Activity Report

Focus Area: Institutional Values & Social Responsibility

Initiative: Gender Equity Promotion

Goal: One annual programme towards fulfilling social responsibility.

Name of the Program: “Awareness Program on Usage of Mobile Technology “

Date: 19/02/19

Time: 04-5:30 PM

Venue: BSC Lab First Floor Block II.

Target Audience: Support staff of CHRIST.

Volunteers: UG and PG students of department of Computer Science

On 19th February 2019 a hands-on session entitled “**Awareness Program on the Usage of Mobile Technology**” for the support staff of CHRIST was organised by the department of Computer Science, CHRIST (Deemed to be University) from 4 PM to 5:30 PM. Thirteen support staff (ladies) from block II and block III with Kannada, Malayalam and Tamil as their mother tongue assembled at BSC lab sharp at 4PM to participate in the programme. To address and teach the diverse linguistic group twenty eight student volunteers from UG and PG department of Computer Science rendered their active co-operation and support to carry out the session. The session was focused to teach the ladies the usage of mobile technology. The hands-on session covered various applications of mobile usage in day to day life. The topics covered in the session were saving contacts, sending SMS, calling emergency numbers and SOS when in need, using Whatsapp, browsing using Google text and voice service, making payment using ATM through mobile etc. The audience found the session interesting, informative and interactive. The feedback was collected immediately and it was found that the audience requested for another session to gain more knowledge.
