

FACULTY OF ENGINEERING

DEPARTMENT OF MECHANICAL ENGINEERING

REPORT ON GUEST LECTURE

Date: 30/01/2017

Venue: 5th Block, 4th Floor, Seminar Hall

Time: 2:00pm to 3:00pm

Attended by: 6th Semester (Section B & C)

Guest Name: 1. **Mohan S Iyer,**

General Manager
Christiani Sharpline
Technical Training Pvt. Ltd
Phone No. : 09769665333
Email: mohan@sharplinegroup.com

2. **D.N. Vasuki**

CEO – 4i Pprojects
Christiani Sharpline
Technical Training Pvt. Ltd
Phone No. : 09379949540
Email: vasuki@sharplinegroup.com

Introduction of guest by: Prof. Theja Raju

Topic: Mechatronics ~ “Gateway to a Better Future”

Dr. V K Singh gave a broad overview of mechatronics, types, different constituents and its importance in future engineering. He elaborated on the different application, different training program given by their company and the benefits the students will get while undergoing the training.

Dr. Deepak Sharma spoke about how the society has changed so fast in the context of technology. He also spoke about providing the training on PLC, CNC Programming and other training provided by their company and he is looking forward for collaborating with our University and provide training to our students.

Remarks by Guest

Excellent appraisal from students and faculties.
