

UGC-NET Game Plan - AcadX

UGC-NET Game Plan was organised as a Common Event under AcadX on 26 July 2025 at the BKC Campus. The session was conducted by distinguished alumni Shiva Shankar Iyer and Nidhin Nelson, who shared strategic insights, preparation techniques, and practical guidance for successfully clearing the UGC-NET examination. Through their experience and expert advice, participants gained a better understanding of the exam pattern, effective study plans, time management strategies, and key resources for preparation. The interactive session aimed to equip aspiring candidates with the confidence and skills required to pursue academic and research careers, while also strengthening alumni engagement and supporting student skill development and learner progression.
