

Guest Lecture (for Mcom Students)

Ethics in the era of Industry 4.0

Date: **13:11:2018** (Tuesday)

Venue: **Campus View**

This session was engaged by **Dr. Charles Savage** (President, Knowledge Era Enterprises, International, Munich Germany).

The discussion began with a question and answer session, where questions like ‘what is the purpose of life’, ‘Will kids be still kids or as technology overtakes kids will turn to start thinking like adults, were asked. The gathered audience showcased an active participation as the mode of engagement was that of a conversation. Further, sir introduced many new terms and concepts like VUCA and Industry 4.0, its challenges and opportunities and also highlighted the importance of research during the discussions.

One topic which grabbed eyeball and all our attention in the session was the meaning of the symbol ‘OM’. The cross connections of Indian philosophy (Especially Bhagvatgita) and its contextual relevance in the era of Industry 4.0 was well illustrated with suitable examples and points of discussion.
