

<b>MSc Botany</b>	
Subjects	Marks (each question carries 2 marks)
Biodiversity of Plants (Algae to Gymnosperms) and Microbiology	20
Plant Taxonomy and systematics	20
Cell Biology and Genetics	20
Molecular Biology	10
Plant Physiology and Metabolism	20
Plant Embryology and Anatomy	20
Environment Science	20
Total Marks	120
Total number of questions	60
Time	60 minutes

<b>MSc Zoology</b>	
Subjects	Marks (each question carries 2 marks)
Biodiversity of Animals and Microbiology	20
Immunology	20
Cell Biology and Genetics	20
Molecular Biology	10
Animal Physiology and Metabolism	20
Developmental biology and Anatomy of Vertebrates	20
Environment Science	20
Total Marks	120
Total number of questions	60
Time	60 minutes

<b>MSc Biotechnology</b>	
Subjects	Marks (each question carries 2 marks)
Microbiology	20
Immunology	20
Cell Biology and Genetics	20
Molecular Biology	10
Genetic Engineering	20
Biochemistry and Physiology (Plant and Animal)	20
Environment Science	20
Total Marks	120
Total number of questions	60
Time	60 minutes

<b>MSc Forensic Science</b>	
Subjects	Marks (each question carries 2 marks)
Basic concepts of Science (Physics/Biology (Botany/zoology)/Chemistry)	40
Biochemistry	20
Current affairs	20
reasoning	20
Environment Science	20
Total Marks	120
Total number of questions	60
Time	60 minutes
