

Biotechnology Industry Research Assistance Council (BIRAC) is a not-for-profit, Section 8, Schedule B, Public Sector Enterprise, set up by Department of Biotechnology (DBT), Government of India as an Interface Agency to strengthen and empower the emerging Biotech enterprise to undertake strategic research and innovation, addressing nationally relevant product development needs.

BIRAC implements its mandate through it providing access to risk capital, technology transfer, IP management and mentorship.

Centre for Cellular and Molecular Platforms – C-CAMP (www.ccamp.res.in), a Department of Biotechnology, Government of India initiative, is considered one of the most exciting centres for technology-based innovation in India in the field of life sciences.

C-CAMP was established with the aim of enabling cutting-edge bio-science research and entrepreneurship, by: i) developing and making available state-of-the-art technology platforms and providing training on these technology platforms to academia and industry and ii) building a thriving ecosystem to stimulate innovation and promote bio-tech entrepreneurship in India.
