

2010 FHWS Germany Alumni Reunion

On April 18, 2026, the School of Business and Management welcomed back the 2010 FHWS Germany alumni batch for a poignant homecoming celebration. Initiated by the alumni themselves and facilitated by Dr. Anna Tresa Manuel, the gathering served as a powerful testament to the enduring impact of the Christ MBA experience.

Attendees travelled from key business hubs, including Delhi, Coimbatore, and Dubai, to reconnect with their roots and share stories of professional growth, with many citing their time at the institution as a pivotal turning point in their personal and professional trajectories. During the session, the Father Director of MBA Programmes, Fr Thomas T V provided an insightful briefing on the institution's rapid advancements in research and management consulting.

This engagement fostered a productive dialogue on how alumni can actively contribute to the institution's future through endowment support, bridging the gap between past achievements and future institutional excellence.
