Did you like the training session on Research Proposal Writing? Provide your rating on the scale (1=poor, to 5=excellent)

4 responses

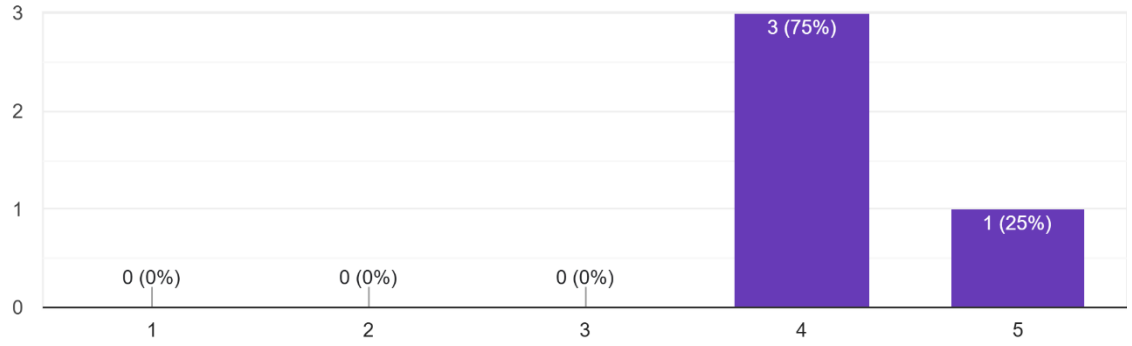

It is beneficial to me. Provide your rating on the scale (1=poor, to 5=excellent)

4 responses

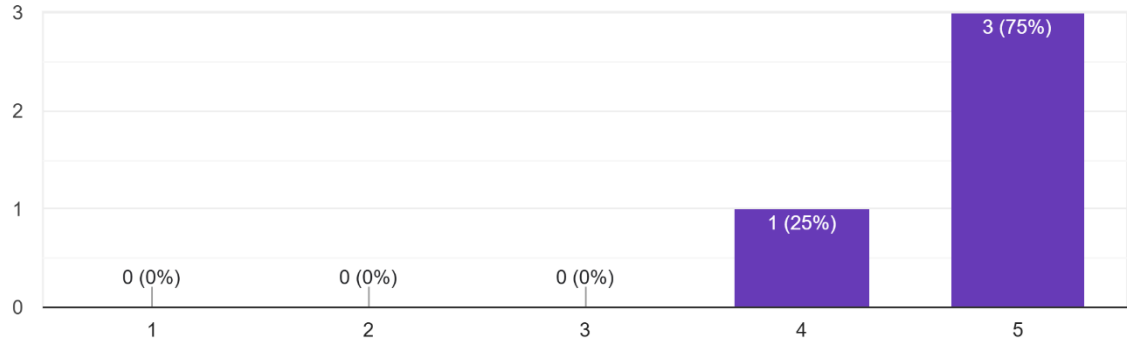

The activity enhanced my knowledge about research proposal writing and now I feel more confident in the same.

4 responses

Should Similar events be conducted in future?

4 responses

Provide the suggestions for improving such events.

4 responses

The session was knowledgeable

If the schedule can be planned in advance but postponed (In case there is a change in date and time) accordingly helps to follow timelines.

Advance information for such session at least before a day would be good so that other works can be aligned accordingly

More advanced notice can be provided
