A.

Sl.No.	Name of the Programme	Intake	Admitted	Male	Female
1	BCom	3569	430	201	226
2	BCom (Honours)	3717	289	192	95
3	MCom	445	116	33	79
4	MPhil		14	7	7
5	PhD		3	0	3

B. New Programmes offered by the Department in the academic year: UG, PG, MPhil, PhD, PG Diploma, Diploma, Certificate/Open electives

Sl.No.	Name of the Programme
1	Microsoft Excel certification for UG students in collaboration with Financial Training Institute.

3. Curriculum:

A Curricular Innovations

Sl.No.	Name of the Programmes	Curricular innovations

B. Pedagogic (Teaching Methods) innovations

Sl.No.	Name of the Programmes	Pedagogic innovations
1	BCom	<p>Subject: Marketing management Class : 3rd sem Bcom D section</p> <p>Objective : The intention was to make students aware about the importance of all the 'P' s and various strategies used by different companies at different times. Since all students were very keen about cars, the assignment revolved around Automobile industry. They had to conduct an "Auto show' for all the University students. which was not just an exhibition but also a detailed presentation followed by a quiz. They did thorough research on the automobile industry and finally presented few select companies. This event was on stage in Block 4 Audi and was called as 'Ignition 3D'</p> <p>Result and Learning - Students who were initially very apprehensive to go on stage and speak slowly came up. They were able to answer to all questions by the audience. They got challenged on marketing domain</p>

		knowledge. They learnt to organize an event, research well and conduct quiz competitions.

Total Number of Dissertation	Total Number of projects
MPHIL – 03	MCOM – 132 BCOM (H) – 220

16. Learner-centric initiatives; Student development and support services;]
Learning is made student centric through Innovative CIA's.

1. E-commerce website creation
2. Financial Management CIA 1 through Excel
3. Case study evaluation method at M.com Level for international Business.
4. Entrepreneurship development B plan
5. Paper by research
6. Panel discussion by 5th semester students on GST organized by Ms. Valarmathi B and Mr. Naveen kumara
7. Current affairs sessions by PG students for UG students

The Faculty Learning Circle discussions and continuous encouragement during department meetings to adopt Learner –Centric methods in teaching-learning to enhance student engagement. Motivated faculty members used various new pedagogies were introduced and creative CIAs were administered. These new approaches were captured and documented as best practices for future use in the learning circle log and in a Google spread sheet accessible by all. Exhibitions, Blogs, Videos, Interviews, in-depth research and presentations were commonly used as CIA components. Teachers gave liberty to students to present a particular topic the way they preferred and designed the rubrics for objective grading.

SL. No	DESCRIPTION OF THE ACTIVITY	LEARNING OUTCOMES AND EXPERIENCE	SUBJECT
1	Collecting Information on Service Tax and VAT charged by restaurants and checking whether the goods, water etc served are sold at MRP	Understanding the practical implications of Tax Laws	Taxation
2	Company Analysis & Industry analysis- The group selects an industry and identifies six major firms in that industry. The group combines the ratios of all firms for inter-firm comparison and industry analysis	Develop in students a critical appreciation of the performance of companies by applying the tools and techniques for their evaluation.	Management Accounting & Financial Analysis

SL. No	DESCRIPTION OF THE ACTIVITY	LEARNING OUTCOMES AND EXPERIENCE	SUBJECT
3	The students of final year found the subject of vendor financing to be very interesting especially since some of them had interned with credit analysis departments of financial institutions. They came up with an idea of creating a model in an excel sheet which can be used to take decisions on whether to give credit to a customer or not. In groups using the tools and directions provided by the faculty , they successfully designed the model	They found the exercise to be very challenging as they had to themselves arrive at a formula using their requirements. Many were using functions in excel for the first time.	Management of Financial Services
4	E-Filing of IT Returns- Students were asked to file IT returns after calculating the total income and tax liability of their parents/family members / friends.	The students gained knowledge in computation of tax liability of individuals and also how to file IT returns	Taxation Laws
5	Web site Designing- students were asked to design a website for an online retail business.	Students practically learnt to make attractive websites for their business	E-commerce
6	Interviewing entrepreneurs and make a video presentation on their business failures and success	The students got an opportunity to meet small entrepreneurs and learn about their business strategies,	Strategic Financial Management
7	To shoot a video on court cases in Business Laws and Insurance and upload in YouTube/Facebook.	A lot of research went into while selecting the correct type of cases also they understood the difference between what is written in the text books and what happens in the real world	Business Laws and Insurance

SL. No	DESCRIPTION OF THE ACTIVITY	LEARNING OUTCOMES AND EXPERIENCE	SUBJECT
8	Interpreting Application of Accounting Standards in Annual Reports- Group explains the Accounting Standard in detail and then illustrates how it has been applied by companies in annual reports.	Clear understanding of the concept of the AS and knowledge of its practical application in company financial statements.	Financial Accounting
9	Exhibition show casing various models pertaining to cost reduction through natural renewable resources.	Practical knowledge and creating the awareness of cost reduction through natural renewable resources	Cost Accounting
10	Crossword puzzles testing knowledge of basic concepts and terms	Conceptual clarity	E-Commerce, Banking, Investment Management.
11	Model and Poster Making related to Effective Means of Business Communication	Better understanding of the effective means of the communication clarity of the theoretical concepts learnt in the classroom session.	Business Communication
12	Blog Creation- Students were asked to develop a blog of E-Commerce for their class and each student was required to update the blog putting new features, adding videos, audios, articles related to e-commerce and based on the blog post made by each student grading was done.	Updated on the happenings in the world of E-commerce and made them aware about making their own blog. Also, this activity made them to write small articles on topics of interest related to the subject.	E-Commerce
13	Preparation on Final Accounts from annual reports of different companies and redrafting as per Revised Schedule VI	Students learned the format of final accounts as per Revised Schedule VI	Corporate Accounting

17. Special coaching for weaker students (no. of hours and no. of students availed the facility);

29. Research and Publications

- a) Books/Monographs
- b) Chapters/Articles in books, Cases /Notes /Working papers,

- c) Blogs
- d) Master's theses awarded
- e) Journal editor, reviewer

30. Any other information the department wishes to share

CISI Centre of Excellence Accreditation to Christ University

It was another momentous achievement for Christ University, when the University was officially accredited as 'CISI Centre of Excellence' on 23, November 2016. Mr. Kevin Moore, Director Global Business Development, from CISI London Head Office was present on the occasion. Mr. Moore in his speech announced that, Christ University is the first University outside the UK, which has been, conferred the status of Centre of Excellence by the international body. The CISI (Chartered Institute for Securities & Investment) is the leading professional body for securities, investment, wealth and financial planning professionals in the UK and in a growing number of financial centers globally. This program is accredited by the FSA in the United Kingdom and is linked with regulators worldwide. Investment Operations Certificate (IOC) and Wealth Management certifications of the CISI are offered to students of the Department of Commerce at Christ University.

This accreditation recognizes the excellence of the organization in the provision of higher education in the fields of financial services. The status is awarded to Christ University following three consecutive years of excellent performance, where the average annual pass mark achieved by the students meet the comparable average annual pass marks gained by the industry over the same period of time. The award was presented to the Vice Chancellor of Christ University, Dr (Fr) Thomas C Mathew by the CISI Global Director. The CISI Country Head (India) Mr Ganesh Iyer and AVP Mr. Jaseent Bindra were also present for the award ceremony.

The Vice Chancellor, in his speech, appreciated the commerce students for consistently bench marking the standards set by the international body and inspired them to continue with the similar rigour in future as well.
