CHRIST (Deemed to be University), Bengaluru, India

Celebrating Three Decades of Leadership Excellence

Since 1994

Our Esteemed Alumni • Leading Organizations Across the Globe

WELCOME

Since 1994, the MBA program at the School of Business and Management, CHRIST (Deemed to be University), has shaped management professionals who go on to lead, build, and transform organizations worldwide. For over three decades, the program has remained true to the University's motto of Excellence and Service, equipping every graduating cohort with the analytical rigor, ethical grounding, and leadership instincts that today's organizations seek.

This directory brings together a distinguished cross-section of that legacy — alumni who now hold senior leadership positions as Directors, Vice Presidents, Heads of Business, Founders, and Chiefs of Staff in some of the world's most recognized organizations, spanning consulting, banking and finance, technology, FMCG, healthcare, and beyond.

Organized chronologically by graduating batch, the pages that follow are a tribute to the journeys our alumni have taken since leaving our campus — and an invitation to every reader to connect, mentor, and build the next chapter of this legacy together.
