UG / PG / PhD Programmes and Interdisciplinary Masters Programme

Christ University offers a wide spectrum of academic programmes, including Undergraduate (UG), Postgraduate (PG), and Doctoral (PhD) courses across diverse disciplines. In addition, the University provides Interdisciplinary Masters Programmes that integrate knowledge from multiple fields, fostering critical thinking, research skills, and holistic development. These programmes are designed to equip students with both theoretical understanding and practical expertise, preparing them for global career opportunities and advanced research.

The date opted is binding on me and that CHRIST (Deemed to be University) is not liable to offer me an alternate date in case I am not able to attend the selection process on the date.

☒ The time for the selection process is auto-generated by the system. Therefore, any request for changes will not be entertained. The selection process will be conducted on the date/s chosen while filling the application or as announced by the office of admissions (due to any special events).

Candidates failing to appear for the selection process at the stipulated date and time will be considered as "Not Selected".

The University will not be held responsible for any inadvertent error that may have crept in the online application submission/selection process admit card/publishing of results.
