OUR *Inspiration*

CHRIST (Deemed to be University) is dedicated to Christ, the teacher par excellence. He is our supreme guru and inspiration. He is our guiding light. He is our model of Excellence and Service.

Saint Kuriakose Elias Chavara, (1805-71) the founder of the religious congregation, Carmelites of Mary Immaculate (CMI), is our source of inspiration as the seminal influence of his vision and dreams permeate through our activities today. St. Chavara, a great educationalist and social reformer of the 19th century foresaw the changes that would take place and wanted to build a society based on fatherhood of God and brotherhood of humanity.

CHRIST (Deemed to be University)

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India. He founded the first Catholic indigenous congregation, Carmelites of Mary Immaculate (CMI), in 1831, which administers CHRIST (Deemed to be University). CHRIST (Deemed to be University) was established as 'Christ College' in 1969. It undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education, and adoption of global higher education practices with the support of creative and dedicated staff."

The University Grants Commission (UGC) of India conferred Autonomy to Christ College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008, under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India declared the institution a Deemed to be University in the name and style of Christ University. One of the first institutions in India to be accredited in 1998 by the National Assessment and Accreditation Council (NAAC), Government of India, and subsequently in 2004, 2016, and 2022, CHRIST (Deemed to be University) is currently accredited with 'A+' Grade. The University is ranked among the top 100 universities in India at 60 in the NIRF India Ranking 2024 of the Ministry of Education, Government of India.

The multi-disciplinary University, which focuses on teaching, research, and service, offers Bachelor, Master, and Doctoral programmes in humanities, social sciences, sciences, commerce, management, engineering, architecture, education, and law to about 40000 students. The University offers its programmes at four campus locations in Bangalore in Karnataka, at Lavasa in Pune in Maharashtra, and Ghaziabad in Delhi NCR. The campus is a living example of harmonious multiculturalism with students from all the states and union territories and around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

MBA (CHRIST) + MBA (THWS)

The Technical University of Wuerzburg-Schweinfurt (THWS), established in 1971 with campuses in Wuerzburg and Schweinfurt, is one of Bavaria's leading universities of applied sciences. It traces its origins back to 1851 through its predecessor institutions, including the Balthasar Neumann Polytechnic Institute. With ten faculties, 32 undergraduate and postgraduate degree programs, and five research institutes,

THWS offers a diverse range of practice- and future-oriented academic opportunities. It is Bavaria's third-largest university of applied sciences, with approximately 190 professors and around 8,835 enrolled students. The university's i-Campus initiative particularly appeals to international students, offering the option to study in English or German.

THWS provides 19 bachelor's programs in Architecture, Civil, Electrical, and Mechanical Engineering, Business Administration, Computer Science, Media Management, and Social Work, alongside 13 master's programs. These include advanced Electrical Engineering, Integrated Design, and Information Systems degrees and specialized courses in Building Project Management, Nursing Management, and International Business (in collaboration with Christ University, Bangalore).

The university's notable research centers, such as the Institute of Applied Logistic Solutions and the Institute for Design and Information Systems, emphasize innovation, interdisciplinary learning, and practical solutions that address evolving industry needs.

PROUD Alumni

Christ University's MBA program was instrumental in shaping my career trajectory, equipping me with both financial expertise and leadership skills. The rigorous curriculum and exposure to global business practices prepared me to achieve certifications like CFA and FRM. The program's emphasis on ethics and strategic thinking has been a cornerstone of my professional success. Christ MBA gave me the confidence to navigate complex challenges and grow as a finance professional in a dynamic industry.(Batch of 2005-2007)

Veerappan Aiyappan, Director, EVA Mera Funds Investment Pvt Ltd.

The MBA program at Christ University played a pivotal role in my transformation into a technology marketer and mentor. The practical, case-driven learning environment gave me the tools to excel in corporate affairs and marketing strategy. The support from exceptional faculty and access to industry leaders during my MBA years provided clarity and direction for my career. Christ's vibrant campus culture helped me develop a global perspective and collaborative mindset, both of which are invaluable in today's competitive business world.

Maya Culas, Marketing Director, Hitachi Vantara

The CHRIST MBA program offered me a strong foundation in corporate leadership, operations and business innovations, especially in sectors that are of strategic importance. The hands-on learning, combined with faculty mentorship, enabled me to lead confidently in South East Asia and ANZ operations of LDRA India. CHRIST's focus on innovation and its alignment with industry trends allowed me to bridge academia with real-world challenges seamlessly. The exposure to diverse peers and cultures prepared me to thrive in a global business environment, driven by geopolitics.(Batch of 1995-1997)

Shinto Joseph, Director Southeast Asia & ANZ Operations, LDRA Ltd.

The MBA program at Christ University has profoundly transformed my professional career, helping me build strong foundational values for personal and professional excellence. The rigorous curriculum and innovative teaching methods, including case studies and real-world projects, have equipped me with strategic insights and leadership capabilities. The exceptional faculty combines academic excellence with industry expertise, enhancing the learning experience through mentorship. Additionally, the diverse and accomplished cohort fostered rich discussions and broadened my perspectives on business practices. I highly recommend this program to anyone looking to elevate their career and achieve their full potential. (Batch of 1998-2000)

Sriganesh D S, Head HR, Solventum- Middle East,Turkey & Africa

The MBA program went beyond imparting academic knowledge; it was a comprehensive journey that readied me for the dynamic corporate realm. The guidance, coaching, and mentorship from our distinguished professors were instrumental in refining my skills and broadening my perspective. The emphasis on real-world insights, coupled with engaging case studies, fostered critical thinking and problem-solving abilities. The program's commitment to providing unparalleled industrial exposure, including company visits and guest lectures by industry experts, enriched my understanding of the business landscape. (Batch of 2008-10)
