**PLEASE FOLLOW THE GIVEN GUIDELINES/INSTRUCTIONS/CODE of CONDUCT CAREFULLY**

1. A working Mic and webcam enabled Computer/Laptop with a good, stable internet connection and power backup is mandatory for taking up the online test.
2. Artificial Intelligence proctoring is enabled. The test will be automatically locked if there is a breach of threshold in the code of conduct by the test taker. The software is capable of tracking eye movement and navigating between the test window and any other application running on the computer. The test portal will capture both the Audio and Video of the test. Additionally, human proctoring may also be there from time to time.
3. There may be time alerts through the software, however, it is the responsibility of the student to manage the time.
4. You must join the test at least 30 mins before the scheduled time to avoid delays due to technical glitches.
5. Impersonation/presence of another person other than the applicant will be treated as malpractice.
6. Copy of the Admit card issued by the University and Photo ID issued by the State or Central Government should be produced for verification at any point during the test.
7. Presence or using the following items (a) Subject Text Books (b) Study Notes or any other written sheets (c) Formula Sheets (iv) Scientific Calculator and/or such other gadgets during the test is strictly prohibited.
8. You must sit in front of the webcam connected to/of your computer/laptop in such a way that Proctor should be able to see you clearly and observe your entire activity.
9. You should start attempting the first question within 20 minutes of the scheduled start time of the test.
10. Ensure to close all other software/applications/windows before the start of the exam.
11. Do not use headphones, earbuds, or any other type of listening equipment during the exam.
12. Each question carries 1 mark for the right answer and a negative mark of 0.25 for the wrong answer. No marks are awarded or deducted for unattempted questions.
13. Any violation from the above-mentioned guidelines/instructions/code of conduct will be marked as "Unsatisfactory" by the system or the human proctor, which will result in termination of the test and will be, treated as malpractice/misconduct.
14. **Entrance test duration: 90 Minutes except if otherwise specified.**
15. **Entrance Test timing will be specified in the admit card issued 2 to 3 days prior to the scheduled selection process date.**
