

## **Department of Management Studies**

**September 05, 2019**

“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.” We celebrate Teachers’ day every year throughout the country on 5th September. Students express their gratitude and appreciation for their teachers on this day. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher and one of the most well-known diplomats, scholar, president of India and above all a teacher.

As a tribute to this great teacher, his birthday has been observed as teachers' day. For this Teacher’s day, on behalf of the students of the Department of Management Studies, the Student Council organized a lunch for the teachers on September 5. Keeping with the University’s efforts towards reducing the use of paper and plastic, we gave the teachers Vanilla Cheesecakes as an invitation present. These cakes were baked by an alumna of our department and ex-council member. Lunch was served in Ivy Hall, Audi Block between 1:00-2:00.

To show the gratitude they felt towards the teachers, the members of council who were present there served some of the dishes themselves to the teachers. In addition to the lunch, we also presented the teachers with a small gift. The teachers were presented with a small mason jar that has a packet of seeds, a chocolate and a personalized message. The idea behind giving the teachers seeds was that teachers help us, small seeds, grow to become mighty trees by nurturing us with education and wisdom.

We hope that the plants that will grow from these seeds will help them remember us forever.
