### **NUMBER OF ATTENDEES:**

354

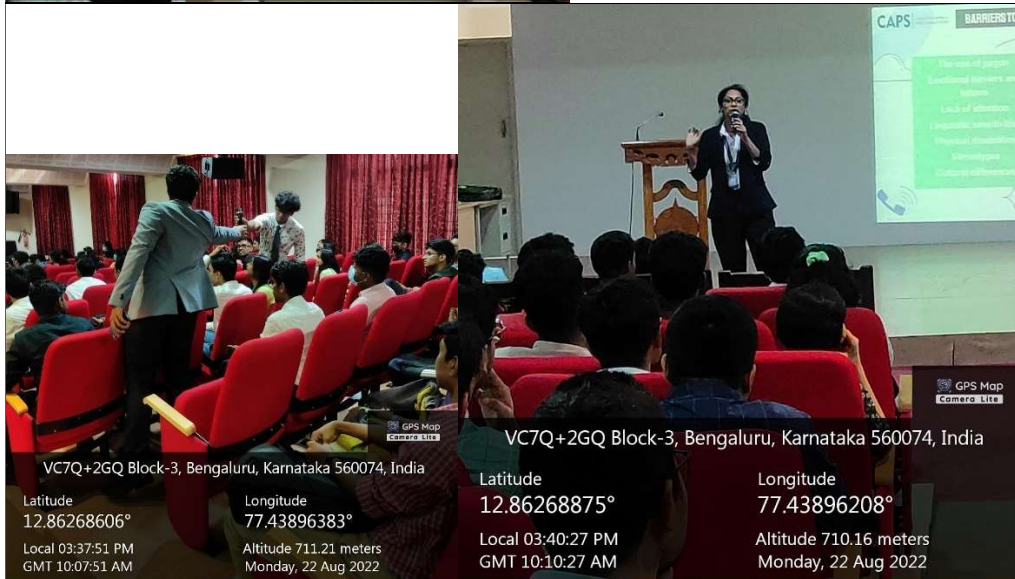

### **PROBLEMS FACED:**

The venue was decided at the last moment, which resulted in slight chaos because the initial activity was not planned in that particular setting. However, this situation was tackled properly. Other than that, things went smoothly.

### **FUTURE LEARNINGS:**

To keep more sessions like this, that are short and yet precise. With the involvement of many activities to engage the audience.

### **IMAGES OF THE EVENT:**

**FEEDBACK:**

It was an engaging session and one student appreciated the speakers for they way they interacted with the crowd.
