The event started with the invocation song sung by Ms. Beulah S William, the final year B.Sc (EMS) student. The welcome speech was given by Dr. Sangeetha Shathish, followed by an inspiring speech by Dr. T V Joseph where he addressed the gathering and was happy to see all his students excelled in their lives and leading a successful future and he said, "I expect more alumni students to attend this meet and encourage all the budding juniors to be inspired by the outcome of the course that they are pursuing. I am happy to see all the alumni who have sacrificed their time and have flown from different cities to attend this meet." After that a short video filled with nostalgic memories was played which took them back to those days when they were in Christ.

Later, there were games conducted by Ms. Prerna and her team (second year EMS students), for the alumni. The games were to guess the country by their shapes, to guess the country that found the particular food items that we have in our day today life, dumb sharads and so on. The students were very glad and happy with the games conducted and appreciated the third year and the second year students for the event that had been organized successfully. After the games there was a session for the alumni to give their experiences at Christite and we heard students

from the 2013 batch to the previous batch. The vote of thanks was given by the alumni president Nishtha Chhabra.

After the program the students sang the Christ anthem, which brought tears to many as they missed their life at Christ. Though they are not present at Christ now, “Once a Christite always a Christite.” The meet was a successful event with many students expressing their views regarding organizing similar meets in future. The event also encouraged and motivated the alumni to keep their Christite spirit alive.
