Report

Day 1

Day 1 training was attended by 20 participants. Facilitators provided an overview of programme structure which was followed by a discussion where the team clarified doubts from the participants. It was followed by group activity where each team verified the programme structure of Single Mjor courses offered by their respective departments.

Day 2

Faculty worked on team to complete verifying the Single Major programmes and details were entered in a common google sheet for the consideration of Asst COE.

Every department need to provide a hard copy request of the proposed changes (State the present status and changes required) to Asst COE duly signed by coordinator and HoD.

- English, Languages, EVS and Constitution details will be added at the back end
- MDC grading is for 50 marks

Day 3

Day 3 session was attended by representatives from departments offering double major courses. A detailed discussion on programme structure was followed by discussion on sample programme structures. Assistant COE clarified participant's doubts. It was followed by the team working on their respective programmes.

Departments attended: Mathematics, Life Sciences, Economics, Computer Science, Performing studies, Sociology, IPH (Central Campus) and English and Cultural Studies, Media Studies (YPR campus)

Day 4

Faculty from Data Science, Computer Science, Economics and English attended the workshop and others were doing it remotely and updating the Excel sheet with proposed updations. All the departments were advised to officially reach out to office of examinations to modify the official document.

Day 5

Day 5 session was organised in the Bannerghatta campus on Wednesday 2 August 2023. Detailed orientation on the programme structure and requirements were discussed during the workshop followed by faculty working in groups on their respective programme structure. Two concerns that emerged include a) Excel sheet format b) Single majors with minors in the programme structure but officially projected as Single majors (English/Linguistics)

Day 6

Day 6 workshop was held in the Conference room (room no 336), 3rd Floor, R & D Block. Representations from Psychology, Media Studies, Theatre, Chemistry, and Physics

a. Media Studies: Practical courses with 4 credits for 60 hours (Need to communicate with exams office with the rationale)
b. Psychology:
c. Physics: Credit limit is increasing

d. Querry regarding a proposed Committee for School of Humanities and Social Sciences to define internships
e. Can internship be a pass /fail model: challenges in monitoring
f. Can service learning be a project/internship
