

School of Business Sciences and Social Sciences Student Council Members

July 17, 2019

The informal orientation session for Deanery Student Council members conducted on 17th July, 2019 in Bannerghatta Road Campus of Christ (deemed to be university) presented a great opportunity to the newly selected council members to get to know each other as well as to bond with the continuing members. Conducted by Mr. Jibrael Jos, an Associate Professor from the Hosur Road Campus, this interactive and fun session was the perfect catalyst to bring the council members together.

The event started at 11.30 am (after an introductory address by University Student Council member Alan Joseph John) in the morning and went on till 1.20 pm in the afternoon. The venue of the event was the spacious seminar hall in the first floor. The activities involved 'rapid fire questions', group discussions, singing, dancing and team-building exercises. A big empty space was created in the middle of the hall for the activities to take place.

The activities were not only aimed at strengthening the bond between the students and promoting teamwork but also at creating awareness about the cultural diversity in the campus. Jibrael sir called them sociometric experiments that encourage the students to go beyond regional boundaries, religion, caste and class. The event was concluded with delectable vegetarian lunch for all the student council members. Some memorable moments from the session as captured by USC member Abhishek is shared below:
