Sustainability Initiatives in India

Start date: 12 Dec 2020
End date: 22 Dec 2020

The United Nation's Sustainable Development Goals (SDGs) are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including those related to poverty, inequality, climate, environmental degradation, prosperity, peace and justice.

As future leaders of the world, students need to understand the concept of the 5 Ps of Sustainability Development as proposed by United Nations.

India Winter Program provides a platform for the students to get insight into the critical issues /challenges/perspectives in the area of Sustainability in India.
