

# **CHRIST (Deemed to be University)**

## **Department of Management Studies**

### **Research Policies**

Department of Management Studies has the motive of promoting research culture among students, research scholars and faculty members of the department by providing necessary support in terms of research guidance, infrastructure, time, mental support, publication review, mentoring and research work review. To fulfill the above said motive, the following research policies for the department have been framed and approved by the department for their effective implementation.

1. Faculty research supervisors will be allocated to both under graduate and post graduate students according to the expertise and area of research.
2. Both under graduate and post graduate students need to present their research work in a conference conducted at National or International level.
3. Both under graduate and post graduate students are expected to publish their research work in an indexed journal of National or International level.
4. Faculty members who pursue PhD in CHRIST (Deemed to be University) or any other recognized university will be supported to attend their Doctoral Committee Meeting or to attend course work classes by making necessary adjustments in their work load for the time required.
5. Faculty members are allowed to make use of library resources and other facilities for their research work.
6. MPhil or PhD research progress of faculty members need to be presented in the department regularly which will facilitate the researchers to get constructive feedbacks and insights from Research Committee Members (RAC) of the department.
7. Faculty members who pursue Major Research Project or Minor Research Project funded by CHRIST (Deemed to be University) or any other recognized funding agencies need to present their research progress in the department regularly which will facilitate the researchers to get constructive feedbacks and insights from Research Committee

Members (RAC) of the department and from the externals who are present for the presentation.

8. Students, Research scholars and faculty members can get their articles, reports, projects and other research works reviewed by RAC members before sending for publication.
9. Students, Research scholars and faculty members will be provided required support in identification right journals for the publication of their work.
10. Students, Research scholars and faculty members will be provided required support in publication of their research work in the book having International Standard Book Number.
11. Recommendation for incentives for conference presentation and publications by faculty members of the department will be made according to the regulations of the University.
