

## THEME OF THE YEAR: BREAK THE PATTERN

The theme "Break the Pattern" encourages people to step beyond limitations and challenge traditional thinking. It highlights the importance of trying new ideas, breaking stereotypes, and creating new opportunities. Through this theme, INSPERIA 4.0 aims to inspire students to think differently and grow with confidence.

## INSPERIA 4.0

Inspiria 4.0 is the annual flagship event of GDG on Campus LBSITW, in association with Women Techmakers as part of the International Women's Day 2026 (IWD 2026). The event brings students together for a day filled with learning, interaction, and fresh ideas through engaging sessions and activities. Now in its fourth edition, Inspiria continues to build on the legacy of previous years.

## ABOUT GDG on CAMPUS LBSITW

GDG on Campus LBSITW is one of the most active student-led tech communities on our campus and has successfully organized numerous impactful events. With constant support from the college and faculty, the chapter fosters creativity and a culture of continuous learning on campus.

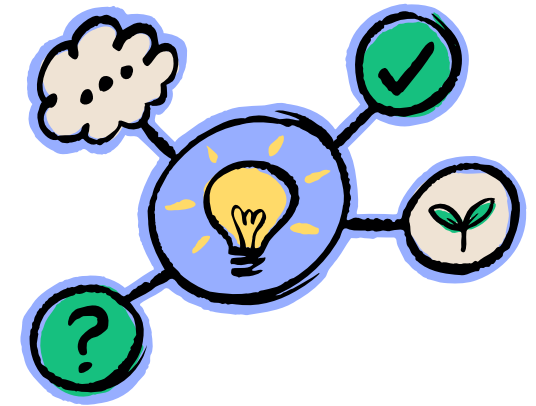

## WHY SPONSOR US ?

1. Connect with an active student tech community.
2. Sponsor title and visibility on the official GDG event platform.
3. Gain visibility by being a part of global IWD campaign.
4. Logos on all posters, certificates and banners.
5. Get featured as a key sponsor across our social media.
6. Gain visibility in a reputed institution.
7. Be part of a growing and impactful annual event.
8. Support women in technology initiatives.

## About CHRIST (Deemed to be University) Nodal Office

The CHRIST (Deemed to be University) Nodal Office is established with the objective of connecting with the academic community and society through research and social activities. To achieve this, the office carries out programs that create positive changes in academic, social, economic, cultural, and environmental areas. By bringing people and initiatives together, it provides meaningful learning experiences and opportunities for everyone.

## ABOUT GOOGLE DEVELOPER GROUPS

Google Developer Groups (GDG) is a global community supported by Google where students and developers learn and share technology. The community encourages collaboration, nurtures creativity, and promotes continuous learning in a supportive environment.

## IWD Campaign

Every year, Women Techmakers celebrates International Women's Day (IWD) through a global campaign that highlights women in technology. Each year, the campaign has a unique theme highlighting different aspects of women in tech. The campaign hosts events that inspire, educate, and connect participants, showcasing women's achievements in technology.

Inspira 4.0 is part of this global IWD movement, connecting our campus to a larger community.

## ABOUT WOMEN TECHMAKERS TECHNOVATION

Women Techmakers (WTM) is a global initiative launched by Google to support and empower women in technology. It creates spaces where women can learn, share their journeys, and grow together. Today, the Women Techmakers community continues its impact as part of Technovation, a global nonprofit supporting girls and women in technology. Through WTM, women around the world continue to learn, connect, and make their mark in technology.
