Event Report: Crafting Research Excellence: Proposal Writing Workshop

General Information

Type of Activity	Workshop
Title of the Activity	**Crafting Research Excellence: Proposal Writing Workshop**
Date/s	09 October, 2024
Time	1:20 pm
Venue	Psychology Lab 1, Block B
Collaboration/Sponsor (if any)	Not Applicable

Speaker/Guest/Presenter Details

Name	**Dr. Nikita Jain**
Title/Position	**Assistant Professor**
Organization	**CHRIST (Deemed to be University), Delhi NCR**

Title of Presentation **CraftingResearch Excellence: Proposal Writing Workshop**

Participants profile

Type of Participants	**Research Scholars**
No. of Participants	**5**
Teacher	**0**
Student	**0**

Synopsis of the Activity (Description)

Highlights of the Activity	● This workshop equipped participants with the skills and knowledge to craft winning research proposals, ultimately leading to successful funding and impactful research. ● Participants explored all aspects of proposal writing, from understanding literature review and identifying research gaps to crafting compelling narratives and showcasing impact. ● Participants learned from an experienced researcher who shared her insights and provided constructive feedback. ● The workshop addressed specific challenges faced by researchers at various career stages,especially doctoral students. ● Participants learned how to articulate the real-world implications of their research and demonstrate its relevance to broader societal needs.

Key Takeaways	● Participants of the "Crafting Research Excellence: Proposal Writing Workshop" gained invaluable insights and practical skills that will empower them to craft compelling research proposals. ● They learned how to identify significant research questions, articulate their relevance, and demonstrate the unique value of their proposed project. ● Participants mastered the art of storytelling within research proposals, effectively communicating the research's significance, methodology, and potential impact. ● Mastering the Mechanics of Proposal Writing: Participants received practical guidance on formatting,
	citation styles, budget development, and other crucial aspects of proposal writing. ● Participants left the workshop with a newfound confidence in their proposal writing abilities.

Summary of the Activity

The "Crafting Research Excellence: Proposal Writing Workshop" was a successful event that equipped participants with the knowledge and skills necessary to craft winning research proposals. The workshop provided a comprehensive overview of the proposal writing process, and identifying research gaps to craft compelling narratives and demonstrating impact. Participants left the workshop with a clear understanding of the proposal writing process, the ability to craft persuasive and compelling proposals. This transformative workshop empowered researchers to reach their full potential, advancing their research endeavors and contributing to meaningful advancements in their respective fields.

Follow-up Plan, if any Nil
