

REPORT- SEQUENCE 2017

Sequence 2017, intra-collegiate Mathematics Fest held on 9th January 2017 in main auditorium, Christ University, Bangalore. It was an effort by the students of BSc (CMS /CME /PCM/PME/EMS) from the Department of Mathematics to help students explore mathematics outside their classrooms in an interactive and entertaining way.

The Sequence committee was set up two months in advance. It consisted of two faculty coordinators, Dr. Sangeetha George K and Dr. Sangeetha Shathish and the student body included Shamama as student coordinator, Varsha, Neeraj, Vismitha, Harshita, Shelly, Ajith, Hezil, Sharanya, Shaurya as event heads.

Pot Pouri, JAM, Event X, Mathematical Relay, Puzzles were the main events and Kakuro and Chit In A Bowl were conducted as audience events. The prelims were conducted during the second week of December. The finals of Mathematical Relay and Puzzles were conducted before Sequence. On the final day the events started with JAM finals in the main auditorium followed by Pot Pouri and Event X. JAM Master for the day was Brian Tom of BCom (Honours) and The judges for Event X were Dr. Tabitha Rajshekar and Dr. HariBhaskar. During these events audience were simultaneously indulged with Kakuro and Chit in a Bowl.

The day was wound up with a few cultural performances by students of PCM and PME followed by the valedictory function which was graced by the presence of Dr T V Joseph , Head, Department of Mathematics. The blog- “Ganithkala” was also launched by the chief guest which is dedicated to the students of Christ University to bridge the gap between programming and mathematics. The overall Winners for Sequence 2017 was CMS and the runners up was EMS.
