

**SEQUENCE 2019**  
*Event Report*  
**DEPARTMENT OF MATHEMATICS**

Sequence, the intra-class mathematics fest held with the aim of bringing out and nurturing the multiple extracurricular abilities of students, was organised by the Department of Mathematics under the guidance and support of the Head of Department, Dr T V Joseph and our relentless and hardworking Faculty Coordinator, Dr Sangeetha Shathish.

The fest took place on 19<sup>th</sup> February 2019, a calm Tuesday which soon turned into a fun rollercoaster of events. Every year Sequence has been enduring constant growth in various fields in order to keep it fresh and relevant. This year, points for the competitions held on National Mathematics Day to mark the birth anniversary of Srinivasa Ramanujan, a great Mathematician, on 22 December 2018 and the Intra Departmental Kho – Kho Tournament for Boys and Girls held in the month of December were also incorporated. The Department has always inculcated in the students, that to develop holistically, not only is it important to do well in academics, but also in extra-curricular and sport activities.

The motive of Sequence has always been to provide a platform for the young math enthusiasts, to exhibit their skills in a creative way, while promoting team spirit. With effect from this year, the Department of Mathematics has decided to acknowledge and appreciate students, who have been achievers by leaving a unique mark. The Sequence team sifted through the applicants and have identified two students: Varun Lakhwani from 6EMS and Thomas Biju from 6PCM.

Preparation for the big day had started well in advance in the month of December where the Student Coordinators, Mayuri Salecha and Ruchika Lalla after immense profiling decided upon the Core Committee Members for the following Delegation of Work:

Committee	Head
<b>Volunteering</b>	Yiyasu Paudel Utkarsh Chaudhary
<b>Hospitality and Scoring</b>	Karmishtha Deewan
<b>Media and Design</b>	Swarnava Ghosh Anushka Gupta
<b>Budgeting</b>	Tripti Agarwal Mahadevappa Hakkapakki
<b>Cultural Extravaganza</b>	Garima Sethia

Various event ideas along with a few classics were reviewed upon to form a list of ten challenging and fun events for the fest. After reading the numerous responses regarding event plans from the students, the selected worthy event coordinators were:

Events	Event Heads
<b>Pot - Pourri</b>	Sritama Roy
	Priyal Mundhra
<b>Minute to Win It</b>	Pooja Kumari
	K H Hasnain Mudassir
<b>JAM/HAM</b>	Varun Agarwal
	Surya Shivaprasad
<b>Flash</b>	Parth Takkar
	Yash Raj
<b>Math Wars</b>	Likith Raj
	Shruti Uniyal
	N S Ashok Kumar
<b>Mathematical Relay</b>	Thejus Srikumar
	Meghna Nair
	Anushka Gupta
<b>Treasure Hunt</b>	Sameeksha Gupta
	Jhansi K L
<b>Virtual Treasure Hunt</b>	Soundarya R
	K Hari
<b>Puzzles and Crosswords</b>	Likhitha Kosanam
	Cheedella Srivatsha
<b>Event X</b>	Kshitij Kar
	Rafael O

Due to time constraints, most of the events were held beforehand but with no compromise on the quality or involvement. Preliminary rounds were held for all the events to cut down to the finest contenders and several enthusiastic participants competed in the various events which truly made this a competitive platform.

*Participants of Treasure Hunt running towards their prize*

On the final day, there was an informal Introductory Speech by Ruchika Lalla followed by the commencement of the last three events.

*JAM*, held by our experienced Jam Master Varun, and Co – Head Surya, did a great job entertaining the audience with multiple fun and challenging twists to the crowd favourite event and kept everyone highly engaged.

*Jam Finals*

*Event X* and *Math Wars* (Quiz) were the following two stage events of the day which brought out the competitive aura in classes and inculcated team spirit among the participants. There were many fun fillers to keep the audience at their toes and help contribute to the overall trophy.

*Competitions held for the Audience*

We had a great bunch of volunteers without whose involvement, punctuality, dedication and support this event would not run half as smoothly and efficiently.

*Volunteers on beck and call*

The formal Valedictory ceremony commemorating all the winners of the various fields was held shortly after. The Welcome Address was given by Mayuri Salecha, followed by an inspiring and informative address to the gathering by the Chief Guest, Dr T V Joseph.

*Chief Guest Addressing the Gathering*

Bhairavi and Prithul took over from Andrea (the emcee) and conducted the Prize Distribution ceremony where the winners were awarded certificates and congratulated by the Chief Guest.

The overall winning trophy was bagged by *EMS (Economics, Mathematics and Statistics)* with a wide margin of points and the runners up trophy was given to *CMS (Computer Science, Mathematics and Statistics)*.

Dr Sangeetha Shathish delivered a memorable Vote of Thanks, humbly acknowledging the efforts of every individual involved in making this event a grand success and not to mention, her tireless contributions to speculate and perfect every little detail.

A cultural extravaganza was put up by the various students of the Mathematics Department which added to the merriment and joy of the festivities.

*Cultural Extravaganza*

Concluding, all the efforts and hard work put into conducting the annual Intra-Mathematics Departmental fest, paid off and led to fruition and uncovered to be a fun-filled, informative and competitive platform which honed various skills and intellects of the Students.
