

Department of Chemistry

Policy for Slow and Advanced Learners

1. Identification of slow/advanced learners through MCQ test for I year and result analysis for subsequent years
2. Remedial sessions will be conducted for slow learners
3. Bridge courses are conducted
4. Study circles- Conduct group discussions
5. Guidance through mentor-mentee scheme
6. Remedial class register is maintained in the department.
7. High level questions - Questions that draw on advanced levels of information, require leaps of understanding and challenge thinking that are presented to the advanced learners
8. Dissertation for Advanced learners
9. Design assignments or projects that go above and beyond what is covered in the regular classroom.
