

AN EXCHANGE WITH LEARNING INNOVATORS PRAVARTAK creates a dynamic L&D roundtable for experience-led dialogue.

Corporate Engagement: Exchange with Learning Innovators was jointly organized by PRAVARTAK, the School of Business and Management (MBA–HR Specialization), and the Alumni Engagement Team on 20 February 2026 at the BCC Campus. The Learning & Development (L&D) roundtable brought together students, faculty members, alumni, and industry professionals to engage in meaningful discussions on the latest trends in organizational learning and talent development. The session explored innovative upskilling strategies, the growing importance of continuous learning in the workplace, and the evolving role of Human Resources in building learning-oriented organizations. Through insightful exchanges and collaborative dialogue, participants gained valuable perspectives on fostering a culture of professional growth and organizational excellence.
