Summary of the activity	<p>CCA successfully organized a Flashmob as part of Menstrual Sustainability Week, aiming to spread awareness about sustainable menstrual practices and women empowerment. The event featured a high-energy dance performance that captivated the audience and initiated discussions on menstrual health and sustainability. Through engaging choreography and impactful messaging, the flashmob encouraged individuals to adopt eco-friendly menstrual products and challenge societal taboos. The enthusiastic participation and positive reception of the event highlighted its success in creating awareness and fostering a more informed and inclusive community.</p>
