Synopsis of the activity

Objective(s) of the activity	<ul style="list-style-type: none">The Christites for Climate Action (CCA) club was formally introduced to students during the orientation session for Clubs and Centres for the first year students. It aimed at promoting environmental consciousness and sustainability initiatives. The event provided an overview of the club's purpose, objectives, and upcoming activities, encouraging students to actively participate in climate action.
------------------------------	---

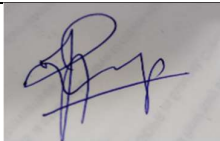

Highlights of the activity	<ul style="list-style-type: none"> • The event commenced with an engaging presentation about CCA's vision and goals. The club's purpose, ongoing activities future plans, and were explained in detail. • Representatives shared success stories of past environmental initiatives, including tree-planting drives, waste management programs, and sustainability workshops. • Students were also briefed on how they could contribute to the club through volunteering, leadership roles, and event participation. • A Q&A session was held, allowing students to express their interest and clarify doubts about membership and involvement.
Summary of the activity	The orientation laid a solid foundation for the club's activities in the coming year, motivating students to join the movement and make a positive impact on the environment. The event fostered a sense of collective responsibility and set the stage for an active and engaged student body working towards a greener future.
