UNDERGRADUATE PROGRAM

Bachelor of Arts

Psychology, Economics / Honours / Honours with Research

DURATION & TIMINGS

4 Years (8 Semesters)

09:45 AM - 03:45 PM

The BA (Psychology, Economics/Honours/Honours with Research) is an interdisciplinary undergraduate programme that integrates the study of human behaviour, psychological processes, economic systems and decision-making. It enables students to develop a strong foundation in both Psychology and Economics while retaining the depth and distinct methodological approaches of each discipline.

The programme combines theoretical learning, research, analytical skills, practical exposure, internships and interdisciplinary electives, with opportunities to pursue Honours or Honours with Research in the fourth year. Students can develop expertise in areas such as psychological processes, behavioural studies, economic analysis and research methodology, preparing them for higher education and diverse careers across psychology, behavioural economics, business, policy, research and social sciences.

PROGRAMME HIGHLIGHTS

Interdisciplinary Dual Major – Integrates Psychology and Economics to develop an understanding of human behaviour, economic systems and decision-making.

Strong Foundation in Psychology & Economics – Builds disciplinary knowledge through areas such as behavioural science, consumer behaviour, economics and applied economic analysis.

Research & Analytical Orientation – Early exposure to research methods, research projects and research apprenticeships, with an option to pursue Honours/Honours with Research in the fourth year.

Experiential Learning – Includes internships, service learning, field and industry exposure to connect classroom learning with real-world applications.

Application-Based Learning – Develops critical thinking, problem-solving, communication, analytical and decision-making skills through interdisciplinary learning.

Career Versatility & 4-Year Pathway – Prepares for behavioural economics, insights, consulting, research. Structured 4-year Honours/Honours with Research qualification.

PROGRAMME OUTCOMES (POS)

PO1

Demonstrate a coherent understanding and comprehensive knowledge of the fundamental theories and concepts in the discipline of psychology in a multidisciplinary learning context.

PO2

Demonstrate critical thinking, scientific inquiry and problem-solving skills by applying psychological theories and research to real-world scenarios.

PO3

Demonstrate an understanding of appropriate values and ethical standards in research, practice, and academic contexts

PO4

Demonstrate communication skills, digital and psychological literacy to achieve personal, professional, and community goals.

ACADEMIC ROADMAP

Programme Structure

BA (Psychology, Economics / Honours / Honours with Research)

Year I

Semester I

- Introduction to Psychology
- Life Skill Education
- Microeconomic Analysis I
- Basic Data Analysis with Excel

Semester II

- Personality and Individual Differences
- Brain and Behaviour
- Macroeconomic Analysis I
- Statistical Methods for Economics

Year II

Semester III

- Basic Cognitive Process
- Experimental Psychology
- Service Learning | Internship
- Microeconomic Analysis II
- Introduction to Data Analysis Using R

Semester IV

- Developmental Psychology
- Basic Social Psychology
- Mathematical Methods for Economics
- Macroeconomic Analysis II

Year III

Semester V

- Psychological Disorders
- Basic Research Methods in Psychology
- **ELECTIVE** - Positive Psychology / Media Psychology / Sports Psychology / Environmental Psychology / Cultural Psychology
- Psychology Internship | Summer Internship
- Fundamentals of Economic Growth and Development
- Public Economics
- Financial Economics OR Environmental Economics
- Internship

Semester VI

- Industrial and Organizational Psychology
- Health Psychology
- **ELECTIVE** - Introduction to Forensic Psychology / School and Educational Psychology / Introduction to Neuropsychology / Consumer Behaviour / Drugs and Behaviour
- International Economics
- Basic Econometric Methods
- Behavioural Economics OR Urban Economics

Year IV (Honours / Honours with Research Tracks)

Semester VII

- Advanced Quantitative Research Methods & Data Analysis
- Professional Development & Ethical Issues in Psychology
- Advanced Qualitative Research Methods & Data Analysis
- Academic Writing
- Rehabilitation Psychology / Community Psychology / Indian Psychology
- Research Proposal and Supervision (or Supervised Community-Based Internship Project) | Project/Internship

Semester VIII

- Psychological Interventions
- Assessments in Psychology
- Research Proposal and Supervision (or Supervised Community-Based Internship Project) | Project/Internship

ENROLLMENT GUIDE

Admission Process

STEP 1

Register

Register with your Email ID and log in to the Admission Portal.

STEP 2

Apply Online

Fill the application form and pay the application fee.

STEP 3

Selection Process

Appear for the entrance test (if applicable), Skill Assessment, Micro Presentation and Interview.

STEP 4

Result

Check the login page for results; if selected, an offer letter is attached.

STEP 5

Fee Payment

Pay the course fee online and complete the admission process.

REQUIREMENTS
