Teaching Learning Enhancement Cell

Activity Report

General Information

Type of Activity	Workshop
Title of the Activity	Workshop for Department-Level Master Trainers on Sustaining Learner-Centered Approach (LCA) Implementation
Date/s	7-9 April 2025 (Bangalore Campuses) 28 April (NCR)
Time	8.30 AM-11 AM
Venue	801, Auditorium Block, Bangalore Central Campus
Collaboration/Sponsor (if any)	**NA**

Speaker/Guest/Presenter Details

Name	Teaching Learning Enhancement Cell (TLEC) team
Title/Position	University level Cell
Organization	CHRIST (Deemed to be University)
Title of Presentation	Sustaining Learner-Centered Approach (LCA) Implementation

(Add/repeat above rows if there is more than 1 w)

Participants profile

Type of Participants	Faculty from each departments of Bangalore campuses
No. of Participants	Day 1: 31 faculty ; Day 2:31 faculty and Day 3: 60 faculty

Synopsàaaqqis of the Activity (Description)

Highlights of the Activity	● Introduction to the Role of department wise “Master Trainers” ● Discussions based on Pre-session deliverables ● Process manual for andragogies- Case Study, Problem based learning, project based learning, research based learning, experiential learning, simulations and

	storytelling. Essentials of formative assessments and portfolio assessments
Key Takeaways	● Adoption of 3D-Model (Discussions, Deliberations and Dialogues) in delivery of Learner Centered Approaches ● Devising customised andragogies specific to the requirements of the departments
Summary of the Activity	Day 1 was attended by 31 faculty from School of Sciences, School of Architecture and School of Engineering and Technology; Day 2 was attended by 16 faculty from School of Business and Management and School of Commerce, Finance and Accountancy; Day 3 workshop attendees were 36 faculty from the following schools- School of Humanities and Performing Arts, School of Law, School of Social Sciences, School of Psychological Sciences, Education and Social Work. Participants covered all the campuses in Bangalore. Participants attended the workshop by completing the pre workshop deliverables. Sessions were based on the 3 D approach of Discussion, Deliberation and Dialogue where aspects of andragogy(Case Study, Problem based learning, project based learning, research based learning, experiential learning, simulations and storytelling and assessments (formative/portfolio) were discussed.
Follow-up plan	The participants of this workshop will be the faculty leaders s who can collaboratively sustain, scale, and institutionalize Learner-Centered Approaches through leadership, mentoring, and evidence-based implementation within their departments. They will facilitate the LCA sessions during FDP in May 2025 and support TLEC in ensuring the smooth conduct of the LCA adoption in the coming academic year.

What additional support you require to carry out the roles and responsibilities of a master trainer?

Sample course plans.

Department Level Training session for effective conduct of the LCA courses.

More Clarity on the role of Master Trainers and the well-defined responsibilities

As of now no additional support needed.

Domain Specific training (Finance related subjects, accounts, mathematics and statistics) assessment strategies

Provide us with the detailed plans and procedures for the academic year if any.

Need 1-2 full day of training in future sessions

A standard Rubrics to evaluate the outcome of LCA classes.

On going evaluation

Some examples for steps to formulate case studies and project based andragogy

More training with subject-based examples.

Regular follow up sessions for training

More training with hands on sessions

As of now NIL. We are implementing this semester. Shall contact the team, in case of any doubts. Thanks for the support extended.

-

I am fine at the moment. However, in case of any query I will get in touch with TLEC

Time to time updates on formats used for evaluation and monitoring

NA

Clear mandate and recognition of the master trainer’s role within institutional policy.

Tools and frameworks for measuring training effectiveness and tracking participant progress.

More training and direction on the assessments methods and strategies to align with the LCA-based teaching

As if now am ok with

I request you to please arrange some sessions on LCA methodologies specifically suitable for science courses.

Time and proper planning

Support for the implementation survey

As of now I am not having any queries

Action Taken
Additional trainings and support to be provided by TLEC
