

Alumni Spark – Igniting the Kengeri Campus

Alumni Spark – Igniting the Kengeri Campus was organised on 17 May 2025 at the Conference Room, Block 1, Kengeri Campus, as a dedicated alumni interaction initiative aimed at strengthening connections between the institution and its graduates. The event brought together 27 alumni from batches spanning 2013 to 2024 to formally initiate the Kengeri Chapter of the MBA Alumni Association and foster meaningful engagement with faculty members.

The programme featured interactive discussions in which alumni shared their professional journeys, reflected on their experiences at CHRIST, and contributed valuable ideas for enhancing alumni involvement. Key suggestions included organising structured reunions, improving communication channels, creating networking and mentorship opportunities, establishing a repository of alumni profiles, and encouraging collaborations in internships, research, and academic projects.

The session concluded with a shared commitment to building a vibrant alumni network through the formation of a Kengeri Chapter Alumni Core Committee and the planning of future engagement activities. The initiative laid a strong foundation for sustained collaboration, knowledge sharing, mentorship, and stronger industry–academia connections that will benefit both alumni and current students.
