed Forces.

Two Combined Annual Training Camps were held in October 2018 for all the cadets of 2/9 Coy. With a lot of grit and determination, 5 cadets (Cdt. Chandrakath, Cdt Ankush Chauhan, Cdt. Khetan, Cdt. Shalini and Cdt. Rakshita) got selected for the esteemed Thal Sanik Camp, and 5 cadets (Cdt. Gitanjali, Cdt. Neelakash Fernandez, Cdt. M D Mujtahid, Cdt. Anup M and Cdt Rahul Sharma) got selected for the prestigious Republic Day Camp 2019, bringing glory to 2/9 Coy. Further Cdt.

Rishab Jain got the opportunity to attend the prestigious Youth Exchange Program 2010, in which he got the opportunity to represent India in Nepal. A few alumni from CHRIST (Deemed to be University) brought the University great accolades by getting selected in the various Defence Academies of India. Four of them passed out from the same and began their tenure in the service of the nation. We hope that the cadets stay motivated and continue bringing laurels to 2/9 Coy NCC CHRIST (Deemed to be University)

OFFICES

OFFICE OF ADMISSION

The Office of admissions coordinates with different academic and administrative departments to plan and execute all admission processes from releasing applications, conducting the selection process and admitting the students to the programmes offered by the University. It is responsible for promoting the programme, scheduling dates for the admission calendar and facilitating the selection process for all undergraduate, postgraduate, and research programmes.

Applications for the Academic Year were released according to the below schedule:

Programme	Date
MBA	October 1
UG and PG programmes	December 8
MPhil	January 3
PhD	August 7

The office of admissions continued to work towards simplifying application and admissions processes and implementing innovations based on feedback provided by the various stakeholders.

New programmes offered for the academic Year 2018:

Undergraduate	BCOM Strategic Finance Honours
MPhil and PhD	Botany; Biotechnology; Zoology

Students have to clear the selection process and fulfil the prescribed eligibility criteria to be admitted to the various programmes. The selection process may vary across programmes.

Functions of the Department:

1. To account all financial transactions of the Institution.
2. To submit all financial reports – like Cash Flow statement, Budget, Budget-Comparison report, Income & Expenditure Report, Finance Committee Meeting documents, etc.
3. To maintain all documents – Land Documents, Building Plans, Trade Licenses, Approval Documents, etc.

4. Fee

a.	Fee Structure fixation,
b.	Fee Demand Slip Generation Process,
c.	Fee Reconciliation
d.	Fee Installment Collection & Reconciliation

OFFICE OF ACCOUNT

e.	Accounting of Fee Collection online and offline

5. Staff

a.	Salary fixation
b.	Payroll Process
C	Staff Loan disbursement, recovery & reconciliation
d.	Gratuity
e.	Provident Fund
f.	ESI
g.	Professional Tax
h.	Food Coupons

6. Vendor / Facilities

a.	Purchase Process and payment
b.	Vendor Agreements
c.	AMC
d.	Rent-Electricity Collections
e.	Facility Management

7. Statutory Process - deduction/collection/remittance and filing of Monthly/Quarterly/Half Yearly/Yearly return.

a.	Provident Fund
b.	Professional Tax
c.	ESI
d.	Income Tax
e.	Service Tax
f.	Goods & Services Tax
g.	Luxury Tax
h.	Internal Audit & Statutory Audit and Province Audit support
i	Applying for exemptions

8. Import - Documentation for obtaining clearance, payment duty for import of materials for construction projects of the University and Equipment for various Laboratories.
9. Day to Day Accounts related activities.
10. Clearance of all payments on a day-to-day basis
11. All statutory remittance, filing and issuing certificates and liaison with respective departments of the Government handled by the department which was formerly done by consultants.
12. The Office also handles branch accounting.

OFFICE OF EXAMINATIONS

Testing and Evaluation Process: The testing and evaluation process at CHRIST (Deemed to be University is committed to ensuring transparency and accuracy. The University conducts two kinds of evaluation for all regular programmes, viz CIA (Continuous Internal Assessment) and End semester examination (ESE). The CIA consists of two tests administered by course instructors and mid-semester examinations. The ESE is held for the odd semester in October and even the semester in March-April. The trimester programmes have their ESE in September, December and March. Question papers are generated through question bank software through Gaussian distribution 1:2:1 for each of the topics in the syllabi. The evaluation of MPHIL is done by an internal and external evaluator along with the guide, the PhD thesis is evaluated by two external, one from Karnataka and the other outside the state. This year the evaluation and tabulation process for the even semester was completed by the third week of April 2019 and the results for all the university programmes were announced in the first week of May 2019

Result and Result Analysis: The results of the ESE held during March-April 2019 were declared on the university website within three weeks from the completion of ESE of the respective programmes except for the first-year engineering programmes. The students could download their marks cards with the result. The convocation for the outgoing Christites was held between 18 & 26 May 2019 in the respective campuses (units).

CIA (Internal Assessment) link opened in the KnowledgePro software for teachers to enter the marks and conducted as per the below schedule for UG/PG programmes

OFFICE OF INFORMATION PROCESSING AND MANAGEMENT

Curriculum Defining and Course Updation:
IPM starts its activities for the Academic year 2018-19 in the month of November 2017 by defining the Curriculum and updating the course details. After updating the curriculum and course, the course structure is available to students and faculty. The syllabus and course plan will be available in the student login well in advance before starting the classes.

Time Table preparation for the classes:
Time table for the odd semester classes was ready by May 30, 2018, and for the even semester were ready by 10th November 2018 and will be available for the student's login in detail. This is done to help the students to plan their studies and other activities without any conflicts.

Register Number, Classroom and section Assignment for the new batch students:

All the First-year students admitted in the academic year 2018-19 were assigned with a new register number which will be used for all the communication and records in the university. Register Numbers are allotted to all students by the first day of their classes. Classroom allotments for each section are also managed by the IPM office.

Student and Staff Id cards:

University ID card for all students is issued on the first day of the class and distributed in their respective classrooms. Staff ID cards are provided directly from the IPM Office.

Staff and Students also receive a Smart Card for their money transactions in the university. This card also can be used as a Debit card. It is processed by the Office of IPM through SIB in the university campus and will be distributed to students in their respective classrooms and Staff from the IPM office.

IT-related user-id and passwords to new batches:
All User id and passwords for students such as student login, email id, library, My course etc. were issued to the students in their respective classrooms with timely cooperation from IT services.

Shortage of Attendance letter to the parents:

The Office of IPM sends a shortage of attendance letters to the parents 3 times a semester and this will help the parents to monitor their wards and help them in contacting the Counsellors and Class teachers if required. As per the University regulations, a student would require 85% of attendance to appear for the end semester examinations.

University Diary, Calendar and Handbook
The Office of IPM is taking care of the distribution of the University Diary, Calendar and Handbook on all three campuses. University Diary for students and staff were distributed on January 3rd, the Founders day and the handbook and calendar were distributed on the 1st week of June after the commencement of the classes.

Hall ticket dues, clearance and release for all UG/PG classes:

Office of IPM administers and monitors the publishing of End semester Examination Hall tickets and dues forms clearance for all the UG & PG Students. Students can download the clearance form through their student's login. If any dues exist, they can be submitted and cleared at the respective offices. The Office of IPM will clear all the dues after verification of the clearance form on the same day itself. Odd semester End semester hall ticket was released on 02-10-2018 and even semester hall ticket was released on 27-03-2019.

OFFICE OF INTERNATIONAL AFFAIRS

Office of International Affairs (OIAS) was set up in 2005 to internationalize CHRIST (Deemed to be University). International Office works as an independent office supporting CHRIST in its mission towards internationalization. The main objective of the International Office is to facilitate faculty and student exchanges between CHRIST and foreign universities.

Key Activities of the International Office are stated below:

1. MOU's signed

Two MOU's were signed with Universities from UK & Germany. The details are given below:

1. Manchester Metropolitan University, UK signed on April 8, 2019
2. University of Mainz, Germany signed on May 29, 2019

2. Training Program for International Students

Three Training Programs were organized by the International Office for faculty and students from the US, France and Germany. 8 faculty and 73 students participated in the program. The Training Programs were conducted for the faculty and students from the following 3 Universities.

1. Western Michigan University, USA (28 participants)
2. The University of Paris-Dauphine, France (31 participants)
3. The University of Applied Sciences-Wurzburg- Schweinfurt, Germany (22 participants)

Western Michigan University

The Training Program for Western Michigan University, USA was organized from December 8-15, 2018 on the theme 'India: Sustainability in the Developing World'. 3 Faculty members; Dr Timothy B. Palmer, Dr Jennifer Harrison and Dr Louann Palmer participated in the program. 25 students attended the programme.

University of Paris-Dauphine, France

The Training Program for the University of Paris-Dauphine, France was organized from February 18-23, 2019 on the theme 'Sustainability Initiatives in India'. 3 Faculty members; Prof. Béatrice Delzangles and Prof. Laurence Servel participated in the program. 29 students attended the programme

University of Applied Sciences-Wurzburg-Schweinfurt, Germany

The Training Program for the University of Applied Sciences-Wurzburg-Schweinfurt, Germany was organized from February 19 -

March 5, 2019, on the theme 'Machine Learning and Information Security'. 3 Faculty members; Dr Peter Braun, Mr Philipp Ulsamer and Ms Ursel Reuchlein participated in the program. 19 students attended the programme.

3. Foreign Incoming students studying in CHRIST for a short duration (One / Two semesters)

Exchange students came from France, Germany and Belgium and attended one/two semesters during the academic year 2018-2019.

The details of the students are given below:

Student Name	Course	Home Institution
Incya Mamodaly	BBA	IESEG School of Management, France
Julie Dethune	BBA	FLSH, Lille Catholic University, France
Laurene Bailliard	BBA	IESEG School of Management, France
Audrey Lopat	BBA	IESEG School of Management, France
Victoire Ferrant	BBA	IESEG School of Management, France
Arthur Rossignol	BBA	IESEG School of Management, France
Tobias W	B.Tech (Mech)	University of Augsburg, Germany
Lea Brugger	B.Sc (CMS)	University of Augsburg, Germany
Alexander Huinen	Internship	VIVES University of Applied Sciences, Belgium

4. Credit Transfer Program to Foreign Universities- For Undergraduate students

Students had the option to transfer their credits to IESEG School of Management (France), Sheffield Hallam University (UK), Liverpool Hope University (UK), Griffith University (Australia) and Catholic University of America (USA). Around 11 students were successfully transferred to foreign universities in the year 2018-2019

5. Study Abroad Program – One/ Two Semesters for CHRIST students - Exchange program with Foreign Universities

18 students were given the opportunity to study abroad for one/two-semester. The students got a waiver for tuition fees. The students paid only for their living expenses. Under the exchange program, students were sent to Breda University of Applied Sciences (Netherland), Baldwin Wallace University (USA), Sciences Po (France) and IESEG School of Management (France).

List of BHM students – One semester at Breda University of Applied Sciences, Netherland (February – June 2019)

Sl. No.	Reg. No.	Name
1	1722547	Prajwal M Gad
2	1722558	Shereen Jain
3	1722541	N Sahana Reddy

List of BCom students – One semester at IESEG School of Management, France (Jan to May 2019)

Sl. No.	Register No.	Name
1	1720441	Aditi Gupta
2	1720262	Jahnavi N
3	1720684	Mahalakshmi S
4	1710444	Shaista Taskeen T

List of BCom students – One semester at Baldwin Wallace University, USA (Jan to May 2019)

Sl. No.	Register No.	Name
1	1711032	Sanchit Gupta
2	1710131	Ghufran Shariff
3	1710223	Tanisha Agrawal
4	1710221	Ritika Sharma
5	1711008	Avichal Saberwal

List of BA (HEP/EPS) Students – One semester at Sciences Po, France (Jan to May 2019)

Sl. No.	Register No.	Name
1	1630706	Kole Anand Ajit
2	1630727	Priyal Kashyap Doshi
3	1630954	Mehak Sarda
4	1630932	N Divya
5	1630747	Shreya G Krishnamurthy
6	1630950	Arushi Ganguly

6. University Studies Abroad Consortium (USAC), USA

The University Studies Abroad Consortium known as USAC is a Consortium of 33 US Universities and has been providing quality study abroad programs for almost 25 years. USAC has identified CHRIST (Deemed to be University) as a host institution for USAC students to attend academic programs. CHRIST offers special courses/programs for USAC students. Around 50 USAC students came in the year 2018-2019.

USAC Speciality Program (Special classes are conducted	Duration (month)	No. of students

for USAC students)		
USAC Summer Program	June 7- July 26, 2018	21
USAC Fall Program	August 24- December 17, 2018	13
USAC Spring Program	January 19– May 16, 2019	16
Total		**50**

7. European Summer Program - Lille Catholic University, France

BA students are offered a scholarship to participate in the one month "European Summer Program" organized by Lille Catholic University, France (since 2008). This program aims to give students "Study Abroad" experience in the summer with a lesser financial burden. 4 students got a scholarship to participate in the one-month summer program at Lille.

List of students who participated in the European Summer Program, France (May 27-June 26, 2019)

Sl. No	Register No.	Name
1	1830371	Nivedita Anandakrishnan
2	1830584	Pratista Reddy Kethireddy
3	1830546	Shambhavi Gharpure
4	1830362	Tanvi Singh

8. Disney Cultural Exchange Program, USA

List of students who participated in Disney Cultural Exchange Program (May 6 – June 27, 2019)

Sl. No	Register No.	Name
1	1731218	Tanya Ravindran
2	1830389	Ananya R Kashyap
3	1830107	Arpith R K
4	1731119	Prerna Rajesh Kapoor
5	1830387	Soumonetra Chaudhury
6	1831210	Avnee Taneja
7	1822557	Ron Mathew Jacob
8	1731130	Vishwangi Vadnere
9	1831521	Gowri Lakshmisha

9. Incoming Faculty/visitors

1. Prof Anna Szermuszyn, VIVES University of Applied Sciences, Belgium
2. Dr Rondy De Silva, Sheffield Hallam University, UK
3. Dr Gunther Piller, University of Applied Sciences Mainz, Germany
4. Anne Marie Michel, Catholic University of Lille, France
5. Julie Clark, Griffith University, Australia
6. Uwe Sponholz, Ulrich Deutschle, Sven Warnke, Reinhard Koether, Michael Krüger, Charles Savage, University of Applied Sciences Würzburg-Schweinfurt, Germany

7. Johan Cottyn, VIVES University of Applied Sciences, Belgium
8. Renuka Marian Phillips, Western Michigan University, USA
9. Prof. Dr. Vathsala Aithal, Prof. Dr. Sibylle Wollenschläger, Prof. Dr. Robert Grebner, Prof. Dr. Gabriele Saueressig, Ms.Natja Schmitt, Ms.Angelika Winkler, Dr. Rainer Wehner, Prof. Dr. Axel Bialek, University of Applied Sciences Würzburg-Schweinfurt, Germany
10. Dr Sally Randles and Dr Desponia Filiou, Manchester Metropolitan University, UK
11. Prof Kerstin Mey and Ms Josephine Page, University of Limerick, Ireland
12. Michele Campbell, Colma Fechner and Kirk Doyle, Australian Catholic University, Australia
13. Mr Timothy B. Palmer, Western Michigan University, USA
14. Professor Van R. Wood, Nanda K Rangan and Ed Grier, Virginia Commonwealth University, USA

OFFICE OF PERSONNEL RELATIONS

Office of Personnel Relations in CHRIST (Deemed to be University) works as a strategic partner to provide an effective workforce and institutional capabilities that drive excellence in the University. It is responsible for recruitments, attendance and leaves monitoring, faculty and staff appraisal, salary fitment, financial incentives, welfare measures and grievance redressal of the employees. Our mission is to ensure timely and accurate processing, recording, and delivery of Personnel Services to all the faculty and staff of the University as well as candidates seeking employment with CHRIST (Deemed to be University).

The Office of Personnel Relations is managed by the Personnel Officer, four personnel Office staff and Director. This year Mr Zubin Philip was inducted to the Office as Assistant Personnel Officer. Apart from the regular interaction with the members, they meet every month to review the activities, discuss the issues and plan of action. The Office of Personnel Relations assists the Personnel Officer to discharge the responsibilities and implementing the personnel policies of the University.

Administrative Activities during the academic year 2018-19

Human Resource Budget	The Human Resource Budget of 760Faculty and 709 Staff, was approved by the Staff Selection Committee (SSC) and Board of Management (BOM).
Staff Selection Committee (SSC)	SSC Meeting was held on 17 July 2018 and 7 March 2019, as scheduled.
Recruitment	In total, during this academic year, 167 faculty and 165 staff members were recruited in various Departments/Centres and Offices which includes 38 Research Assistants.
Adjunct Faculty/ Guest Faculty	We have engaged 237 and 221 Adjunct faculties in even and odd Semesters respectively. As decided in the Twentieth Meeting of the SSC of CHRIST (Deemed to be University) held on 7 March 2019 the designation Adjunct faculty is changed to Guest Faculty

	with effect from the Academic Year 2019-20.
Employee Health Insurances Scheme	Employee Health Insurances Scheme was introduced in July 2018.
Research Fellow	The Office Registered and monitored the attendance of 23 Research Fellows
Salary and Allowances	Salaries of Faculty and Staff were restructured as per 7th Pay. Increments for additional qualification were given to 82faculty. Staff designation was revised as per the work allotted in the respective departments.
Staff Handbook	Revised, printed and distributed the staff Handbook to all Faculty and Staff in August 2019
Credential Certificates and Verification	As per the request from the employees 80 bonafide certificates were issued for different purposes.
Leave and Attendance	Regular attendance and functioning of Bio Matric machines were monitored. Online Leave applications were promoted.
Appraisal	Faculty/Staff Appraisal conducted in March/April 2019, as scheduled.
Financial Incentives	71 Faculty utilized the Financial Incentives offered by the University for their Journal Publications.
Financial Assistance	51 Faculty utilized the Financial Assistance offered by the University for Paper Presentations, attending Conferences and completing MOOC/online courses from various Universities.
Career Advancement Scheme	Career Advancement Scheme was initiated and 11 faculty members were promoted to a higher level in January 2019.
Standard Operating Procedure (SOP)	Office SOP was Refined and Modified as per University Norms in January 2019
Resignation/Retirement	181 Faculty/Staff were relieved from service for various reasons.
Employee reports issued as per the requirements of various agencies /departments	1. UGC Visit (August) 2. NIRF Ranking (November) 3. AICTE Visit (January) 4. MHRD - AISHE (January) 5. Staff Academic College - Faculty Induction Programme (June, November and January) 6. CEDBEC - Faculty Out Bound Training (November) 7. CEDBEC - Faculty Development Programme (May and November) 8. Centre for Publications - Student Handbook (May) 9. Office of Accounts - Gratuity (July) 10. Office of Registrar - India Today Survey (April) 11. Office of Registrar - Times Higher Education survey (March) 12. Office of Registrar - BOM (March)

	13. Office of Accounts - CMI Provincial Audit (August) 14. Personnel Officer – Staff Selection Committee Meeting (July and March)

OFFICE OF PUBLIC RELATIONS

The Office of Public Relations helps to establish and maintain mutual lines of communication, understanding, acceptance and cooperation between CHRIST (Deemed to be University) and its publics, helps management to keep informed on and responsive to public opinion; defines and emphasizes the responsibility of management to serve the public interest; helps management keep well-informed of and effectively utilize change, serving as an early warning system to help anticipate trends; and uses virtuous communication.

This Office is specifically responsible for communicating to a wide array of stakeholders, such as the faculty members and staff of the University, the central government, the state government, various government and non-governmental offices, the media, the press, the community, the industry and the public. During the instant of crises, this office is the first point to get in touch with. The aim of public relations office in CHRIST (Deemed to be University) is to persuade its stakeholders to uphold its Vision and Mission.

OFFICE OF CAREER GUIDANCE AND PLACEMENTS

Statement of Purpose:

To ensure every student is provided with an opportunity for placement as per his or her potential

Scope

To ensure placement for students of CHRIST (Deemed to Be University) pursuing any program.

Objectives

1. To create awareness among students about opportunities available as per their programme and competencies.
2. To share and build required competencies among the students as per inputs from industry through respective departments.
3. To identify and invite potential recruiters to the University for placements and also to maintain and sustain a relationship with the present and potential recruiters.
4. To develop annual placement schedule and to be a single point of contact for the recruiters, academic departments and students for the effective placement process.

Highest Packages Offered (2018-19)

Organisation	Course/s
DEShaw & Co	UG & PG Programs
Axxela Business Services	BCom Hons
ZS Associates	BSc EMS
Vedanta	MSW HR
HSBC	MA Applied Economics & MSc Maths

Accenture Consulting	MA Media/English/International Studies
Dell	MA Media and MA English
Verity	BA Eco Hons, BBA & Bcom
Boston Consulting Group	BA Eco Hons, Bcom programs & BBA
Zomato	BSc, BBA & Bcom
Cerner	MCA & MSc Comp. Sc.
Tresvista	BA Eco Hons, BBA & Bcom
Arcesium	UG Courses
Zee Media	MA Media Studies
Usha International	Bcom, Bcom Hons & Bcom Professional
Goldman Sachs	PG & UG programs
JP Morgan Chase	Bcom & BBA programs

OFFICE OF REGISTRAR

The Office of Registrar with its commitment to fulfilling the Vision, Mission and Core Values of the University plays a crucial role in supporting the formulation of academic and administrative policies and procedures and their implementation. It ensures the accuracy and reliability of these policies and procedures and the confidentiality of academic records. It provides guidance, support and leadership to the academic community in compliance with the rules and regulations established by regulatory bodies such as the University Grants Commission (UGC), Ministry of Human Resources and Development (MHRD), and Accrediting bodies like National Assessment and Accreditation Council (NAAC), National Council for Teacher Education (NCTE), Bar Council of India (BCI), All India Council for Technical Education (AICTE), National Board of Accreditation (NBA), Government of India (GOI), and offices of the Director of Collegiate Education, Commissioner of Collegiate Education of Government of Karnataka (GOK) etc., The Office prepares reports and analysis for review and achievement of goals, objectives of the Strategic Plan of the University. It is also guides, supports and maintains the record of Memorandum of Understanding (MoUs) and agreements.

Nine statutory meetings were held during this academic year, three Academic Council Meetings, which mainly focus on the approval of admissions, new programmes and curriculum changes and approval of results and graduation; four meetings of the Board of Management were held to the discussion and approval of the new programmes and approval of results and graduation, audit reports, Finance, budget, Human Resource Budget and progress on research programmes and overall activity of the University. Two meetings of the Planning and Monitoring Board were held to initiate a major plan of the University and evaluate the progress of the plans implemented.

The Office is instrumental in communicating to various external agencies like Right to Information, Government of Karnataka, Association of Indian Universities, Ministry of Home Affairs,

Foreigner Regional Registration Offices etc., The yearly statistics were furnished to UGC, MHRD, NAAC, GOK. The compliance related to Minority Cell, Disability Cell, Anti Ragging Cell, Internal Compliance Cell was submitted to UGC regularly. The compliance of annual statistical requirements from UGC and MHRD was also uploaded to the All India Survey on Higher Education (AISHE) portal.

The Application for starting two Off-Campus Centres at Lavasa, in Pune, and Ghaziabad in the National Capital Region were prepared and submitted by the Office of Registrar. The registration and renewal of various Government agencies like Scientific and Industrial Research Organization (SIROs), Department of Scientific and Industrial Research (DSIR), Atomic Energy Regulatory Board (AERB), Association of Indian Universities (AIU), Public Financial Management System (PFMS), UGC Canara Bank Scholarship Portal etc., also were carried out regularly.

The Office supported the participation in MHRD lead National Academic Depository (NAD). The Office also supported the creation of the Academic Administrative Manual of the University during this year.

The regular arrangements for various meetings of departmental heads, stakeholders etc., were also organized by the Office of Registrar. Issuing letters to the students as per their requirements and attestation of syllabus and transcripts were done regularly. The data to the various ranking agencies like National Institute Ranking Framework (NIRF), UGC Institutional Swatchata Ranking, Quacquarelli Symonds (QS), Times Higher Education (THE), India Today, The Week, etc., were prepared and uploaded in the respective portals.

OFFICE OF STUDENT WELFARE

Introduction

The Student Welfare Office provides a platform for students to exhibit their talent. It provides a forum through a string of cultural activities for like-minded individuals to meet each other, exchanges ideas and shape their personalities. SWO conducts programs like DARPAN, BLOSSOMS, IN BLOOM and DANCE DAY, to search for the best talents on campus and fines and refines the sharpest minds.

SWO consist of 5 wings, namely

1. University Volunteer body
2. University Cultural team
3. University Choir team
4. University Dance Team – Natyaarpana
5. University Quiz Association – CUQA

Like all the previous year's student welfare office has worked hard to make all the events successful and achieved it. Being the golden jubilee year it was also a challenging year and it helped the students to take up more responsibilities. While the volunteer body, cultural team, choir and dance team bought new life to campus, CUQA helped the students to sharpen their minds.

Inauguration of Academic Year 2018-19:The inauguration of the academic year happened on 29th and 30th May 2018 for UG programs and 5th and 6th June 2018 for PG programs. The inaugural speech was given by Vice-Chancellor, Fr. Thomas C Mathew on all the days and the University choir sang the inauguration song. The volunteer body along

with the dance team made the program more vibrant and colourful.

First-Year Orientation: The first year orientation was given to the volunteers was given on 15th June 2018 by the student welfare officer Mr PurnanandaBhaskar. Almost 500 registered volunteers attended the orientation. Students were informed about various committees like the stage, Auditorium management, Record, Lit, Art, MC, Creative, Hospitality and their role in conducting the events. A brief introduction about the events like Darpan In bloom, Blossoms were also given. The heads for the academic year were selected.

Kengeri Orientation 2018: On June 30, 2018, the orientation for the volunteers took place in the Kengeri campus. The orientation program was to train the volunteers in leadership skills, teamwork and self-assessment. The orientation was headed by Mr Jai Kumar. There were many activities conducted in which all the students participated enthusiastically. The challenges became more intense on the second day. The leadership of the activities was given to the juniors to bring out the potential and leadership skills. On the second day, volunteers returned to the main campus.

Inauguration of Darpan and Pedagogic League 2018-19: Date: 11th July 2018 at the PU Quadrangle, CHRIST Junior College, time: 3 pm- 4 pm, The inauguration of the Darpan and Pedagogic league happened on PU quadrangle due to rain. The event was scheduled to take place on the football ground but was later changed. On the inauguration, the golden jubilee stamp was released by the Post Master General, South Karnataka. A 50-year logo formation was done by BGR campus students. We had a huge choir singing for the first time. BGR students performed a Srilankan dance. Golden Jubilee hot air balloon was put up on the boys' hostel terrace.

Darpan 2018: Darpan gives the opportunity to the students to showcase their talents individually or in groups. It is a platform in which the students from all streams from Bachelors to Masters take part in the events to get into University cultural team. The winners of the Darpan will be a part of the cultural team according to the prizes they won. The following events took place in At, Lit and Stage events.

Golden Jubilee Celebrations: The golden jubilee celebrations happened on 14th and 21st July 2018 in the main auditorium as the completion of 50 years of CHRIST. The chief guests on 14th July were Nobel laureate Kailash Satyarthy, MLARamalinga Reddy, Maharaja of Mysore and Bishop. The chief guests for 21st July were Prior General and MP Krishnabaire Gowda. The registrar was the MC for both days and the audiences were alumni on the 14th. Along with chief guests, the Vice-Chancellor and Pro vice Chancellor released the souvenir. The cultural happened on 14th and 21st respectively:

Patriotic Song Participation: Patriotic song participation was conducted on 16th August 2018 from 3:30 pm to 5 pm in the Central block stairs. There were 16 teams participating in the program in which 1 team from the BGR campus, 1 team from the Kengeri campus and 1 team from CHRIST Junior college. NCC also took part in the competition.

Cultural Week: As part of the Golden Jubilee year we celebrated the cultural week from 3rd September to 8th September. The following events happened in the week:

1. 3rd September-Alumni band performance (Aathma and All the fat Children)
2. 4th September-Natakam
3. 5th September-Teachers day
4. 6th September-Yakshagana
5. 7th September-Alumni band performance (GalejGurus and Thermal And A Quarter)
6. 8th September-BhashaUtsav

The band performance by the alumni students happened for the first time in the University. The publicity and the passes were done and distributed with student council support.

The invitations for the teacher's day were hand made by the students and given to the students. Natyaarpana and Choir performed and the Vice-Chancellor gave the speech. President Steve was the chief guest. The student council thanked the teachers and Professor Deepthi Das responded to the students. Natakam was organized for the first time in University and will be continuing in the coming years. It was conducted by SWO with the support of all the theatre teams in the University. All the teams came together as one team and performed a grant skit in front of the central block. The show was a success.

Yakshagana was organized by the Department of Kannada with the support of the Student Welfare Office. Bhasha Utsav is the most awaited event of the University. It was Organised by the Department of languages with the support of the Student Welfare Office. The Volunteers were managing the auditorium crowd.

Blossoms Inauguration: Blossoms inauguration happened on 22nd November 2018. The information about the inauguration was sent to students through emails and posters were put up across the campus. The inauguration started at 3 pm. Unlike previous years this year, the inauguration happened in three different venues i.e. in front of the Central block by the Department of Professional Studies, in front of block 1 by the Department of Management and in front of block 2 by the Department of Commerce. After every performance, the choir led the procession to the next venue with a song. Fr. Vice-Chancellor gave the inaugural speech. The program got over by 3:45 pm.

The Dark Lord: The performance happened for the first time in the University as part of the Golden Jubilee year. It happened on 1st December 2018 in the main auditorium. It was conducted by the renowned dancer RukminiVijaykumar. The show happened at two different timings i.e. the first show was at 11:30 am for students and the next was at 5:30 pm for the faculty and staff. The entry to the show was only through passes. The show was a great success as the auditorium was full on both sessions.

Magnificat: Magnificat is a music festival that was conducted and hosted by the CHRIST (Deemed to be University) Choir on 8th and 9th December 2018 on the main campus a. It never fails to bring the true Christmas spirit home - the entire university reverberates with the soulful music and spirit of magnanimity. The CHRIST (Deemed to be University) Choir renders splendid harmonies and performs complex pieces that bring to mind images of tranquillity and joy. Different choirs from across the city join and perform along with the CHRIST (Deemed to be University) Choir. The CHRIST (Deemed to be University) faculty choir, CHRIST (Deemed to be University) postgraduate choir, CHRIST Junior College choir, and the MPE choir also performed. The program started at 5 pm on both days and passes were issued to the students to the student welfare office and reception in the central block. This time 8 fraternity choir performed and 15 guest choirs performed and one outstation team from Shilong also performed. This year it was special as all the instruments were played by the University students. This also helped the students to showcase their talents. Also, a group of doctors performed in Magnificat.

National Quiz Championship: The National Quiz Championship for the year 2018-19 was held on 7th and 8th December. There were nine finalists. It was conducted by CHRIST (Deemed to be University) Quiz Association (CUQA). The invitation to other colleges started two months in advance. Eminent judges were invited as the quiz masters. 150 participants participated in the event. PESIT won first prize in the SpENT quiz, General quiz and Second prize in the Indian quiz. The event was conducted with the help of SWO volunteers.

Grand Christmas Show: Grand Christmas show happened on 19th December 2018. The show started at 6 pm and lasted for one and a half hours. The show happened in front of the central block. This year the DJ was cancelled and the laser show was introduced. 100 plus performed on the show. Students from the University choir, MPE, Natyaarpana and PEP music added more colours to the show by their performance.Fr.

Vice-chancellor gave the message of Christmas before winding up the show.

Founders Day Celebration: The founder's day celebration happens on the 3rd of January every year. The students of the Department of performing arts, department of music and department of theatre studies put together a dance music theatre show depicting the life of St, Chavara. The program started at 12 pm and went on till 1 pm.

Out-Station Fest: The University cultural team participated in the outstation fest 'Saarang' conducted by IIT Madras which happened from 9th January to 13th January 2019. Two male faculties and one female faculty accompanied the students. The event in Chennai lasted for five days. The cultural team won in 24 events.

Colours of India: The colours of India is a program conducted by CHRIST Lavasa campus every year. This year the program took place on 26th and 27th January 2019. 95 students participated in the program. Students from music, dance and wind orchestra participated. 5 faculty members accompanied the students. The show started at 6 pm on both days.

In Bloom: In-Bloom is a national-level cultural festival organised annually by CHRIST (Deemed to be University). It features stage, art, literary, and theatre events. In-Bloom aims to provide a platform for students from institutions across the country to channelize their creativity, sharpen their minds, and exhibit their talents within an atmosphere of amity and celebration.

This year In bloom was held on 8th and 9th February 2019. Preparations for In bloom started two months in advance and PR teams were formed to invite other colleges from within Bangalore and outside Bangalore. This year we have the greatest number of participation from outside. We had 16 colleges participate in the fest with 873 participants in total. The creative team started the preparation one month in advance with the theme 'Age of Empires'. The campus was decorated one day before the event. For the In bloom inauguration, five deaneries participated in the procession i.e. BGR campus, management studies, Kengeri campus, Department of Professional Studies and commerce department. The Pro show was conducted by the Agam band. KLSGIT Belgaum received the overall trophy.

Blossoms: Blossoms is the inter deanery fest to battle out to become the best deanery in the University. Blossoms work with the tagline "Be the Best". It happens at two levels- level 1, which is intra-deanery where they strive to find the best talents within the deaneries to represent them for the later stages. The first level of blossoms start in the month of November and end in January. The second level is inter-deanery where the competition is to establish the incredibly best on campus. Blossoms is the motivation and platform for every Christite to participate in at least one or more events in the university. The idea is to bring out the best in one for the deanery which ultimately brings to the surface an overall feeling of belongingness. This year the blossoms inauguration happened on 22nd November 2018 and the finals of blossoms happened on 8th and 9th February 2019 along with In

Bloom. The dance extravaganza, which is the most awaited event in the blossoms, had 59 teams participating from across the campus. The Department of Professional won the best deanery award. The events for the blossoms were:

Nritta- University Dance Day: Nritta is the University's annual dance day. It happens in the month of March. Nritta is a visual delight that no Christite would want to miss. The houseful auditorium on the days of the event explains it the best. Dance has always been an integral element in the life of a CHRISTite. No event in CHRIST University is complete without a dance performance. The audition and practice of Nritta begin a month before the program. This year Nritta took place in the main campus on 17th and 18th March 2019 with the theme 'Varna'. The properties of the dance day were made by the SWO volunteers two weeks before the program. The team for Nritta was made one month before the program. Students from across the campus participate in the show. The auditorium was full on both days. The stage decorations were started three days before the program.

Sound Curry: The event took place on 23rd February 2019 in the main auditorium. It is one of the most awaited events in University. Sound curry as the name itself says is a mixture of all types' songs which makes it a unique one. It is also the event through which the choir gets to showcase their talents. Like for Magnificat, the Choir students does all the decorative work for the show. Unlike last year the auditorium was full for the event.

Gratitude Day: Gratitude day on 23rd March 2019 officially closes the curtains on the cultural and extracurricular activities in the university. It is also a day to look back and be thankful for the work of the university all through the academic year. The graduating batch becomes reminiscent and realizes the place that CHRIST (Deemed to be University), the faculty members and fellow Christites hold in their hearts. The entire student community gathers in front of the central block on this day. The choir serenades with songs that rightly capture the essence of the day. This is one day where all the student bodies of the university like the NCC, Cultural team, SWO volunteer body, CSA and so on rendezvous in their full strength and proclaim the unity in diversity that CHRIST (Deemed to be University) is proud of. The Student Council members of the next academic year are announced and every single entity in CHRIST that makes it what it is thoroughly acknowledged and appreciated.

CHRIST (Deemed to be University) Choir 2018-19

1. **University Inauguration:** The Choir opened its Annual Performance by singing the Invocations songs at the University Inauguration Days on the dates 3, 4, 5, and 8 June under the Leadership of one of the Final Year Student Mr Abraham George.
2. This Academic Year the New Choir Director/Music Coordinator of the University MrDonlakador S Rynjah was appointed and he joined the office on 11-6-2019.
3. **Choir Audition** happened on the 14 June, 15 June and 18 June (3Days) and around 60 new members were added to the

Choir which then we had a strength of 160 members in the Choir proportionately divided into different parts. It is a struggle to keep the number for the Male Section of the Choir since not much turned up for Audition, so we had fewer options for quality selection for the male.

4. **Section Leaders:** The Choir for the first time chose two section leaders for each part and the role of these Section Leaders is to keep their Section of the Choir in Discipline, Check their Attendance and also teach them the parts after they have learnt from the Conductor or the music Score. These Section Leaders are selected mostly based on Seniority and capability to teach and learn parts for their sections. Therefore overall, we had around 10 Section Leaders.
5. The Choir has two overall **Head Representatives** to hear and present all matters from all Choir members- Snehachandy and Abraham George.
6. **Golden Jubilee Inauguration/Darpan:** It was a hectic month of July where the Choir had to perform for the Inauguration of DARPAN and GOLDEN JUBILEE CELEBRATION INAUGURATION on the 11– July 2018 at Quadrangle in P U Block. And we performed Eye of the Tiger and The Final Countdown.
7. **Golden Jubilee Celebration:** The Choir performed Final Countdown and Eye of the Tiger on the Mega Event of the Golden Jubilee on 14 July 2018 and Eye of the tiger and Parable of the river on 21 July 2018 at the Main auditorium.
8. **Orientation:** The Choir had a two 2 days orientation organized by SWO at CHRIST (Deemed to be University) Kengeri Campus where all Choir members were present.
9. **Glorious Festival:** We were invited to perform at the Praise Evening of the Glorious Festival on the 25th August 2018 at Glorious Promised Land, Nandi Hills hosted by the Glorious Choir where we took only 80 members. The Repertoire for that Concert was Nearer My God to Thee, Parable of the River, and the Messiah Medley by George Frederich Handel.
10. **Uniform:** We decided that we should come up with a Choir Uniform and wear them in the Glorious Festival Concert on the 25th August, so a committee of 4-5 student leaders with the Choir Director and Father Lijo sat together and decided to have a Blue Shirt/Top with a golden stripe on the rim of the neck and Black Pants for both Girls and Boys. Every Choir Student was willing to pay half of the cost for the Uniform while half of it was paid by the University.
11. **Teachers Day:** The Choir was able to render a heartfelt performance of Lean on Me on the Event of Teachers Day (5-9-18) and was conducted by Abraham George.
12. **Magnificat:** From September onwards we started working for one of the most important Events of the Choir, a Christmas Concert "Magnificat" 2018. We could host around 10 Guest Choirs including Choirs within the Fraternity and many others from around Bangalore and one Off-station Band from Shillong "Soulfire". The Concert was held for two days in the Main Campus i.e., 8-12-18 and 9-12-18 at 5 pm sharp. The Fraternity Choir raised the curtain of the Concert with a Song.

13. The Choir also performed for the Magnificat at Kengeri Campus on the 14-12-18 and at Bannerghatta Campus on the 15- 2 -18.
14. For the event, all Choir students worked on setting the stage, planning for the THEME and worked tirelessly to make this event a grand one.
15. **VR Mall:** This year we were invited to perform Carols at some stages outside Campus. While we had to decline some offers because of certain reasons we could make it to the VR Mall and perform Christmas Carols for over an hour and a half.
16. The Choir could participate in all 'In-campus' Christmas Events like The **Grand Christmas** Program in front of Central Block and **ACC Christmas Carols** held in the Main auditorium.
17. **Founders Day:** Few members of the Choir as required performed three Songs in this program on the 3rd January 19 at the Main auditorium. One of the Songs performed was written by St Kuriakose Chavara himself.
18. **CMC Vellore:** The Choir of a selected 75 members left for Vellore, Tamil Nadu on the …. We were hosted by Dr …. The parent of one of our Choir students. There we had a Concert and Praise Worship Time on the evening of 5th January 19 and on the 6th January which was a Sunday we divided our Choir into two Teams where each of us went to minister to the patients at CMC Vellore. This was one of the most synergizing and utterly transforming programs for the Choir.
19. **Ecumenical Choir:** It was the first of this kind to happen at CHRIST (Deemed to be University) where CHRIST (Deemed to be University) Choir invited all Choirs within the Fraternity along with many other Choirs from the City and could come together as one under the canopy of THE GOLDEN JUBILEE ECUMENICAL CHOIR to sing the Great anthem of G F Handel from the Messiah, Worthy is the Lamb/Hallelujah Chorus on the 16th February 2019. There were around 300 choristers together and with the help of the media Team from SWO and with the kindness of the Fathers we could shoot this Video at Dharmaram Chapel of the Brothers and with this we intend to extend our Golden Jubilee Celebration to all ears around the world through YouTube, and many other social media available.
20. **Sound Curry:** This is one heartily awaited Event for the Choir. This event happened on the 23-February 2019 at the Main auditorium. It is a Secular show organized by the Choir. In this event, the Choir performed many contemporary pieces of music from either Secular or CHRISTian nature. It is the Event where the Choir gets to showcase its talent and through this program, everyone witnesses the fruit of the work and sacrifice the Choir members have made throughout the Academic Year. As it was for Magnificat, the Choir members knit stitch and sketch all handiwork to set the stage for the Show.
21. **Golden Jubilee Album:** The Choir participated in the Golden Jubilee Album-Golden Memoirs, by composing a Song arranged and recording one song for the Album. The name of the Song was "Single Voice" composed by ManasGanguly and Arranged by the Choir Director.

22. **Announcement Ceremony of the Vice Chancellor-Designate:** On the 26th of February at the Event mentioned which also marks the day of the release of the Golden Jubilee Album, the Choir was privileged to sing a Farewell and blessing song for the Vice-Chancellor.
23. **Gratitude Day:** The choir could present a special song expressing Thanks and gratitude to the University. The Choir members were also split into small groups to go and teach the song to all classes so that the whole University could join along in the song Thank University. The Choir members were also split into small groups to go and teach the song to all classes so that the whole University could join along in the song Thank You.
24. **Convocations:** Last Performance of the Choir for the Yearly Calendar was always the Convocation. In all Convocations we song an Invocation Prayer Song and a Special Choir Performance.
25. **Invocations:** Besides all the programs the Choir had performed as mentioned above, the Choir has also been privileged to bless any Department or Program that happened on the Campus with a small Invocation and Prayer Song for each program. There was not a time that the Choir would refuse although some programs asked for the Prayer Song at the very last moment.

CHRIST (Deemed to be University) University Quiz Association 2018-19

CHRIST (Deemed to be University) Quiz association has expanded its boundaries in quizzing and winning, as of this academic year, as not only attracted new quizzers but also honed the skills of the existing ones. Members of CUQA this year have hosted many quizzes at the national Level also, that along with the departmental and topical quizzes, these quizzes were not in the initial Association calendar but that of upon request by various departments and for the quizzers of the university, the association has hosted such quizzes.

Quizzes Conducted as Per CUQA Calendar

1. The Fresher's Quiz as in July, quiz was hosted in Block 4 KE Auditorium with a participation of over 400 odd students, this quiz is an introduction to first years of the campus quizzing cultures. Quizmaster: - Sunny Sheen of 4th Year

Team CUQA: Compromising 30 students across departments, has been instrumental in hosting and training for quizzes. CUQA has been covered in various media Outlets for our quizzes and winnings.

CHRIST (Deemed to be University) University Cultural Team 2018-19

The CHRIST (Deemed to be University) Cultural team 2018-19 was formed in the month of August 2018 following the results of Darpan 2018, an intra-collegiate fest that provides an opportunity and platform for Christites to portray their talents in art, music, theatre, literature and dance The beginning of the Cultural Team's journey was from the Darpan Valedictory Ceremony 2018 where the winners of all the events were recognised for their hard work and perseverance. The winners went on to become the face of the institution and formed the Cultural Team 2018-19. This was followed by a two-day orientation program at Kengeri Campus for the team. The members were involved in several team-building activities, ice breaking sessions and cultural events which created a wholesome environment for exploring their talents and

a great bonding experience. This was followed by the announcement of office-bearers and Cultural Heads. This created the perfect environment for the enthusiastic team leading to the first inter-collegiate fest of the year at St. John's Medical College called 'Autumn Muse' where CHRIST (Deemed to be University) bagged the first overalls.

150 students who were the winners of all the events of Darpan 2018 were chosen for being part of the Cultural Team 2018-19 of the University. These students represented CHRIST (Deemed to be University) at different stages for different events, at all levels. These 150 students were further divided into 4 committees in which each of them was specialized.

The Cultural Team went for various 5 fests as a whole, out of which they received numerous prizes in all the stage, literary and art events. And bagged 4 overall trophies

OFFICE OF IT SERVICES

The IT Services Department at CHRIST (Deemed to be University) endeavours to provide effective and prompt service to achieve total satisfaction to all members of the university. As a team, IT initiated the implementation of operational standards in all its tasks to upgrade the Service quality. Processes and objectives have been defined to optimize its operations. Documentation and analysis methods have been initiated by the team for continued Service improvement.

IT Infrastructure

IT Infrastructure is well designed to handle student and staff strength. Usage of IT services like knowledge pro(KP), Learning management systems (Moodle), Digital learning sessions and other IT related activities are extensive due to which infrastructure upgrade is done to handle the load efficiently. New higher-end Servers are in place and Internet bandwidth has been doubled for effective usage. To support the staff and students, an IT Services Support system has been implemented focusing on and supporting the effective use of all the services and infrastructure.

IT Support

The Team offers Hardware/ Software/Network support to all users in CHRIST(Deemed to be University) by carrying out various activities at the appropriate time. It has also initiated the implementation of various processes to meet the requirement of quality system support and maintenance. Network security enhancement is enforced by implementing Network access privileges only to the staff and students. Support Request handling tool has been implemented to automate the Infrastructure support requests from staff and students. This is to track and make sure that all requests are handled in time by the IT Infrastructure Support staff. A new feature has been incorporated in Knowledge Pro for staff and students to register issues related to all the Services provided by the University. This is tracked and coordinated by the IT department to make sure that requests are effectively addressed within 24 hours. The escalation matrix is implemented up to the top level of the management to enhance the efficiency of the support system. A dedicated team is handling and monitoring IT Support requests.

Website Management

CHRIST (Deemed to be University) website has been redesigned to improve the aesthetic appeal and the interface. The website's content management is monitored by a dedicated team who coordinate with various departments to update the latest content like news and events, details about academic programs, faculty members, syllabus, and evaluation systems. IT Service team also maintains dedicated pages for exam alerts and support services.

Social Media Content management

Regular updates on Social media platforms like Facebook, YouTube, Twitter, Flicker, blogs etc are carried out by the IT team on a daily basis to facilitate Public reach of the university.

ERP – Knowledge pro

ERP is enhanced with new features facilitating online solutions for the academic needs of the staff, students and parents. New features and tools are added in KP as per request from various departments in consultation with the management. A dedicated team is on the campus for the development and monitoring of our ERP software. KP training and implementation is handled and monitored by the IT team.

Digital Training Team

The Digital learning training team is a part of the IT Services department with the responsibility to assist and train staff and faculty in IT-related activities. The team also trains faculty members to prepare and implement Online Certification courses using Moodle – The Learning Management System. Training materials are prepared by the team for Moodle and useful Digital tools are being distributed.

Services offered and monitored by IT Team:

1. IT infrastructure monitoring and management
2. Mobile applications
3. Learning Management System (Moodle)
4. Interactive Voice Response System (IVRS)- For attendance, exam results and admission status
5. Intranet Databank – for students to download eBooks, articles and study materials.
6. Online Databases - For students to access books, articles, journals and research publications.
7. Repository – This Service assists students in their exam preparation by providing questions banks for the previous years
8. E-journals - This service provides members of the university access to e-journals for research, self-learning and preparations for assignments and presentations.
9. Library Services – Provides online library catalogue to search books, new book arrival details, online renewal/reservations, SMS and email alerts for all transactions.
10. Email services for staff and students. Personal mail IDs will be provided to staff and students. Group email ID is available class-wise to enhance effective communication.
11. Departmental events and online tests for placements are supported and assisted by the IT team
12. Live broadcasting of major events conducted in the main auditorium is facilitated by the IT team.

13. Wi-Fi facility to staff and students

IT Infrastructure Management and Support - Enhancements of the year

1. Active Directory –Implemented for faculty member's desktop machines – a step towards data and information security
2. Core switch – Installed backup switch for Network High Availability
3. Desktop Security - Staff desktop systems are enhanced with the latest OS to avoid security vulnerability
4. Firewall – High Availability implemented with additional firewall equipment
5. Monthly Reporting tools implemented for Facility management and Case management
6. Cyber risk Assessment – Completed Network security assessment by engaging 3rd party vendors.
7. Implemented Instant Self Wi-Fi Access - New facility for guests to access self-automated Wi-Fi facility. mainly for Guest rooms on the campus
8. Wi-Fi devices have been upgraded on all the campuses
9. Wi-Fi access to users – Improved restricted and automated methods implemented by upgrading Wi-Fi controllers
10. IT security policy is defined to incorporate in Student's Handbook
11. Wi-Fi Zone implemented in library - Knowledge Center to facilitate easy access to scholarly materials subscribed by the University. Students can bring any device to access campus Wi-Fi using the access credentials issued by library staff

OFFICE OF FACULTY MANAGEMENT

The office of facility management is committed to delivering efficient and quality services such as maintenance, operational services, procurement, transit facilities, etc. The office has 228 housekeeping staff, 71 admin & operational staff and 16 campus maintenance staff thus constituting the largest office in the University. Office of facility management consists of three divisions within, thus enabling the staff to have an overall in-depth understanding of the functions of the University.

Office of Facility Management – Infrastructure aims to maintain, preserve, manage and sustain the assets in the University and thereby creating and providing a better environment for students and faculties. The daily service operations such as the preventive &regular maintenance of the facilities in the university, cleanliness & hygiene, canteen management, food audits, energy audits, water conservation practices and implementation of sustainable energy resources are the main domain functionalities of the Office of Facility Management – Infrastructure section. The main objectives are to ensure a safe, clean, and well-maintained campus to provide a friendly environment to the faculty, students, staff, and visitors, to review, analyze and implement processes to maintain a sustainable campus, to empower the members to effectively contribute to the maintenance and development of the campus and to periodically communicate on the process, initiatives done by the department to stakeholders. The section also seeks the statutory regulations

complied to the Govt of Karnataka, electrical inspectorate, Pollution control board, Food Safety and Standards Authority of India and BMP rules & regulations.

Office of facility management – purchase section aims to directly support the University's educational, environmental and administrative needs, by assisting faculty and staff to obtain high-quality products and services at the lowest cost possible and promptly. The office ensures the purchase patterns, analyzes market variations, implements an inventory system for the University assets, vendor management system, implements strategies for negotiations, etc. The office also ensures to develop a professional relationship with the research organizations for the procurement of high-end research equipment within the nation and from foreign countries. The main objectives of the section are catering for the needs of the departments for effective utilization of resources, managing the inventory based on the needs and past experiences for fulfilling stakeholder expectations and ensuring value maximization through negotiations with service providers benefitting the university. The section also adheres to the rules & regulations pertaining to the Department of Scientific & Industrial Research, Govt. of India, GST norms, Central Board of Indirect taxes & customs.

Office of facility management – transportation aims to ensure safe mobility of people and material related to CHRIST activities/initiatives. The office provides a safe transit facility to faculty, student, officials and guest who are directly or indirectly connected with the University or transportation of materials. The main objectives are to create awareness on various transport facilities available and their utilization, ensuring availability, maintenance (preventive and regular) and periodic updates (documents) as required for all means of transport and to identify, empanel various transport service providers beyond the availability of University transportation facility. The section adheres to various statutory bodies such as the RTO: With rules and regulations of the regional transport office, Bangalore, Karnataka, Pollution Control board: The Ministry of Road Transport and Highways, Government of India has issued the gazette notification bearing No. GSR No.111 (E), amended and the revised emission standards would come into force with effect from 1st October 2004, Govt. Of Karnataka: As per Rule 178 of Karnataka Motor Vehicles Rules 1978, all vehicles registered in the name of an educational institution shall be painted in highway yellow colour and the words 'School Bus' or College bus as the case may be, shall be written in a dark colour paint on all the four sides of the vehicle as per Karnataka Motor Vehicles rules, 1989: All the drivers and the owners of the vehicles should adhere the norms specified in the Act. Any violation of the Act will lead to punishment and imprisonment as per the law/court sanctions and National Ambulance Code: The Ambulance functional requirements are in adherence with Automotive Industry Standard, National Ambulance Code, Government of India

The best practices implemented and executed by the office are the sewage treatment plant, usage of greywater for gardening purposes, rainwater harvesting systems, implementation of sustainable

energy resources, conversion from conventional light system to LED lights, digitizing inventory system, etc.

PRAVEEN KENNETH CHAIR ON LEADERSHIP

Student Leadership Initiatives:

1. The training was conducted on the 27th & 28th of July 2018 - for the class representatives of the Kengeri campus. There were about 108 class representatives who attended the training. The following topics were covered during the training's: Bonding, Teamwork, Focus, Initiative, Accountability, Goal Setting and Planning. The training methodology was a non-classroom approach. All sessions were activity-based and the students had a great time discovering themselves and drawing and understanding how to work with the teams.
2. The training was conducted on the 14th & 15th of August 2018 for the office bearers of the Kengeri Campus. The themes covered at eh training were bonding, teamwork, focus, Accountability and goal setting and Planning. The learning methodology was activity-based learning
3. Team orientation and Leadership Training were given for the following teams on the following dates:

    - On the 30th June & 31st, June 2018 Orientation and leadership training was given for the SWO volunteers. The total number of participants was 120.
    - On the 26th of August - The University Choir members were trained and the total number of participants was 140.
    - On the 27th of August, the cultural team of the university was trained. The total number of participants was 150.
4. Student Quotes: This initiative came up as a recommendation from Praveen Kenneth during the meeting with the leadership chair team during the second quarter. Currently, the Praveen Kenneth Chair on Leadership sends a weekly quote to all the students of the three campuses in Bangalore. The total numbers of students who receive the weekly quote in their email inboxes are 21000. The weekly quote is sent to engage the students based on the various topics of the authentic leadership model theme. This initiative which began during the month of March 2019 is an ongoing thing. A weekly quote is sent out every Monday morning for the week in the weekly events email.
5. Developed the Praveen Kenneth Chair on Leadership Web page: To make the students and the faculty aware of the vision, mission, core values, authentic leadership model of the chair.

Staff Leadership Training & Development

1. Strengths scope assessment - An online assessment test was conducted on July 18th 2019 for the mentors and teachers of CAPS. and the debriefing of the report was done on the 22nd of July 2019. Nine members attended the event.
2. A servant leadership training was conducted on the 14th of September 2018 for the CAPS mentors and teachers. In

all, we had about nine participants who attended the training.

3. A session on policy development was conducted on the 22nd and 23rd of June 2018 for the office bearers of the university. We had about 63 members who attended the workshop.
4. A leadership development Seminar was conducted for all the senior administrators of CHRIST (Deemed to be University) staff in the month of October 2018. The training was conducted in two cohorts with the first group attending it on the 9th, 10th and 11th October 2019; and the second group attending the sessions on the 15th, 16th and 17th October 2019. We had external resource persons who came and spoke in the seminar. The following topics were covered in the seminar: 'Developing escape velocity through leadership agility' by Mr Anand Pillai on day 1. On day 2, The topic was Self Reflection based on the DISC personality profile facilitated by Mr Jacob Isaac; and the topics covered on the third day were: Leadership and Strategy, Leading Young Minds - Learning skills for life,.and Diversity and Communication. About 90 plus participants had attended the seminar. Attendance was taken
5. Coaching Sessions: As part of the follow up for the leadership development seminar, the team put together a coaching session for the interested participants and teams (as recommended by the HOD's). In all 111 staff went through five coaching sessions starting from the month of February to August 2019. (Five HOD's responded and said that they would like their teams to go through the coaching sessions. In all, there were 98 staff who attended team coaching sessions with their respective teams, and there were 13 staff who went through with the individual coaching session).
6. Academic Administrative Process Training: We conducted the Academic Administrative Process training for all the administrators from the different departments. The training was about orienting the administrators on the administrators on the need to share the standard operating procedures of the five key teams with all the participants. The session was facilitated by Dr Senthil Kumar and five teams presented their academic administrative processes - Finance, Personal office, Admissions, Facilities Management and Examinations. The same cohort which attended the leadership development seminar attended the academics administrative processes training but we broke the group into three cohorts to ensure more discussion time and get feedback from the participants.
7. Pathway to Excellence training was conducted for the same set of participants from the leadership development seminar. The initial training was planned for a small group. and then the training was extended to include all the participants from the LDS; so we had the same training repeated two more times to cover all the people. The first training was conducted on the 19th January 2019, and the second and third on the 6th and 19th of February 2019
8. Members of the PKCl staff were the resource person for even organized by IQAC for Auditors. The training was conducted on the 16th of February 2019

for all the auditors. The topics covered for the training were Cognitive Biases in Auditing, Conceptual Clarity in Auditing and Positive Approaches in Auditing. There were 40 auditors from the auditing team who attended the training. The training was to set the platform for auditors to be mindful of their own cognitive biases while carrying out their responsibility as auditors.

7. Improvement in traffic management within the campus.
8. Additional Surveillance CCTV cameras were installed and upgraded Many Cameras to meet the 30-day storage target on the campus.
9. An attempt to augment the Security Strength was done

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF TRUSTEES OF CHRIST (DEEMED TO BE UNIVERSITY) , BANGALORE

Report on the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **Christ (Deemed to Be University) - Consolidated Account** (the Trust) which comprise the Balance Sheet as at March 31, 2019, the Income and Expenditure Account , the Receipts and Payments Account for the year then ended, and including a summary of significant accounting policies and other explanatory information/notes related thereto.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give a true and fair view in conformity with accounting principles generally accepted in India and report as below:

a) In the case of Balance Sheet of the state of affairs of the Trust as at March 31, 2019 ,
b) In case of the Income and Expenditure account, of the Excess of Income over Expenditure for the year ended on that date; and
c) In case of the Receipts and Payments account of the Receipts and Payments for the year ended on that date.

Basis for our opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India (ICAI), as were applicable. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to the conduct of our audit of the financial statements under applicable standards, and we have fulfilled our ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Responsibilities of the Management and those charged with Governance for the Financial Statements

The Trust's Management is responsible for the preparation of Financial Statements that give a true and fair view of the financial position, financial performance and Receipts and Payments of the Trust in accordance with the accounting principles generally accepted in India including the accounting standards prescribed by the Institute of Chartered Accountants of India. This responsibility also includes maintenance of adequate accounting records in accordance with applicable provisions for safeguarding of the assets of the Trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so.

304, Brigade Gardens, 19, Church Street, Bangalore - 560 001
Tel: 080-255 88 080, 255 81 245 E-Mail: info@markdsouza.com www.markdsouza.com

The Management and/or others who are charged with governance, are responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SA's, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern though none exist presently.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Tel: 080-255 88 080, 255 81 245 E-Mail: info@markdsouza.com www.markdsouza.com

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

CHRIST (DEEMED TO BE UNIVERSITY)
SCHEDULES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

SCHEDULES 19 – SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

Organisation Overview:

Christ (Deemed to Be University) , registered as a Trust vide the Deed of Trust dated, 17 July 2007 vide No: SHV-4-00-308-2007-08 and under section 12A of the Income tax Act, 1961 vide No DIT(E)BLR/12A/C-701/AAATC9128M/ITO(E)-1/Vol 2009-2010 dated 22 May 2009 and under section 10(23C) of the Income tax Act, 1961 vide No 212 (708)/75 No.1476 dated 26 October 2017 . The Trust was formed in the year 2014 to carry out the Educational activities in terms of the objectives for which the Trust was established and it offers Technical Education in Under-graduate & Post-graduate courses. The Trust was formed to vest the properties and management of the affairs of Christ University, which is conferred the status of "Deemed-to-be University" under Section 3 of the UGC Act, 1956. Trust's activities include promotion of education, literature, science technology, and art, and for spreading of knowledge relating to commerce, industry and any useful knowledge and also to promote higher education and research in any subject and for other allied objectives..

A. SIGNIFICANT ACCOUNTING POLICIES:

1. **Method of Accounting :**
   The financial statements have been prepared under the Historical cost convention, on going concern basis. All items of Income & Expenditure have been accounted for on accrual basis.

2. **Fixed Assets and Depreciation :**
   a. Fixed Assets excluding land are stated at cost of acquisition or construction less depreciation. Cost of acquisition comprises the purchase price and cost attributable to bringing the asset to its working condition for its intended use.
   b. Depreciation is provided on written down value method, at the rates and the manner prescribed in the Income Tax Rules.

3. **Borrowing Cost :**
   Borrowing costs that are directly attributable to the acquisition or construction of an asset are capitalised as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

4. **Accounting for Grants :**
   a. Government and other Grants received relating to depreciable fixed assets are deducted from carrying amount of the Asset.
   b. Grants relating to non-depreciable assets are credited to income over a period in which the cost of meeting the obligations attached to the grants is charged to income.
   c. Revenue grants are accounted to Income & Expenditure Account.

5. **Investments :**
   Investments are either classified as current or long-term based on the Management's intention at the time of purchase. Current investments are carried at the lower of cost and fair value and Long-term investments are carried at cost.

CHRIST (DEEMED TO BE UNIVERSITY)
SCHEDULES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2019

SCHEDULES 19 – SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS

6. Revenue Recognition :

a. Course Fees: are recognized when due and apportioned to revenue over the period of instruction. All other Fees are recognized as revenue on receipt.
b. Income from Investments: Income on Interest bearing fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

7. Detailed Employee Benefits :

a. Short Term Employee Benefits : The employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits, and recognised in the period in which the employee renders the related service.
b. Post-Employment Benefits :
   i. Defined Contribution Plans : The University makes contributions to Provident Fund scheme (administered by the Regional Provident Fund Commissioner), Employee Pension Scheme which are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which employee renders the related service.
   ii. Defined Benefit Plans : Employee's gratuity is a defined benefit plan. The University has taken up a Group Gratuity Scheme Policy with the Life Insurance Corporation of India (LIC) to cover its liability towards gratuity a statutory post-employment defined benefit plan. Under the policy, the University makes contribution for each year based on the liability ascertained by LIC. The liability accruing for the year is charged off to revenue under Salaries & Remuneration.
c. Long Term Employee Benefits :
   i. The obligation for long term employee benefits is recognised in the same manner as in the case of defined benefit plans as mentioned in b) ii) above.
   ii. Contributions to defined contribution schemes such as Provident fund and premium paid towards Group Gratuity Scheme are charged to the Income & Expenditure Account as and when incurred.

B. NOTES ON ACCOUNTS:

1. Physical verification of fixed assets as on 31st March 2019 has not been done. As the fixed assets register is being compiled, difference if any between the financial records and the physical verification of assets can be ascertained only on completion of the respective works.
2. Fixed Deposits and Loans & Advances balances are subject to confirmation.
3. Financial Statements are prepared by consolidation of Five Accounting units of the Trust
