

Strat'O'Sphere

The Strat'O'Sphere panel discussion, held on 23 September 2025 at the BCC campus, featured SBM MBA alumni who shared their professional experiences and industry insights with students. The session aimed to enhance employability and skill development by encouraging analytical thinking, practical application of management concepts, and informed decision-making. Through engaging discussions and alumni interactions, participants gained valuable perspectives on career opportunities, workplace expectations, and the competencies required to thrive in dynamic business environments, contributing to quality education and a positive organisational culture.
