

# DEPARTMENT OF ECONOMICS

## PLACEMENTS AND CAREER GUIDANCE

### Policy Statement

The Placement and Career Guidance Cell of the Department of Economics is symbolic of two significant motives:

Firstly, it reflects the readiness of the student body to face the real challenges that await them from the outside world. Having acquired the required skills from the department, the students exude enormous confidence with which they are bound to make a difference to their own lives and to the society they are part of.

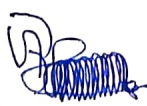

Secondly, the Placement Cell signifies the commitment of the department to enable the student body to move from one stage to another. It is a facilitation process, an enabling mechanism wherein the learning's of the students are proudly announced to the outside world for it to choose or select from the best.

### Objectives

1. To enhance employability of the students by imparting necessary skills in them.
2. To strive to place the students in reputed organizations (MNCs, Government Organizations, Research Institutions, NGOs and the private sector) depending on their areas of interest.
3. To act as an interface between the industry and the students, and enable the students to select from their career options.
4. To achieve 100% placements for all the students.

### Placement Process

- Student Registration
- Meetings with student Placement Representatives to plan for campus drives & understand student needs & expectations
- Invitation to organizations to conduct campus placement process
- Update organizations on profiles of students including academic performance, skill sets etc.
- Information to students on profile of visiting organizations, job profile, designation offered, compensation offered etc.
- Arrangements for smooth facilitation of campus recruitment drives.
- Pre-Placement presentation / talk to students by organizations.
- Recruitment process consisting of written test, group discussion & interviews
- Announcement of selected list / issue of offer letters
- Follow up on date of joining
