

Alumnus Connect: Cracking Placements & Building Careers

The HR Club organised “Alumnus Connect: Cracking Placements & Building Careers” on 23 August 2025, featuring alumnus Mr. Sumanasa Bhat, Executive HR at TCPL, as the keynote speaker. The interactive session provided students with practical insights into the placement process, career planning, resume building, interview preparation, and the diverse opportunities available in the HR domain. Through real-world examples and a mock interview exercise, participants gained valuable guidance on making informed career decisions, enhancing employability skills, and navigating the transition from academics to the professional world with confidence.
