CU/OE/Notification/20261022-02 Date: 22/10/2026

ODD SEMESTER SUPPLEMENTARY APPLICATION NOVEMBER 2026
FOR SUBMISSION COURSES

Courses that do not have an ESE component, in which the entire assessment is conducted by the respective departments through internal assessments (CIAs), including MDC courses, will be considered **CIA Repeat**.

Students were requested **not to apply** for the Odd Semester Supplementary Examinations through the student KP portal for these courses, even if the course is reflected in the application window.

Students who have already applied for the Odd Semester Supplementary Examinations for these courses are instructed to **re-apply for the CIA Repeat** as per the prescribed procedure.

The **CIA Repeat application window will be opened during the first week of January 2027.** The detailed CIA Repeat notification will be published on the university website.
