Women in IT and Research (WRIT) – Activity Report

Name of the Event : Talk on "Women in Leadership"

(On the occasion of International Women's Day)

Date: 8/3/19

Time: 12:00-1.00 PM

Venue: Campus View, Central Block

Audience: 200 Female students of Department of Computer Science .

The Women in Research and IT cell (WRIT) of Department of Computer Science conducted a guest talk -" **Women in Leadership**" on the eve of International Women's Day. The speaker for the talk was by Ms. Bhuveshwari Jayaram, the Director and Principal of Presidency School (South).

The speaker emphasised that opportunities are plently and it is one's determination which would lead to success. Though there are few hinderances every woman can excel and lead by example in the domain of her choice. She also mentioned how one should look upon their mother as the first role model and embibe the leadership qualities from her. She mentioned about the '*HEforSHE'* initiative of United Nations and explained its relevance to the society now. The speaker initiated a dialogue with the audience and the response was good.
