**DEPARTMENT OF MECHANICAL AND AUTOMOBILE ENGINEERING**

**REPORT ON**

**Guest Lecture by  
Mr. Nikhil Chacko  
on the topic**

**ENTREPRENEURSHIP**

**Date: 6<sup>th</sup> September, 2017**

**Venue: Christ University Faculty of Engineering, Kengeri Campus**

**Time: 12.00 Noon -1.00 p.m.**

**Audience- Students of Mechanical and Automobile ( Final year & Prefinal year)**

Professor Reghu gave welcome speech and gave brief introduction of guest Mr. Nikhil Chacko.

Mr. Nikhil Chacko, who had the vast experience of working in different industries as a Mechanical Engineer and also becoming an entrepreneur challenging many odds, shared his experience in the field of entrepreneurship.

He explained the do and don't , whenever anyone go for a start up and the challenges and frustrations anyone can face at some point of time.

He stressed the importance of taking a partner for the start up and the qualities required for a good partner for the start up to be successful.

Students eagerly attended the talk and the session was very interactive with many questions from the students.

A few photographs of the session is given below
