

**Gratitude Day 2022**  
**CHRIST (Deemed to be University), Kengeri Campus**

*“It is not joy that makes us grateful. It is gratitude that makes us joyful.”*

Gratitude Day is an initiative by the Student Council that celebrates the non-teaching staff, housekeeping staff, gardeners, and security staff for their immense contribution everyday. These people are an integral cog in the proper functioning of the University, and without them, the college would not be the same. This year, Gratitude Day at Kengeri campus was organized on May 4, 2022 and saw the coming together of all the student council members and the staff for a day of interaction and fun.

The day began with the activities planned for all the lovely ladies of the housekeeping staff who were made to play games such as musical chairs, and hopscotch. The students had set up stalls for refreshments and face painting, which was a huge success too. Moreover, at the end of the games, winners were given chocolates as prizes. The housekeeping staff thoroughly enjoyed the two hours of activities planned for them and not only interacted with glee but also danced and sang with us, enjoying themselves.

After lunch hour, the security staff, gardeners and non-teaching staff joined us for an enthusiastic interaction involving games such as dodgeball, football, and kabaddi. The staff loved the games and played them with complete enthusiasm. They were also provided with prizes and refreshments and their happiness about the interaction and activities was clearly reflected on their faces.

At 3.30 pm, all the classes came together in the Open Auditorium for the official conclusion of Gratitude Day. Anushka Nayak was the emcee for the day and she welcomed all the dignitaries and the students on campus. Three selected SSCs gave speeches expressing our heartfelt gratitude in Hindi, Kannada and Tamil languages. Then campus director Fr. Benny was welcomed on stage for his address during which he also introduced the newly selected University Student Council Representatives to the students and the faculty present.

The day came to a conclusion by giving all the non-teaching staff, housekeeping staff, gardeners, and security staff their gifts which were bought with the gracious contribution of all the students.
