## Department Alumni Meet 2022

Department Name: **Computer Science and Engineering**

Alumni Faculty Coordinator: **Dr Boppuru Rudra Prathap**

Date : **26<sup>th</sup> January 2022( Wednesday)**

Time : **3:00 Pm to 4:30 Pm**

No of alumni attended: **60**

### BRIEF DESCRIPTION OF THE MEETING:

The Annual Alumni Meet(Departmental) was held on 26th January 2022 from 3pm onwards, virtually through the Webex platform. The meeting was graced by the presence of all the CSE faculty members and alumni association members of various batches starting from 2012 to 2021 as participants. The meeting was chaired by HoD, CSE, Dr Balachandran K. A welcome Address was given by Dr. Boppuru Rudra Prathap. A briefing on Latest developments in Computer Science and Engineering Department, School of Engineering and Technology was given by HoD of CSE, Dr. Balachandran K. Department Association (ASCI) events briefing was given by Dr. Naveen J. Letter of Recommendation (LOR) for Alumni is briefed by Dr. Pradeep Kumar. Alumni interaction started immediately after this. A few Alumni have shared their experiences: Ms Riana Anto(2013-M.Tech-CSE) has communicated information related to her personal and professional life .She has worked in CHRIST as a faculty for a short duration. Mr Nishad Menezes (2015 BTech-CSE) is an entrepreneur and received an award as a start-up. He had shared his sincere gratitude towards CHRIST and Department of CSE. Mr Jovi(2014-MTech-CSE) shared his experience as a postgraduate student in CSE Department. Mr. Divyandu Mishra(2018-B.Tech-CSE) Shared his sincere gratitude towards CHRIST and Department of CSE. Mr Satyawant Kumar(2021 B.Tech-CSE) communicated his experience as student life in CSE Department. Vote of thanks was proposed by Dr. Mausumi Goswami No matter what language we speak, a kind and smiling “Thank You” always speaks to everyone’s heart. It was conveyed that the participants and organizers were all inspired by the great words shared during the alumni meeting. This was followed by photo session conducted by Dr. Boppuru Rudra Prathap.

**ANNUAL ALUMNI DAY**  
JANUARY 2022

**EVENT OVERVIEW**  
Department of Computer Science and Engineering presents Virtual Alumni meet 2022 due to pandemic. It will be an another opportunity to reunite about the old times and find out more about what is currently happening at CHRIST University as well as the School of Engineering and Technology. The Virtual Alumni meet will provide you with the chance to catch up with ex-classmates, teachers, and many more old members.

**ABOUT CSE – CHRIST (Deemed to be University) – SOET**  
The Department offers programs like Bachelor of Technology, Master of Technology and Doctor of Philosophy in the area of Computer Science Engineering and Information Technology. The department boasts a rich knowledge pool of faculty who are well-versed in various fields like Artificial Intelligence, Machine Learning, Cryptography, Data Mining, Big Data, Digital Image Processing, Cloud Computing, etc. The department also has a wide variety of options in the above domain like: Machine learning lab, C++/C++/MATLAB lab etc. The Department is constantly in pursuit of research and development. To ensure that students are up-to-date with trends and changes, the department periodically conducts workshops on the latest technology like Internet of Things, Cloud computing and Machine learning for the students. The main goal is to provide students for a career in industry or research in universities. The Department of Computer Science and Engineering, CHRIST, is a center of excellence providing comprehensive technical knowledge and inspiring students' innovations and research.

**Key Features of our department in terms of number of faculty and students:**  
 • Best-in-class infrastructure and faculty profiles.  
 • Curriculum designed to facilitate students to pursue higher education in India and abroad.  
 • Industry projects and internships with leading companies like GOOGLE, REDHAT and ORACLE Academy.  
 • Industrial tie-ups for internships and projects with topmost Brand, Code Terra AT, Inspira Centre For Digital Innovation (former Indian Science and Technology) ICC.

**VISION:**  
To Foster Ethical Computational Excellence

**MISSION:**  
 • Impart core and contemporary knowledge in the areas of Computation and Information Technology.  
 • Promotes the culture of research and facilitates higher studies.  
 • Acquaints the students with the latest industrial practices, team building and entrepreneurship.  
 • Encourages the students to serve for environmental, social & ethical needs of society through lifelong learning.

**PROGRAMS OFFERED:**

Undergraduate	Postgraduate	Doctoral (PhD)
B.Tech (CSE - General Engineering and Machine Learning)	Master of Technology (M.Tech) in Computer Engineering	Doctor of Philosophy (PhD) in Computer Science
B.Tech (CSE - Data Science)	Master of Technology (M.Tech) in Computer Science	Doctor of Philosophy (PhD) in Computer Science and Engineering
B.Tech (CSE - AI)	Master of Technology (M.Tech) in Artificial Intelligence	Doctor of Philosophy (PhD) in Information Technology
B.Tech (Computer Science and Engineering - Machine Learning)	Master of Technology (M.Tech) in Research Methodology (PhD)	

**EVENT NAME:** Annual Alumni Meet  
**EVENT DATE:** 26th January, 2022  
**EVENT TIME:** 2:00PM onwards  
**MODE OF EVENT:** Online GSCSO Webex Platform

**Agenda (Deputy Session)**

2:00 – 2:05	Welcome Address
2:05 – 2:15	Briefing on latest developments in SOET. Interaction with faculty members. (Dr Inez Jack, Dean) and Director (Dr Benny Thomas)
2:15 – 2:25	Announcement of Office Bearers
2:25 – 2:45	Vote of Thanks and Photo Session.

**Agenda (Departmental)**

3:00 – 3:05	Welcome Address (Dr B R Prathap)
