The workshops were conducted from 3 October 2018- 5 October 2018, and 11 October 2018- 12 October 2018.

The focus of the workshops is to familiarize the faculty with the notions of constructive alignment and outcome based education and its implementation on teaching, learning, and assessment. The expected outcomes of the workshop were:

By the end of this workshop the participants will be able to:

- Demonstrate their understanding of constructive alignment
- Apply it to effectively align their course with the program outcomes and graduate attributes
- Develop a course plan which will align the following:
 - Course learning outcomes
 - Teaching learning activities
 - Assessment

The sessions were hands-on, providing faculty the opportunity to work with the concept of constructive alignment in their own course plans. Faculty were also encouraged to review the learning outcomes of their courses and align the outcomes with pedagogy and assessment.
