| Summary of the Activity | Workshop began with a welcome note by Dr Suparna M Kar, Associate Director, TLEC. In his introductory remarks, Fr Jose CC, the Vice Chancellor reiterated the need to enhance the quality of teaching learning practices which would improve student's learning outcomes and learning experiences. Father discussed some of the practices prevalent in European countries like Postgraduate courses in Higher Education for all teaching staff; peer observation and mentoring as well as teaching excellence framework. He also discussed the practice of Scholarship of Teaching and Learning (SOTL) which is popular in the United States. He further shared his vision for having a centre for teaching learning practices in India and professional learning groups or working groups that help to enhance teaching pedagogies. It was followed by observations from Dr Johny Joseph, Registrar (Academics). He emphasised on teaching practices within the university and reiterated that we cannot compromise on teaching. Members from all campuses shared the progress of LCA implementation in their respective campuses. It was followed by a discussion on ways to enhance the delivery of LCS courses and the possible roles the TLEC can play. Discussions were led by Dr Maya M, Core Team member from Bangalore Central campus. |

Courses selected for LCA:
1.Human Resource Management (BBA202-3)
2. Business Analytics (BBA 203-3)
Observations:
• Students are more interactive in group activities.
• Increased Peer to Peer learning and Collaboration.
• Initial reluctance has smoothed out gradually.
• Lack of student preparedness
