SYNERGY '26

Celebrating the successful completion of the 2025–26 phase, inaugurating the 2026–27 journey, and honouring our dedicated volunteers for their invaluable contributions to Project Aksharam.

Chief Guest

Smt. ANU KUMARI IAS

District Collector Thiruvananthapuram

Christ Nodal University

Vazhuthacaud Thiruvananthapuram

On Sunday
12 July 2026

11:30 AM

Project Aksharam is an educational initiative of Insight for Innovation, implemented in collaboration with the National Service Scheme (NSS), the District Administration of Thiruvananthapuram, and Tata Elxsi across Thiruvananthapuram . During the academic year 2025–26, the project empowered thousands of students from more than 11 government and government-aided schools in Trivandrum by strengthening their foundations in Mathematics, English, and essential learning skills.

The initiative is driven by the vision of ensuring that every child receives quality learning and to enhance the foundational learning outcomes for students from Government and Government aided schools. Beyond academic improvement, Project Aksharam inspires students to become lifelong learners through engaging, activity-based learning experiences.

This mission was made possible through the dedication of hundreds of NSS volunteers from 10 colleges and corporate professionals, including volunteers from Tata Elxsi, who selflessly devoted their time and talent to mentor children across Kerala.

To celebrate the successful completion of the 2025–26 phase, inaugurate the 2026–27 journey, and honour the invaluable contributions of our volunteers, Insight for Innovation proudly presents SYNERGY '26.

The event will be graced by Smt. Anu Kumari IAS, District Collector, Thiruvananthapuram, and on July 12, 2026, at 11.30 am at Christ Nodal University, Vazhuthacaud, Thiruvananthapuram
