## Service-Learning and CHRIST (Deemed to be University)

CHRIST (Deemed to be University), Bannerghatta Road Campus is a unique structure of Interdisciplinary academic pursuit.

*The focus is to enable students to branch out into the realms of different disciplines and to have a blended learning by primarily concentrating on the roots of the main discipline under study.*

*The school is organizing a two-day conference on Service-Learning: An emerging experiential learning process in India.*

*The conference aims to highlight the role of service-learning in bridging the gap between academic learning and its ability to address social issues. The conference will not only bring to fore an array of best practices in service-learning but will also act as a learning ground for those willing to explore this meaningful academic pursuit.*

CHRIST (Deemed to be University), Bannerghatta Road Campus is a unique Service-learning which combines community service with academic instruction, focusing on critical, reflective thinking and civic responsibility. Service-learning programme involves students in activities that address community-identified needs, while developing their academic skills and commitment to social responsibility practice structure of Interdisciplinary academic pursuit.

CHRIST (Deemed to be University) has institutionalized the culture of socially sensitizing the student community to enable them to become socially responsible citizens. It has involved the student community in various social development initiatives in order to sensitize them on social issues and enabling them to reflect upon their own role in addressing such issues.

Service-Learning Cell at the Bannerghatta Road Campus is an academic body of Faculty and students working together to bring about a Service-Learning culture in the teaching-learning process. Its focus lies in enhancing the basic skill sets of the students through an educational approach that combines learning objectives with community service in order to provide a pragmatic, progressive learning experience while meeting societal needs.
