Synopsis of the activity (description)

Highlights of the activity	<p>CCA conducted St. Mary's farm visit wherein 33 students participated in the event. The students were accompanied by Dr. Jithin V J, Faculty Co-ordinator, Christites for Climate Action (CCA).</p> <p>The students were geared up to sacrifice their Sunday to spend a day in the greenery and appreciate biodiversity. The students were taken to the farms by college bus.</p> <p>Students were shown dairy farming, fisheries and lot of different species of plants and animals.</p>
Summary of the activity	<p>Overall, it was a great experience for all the volunteers as they got to know a lot about dairy farming and got exposure to lush greenery which many of the students didn't experience since long time.</p>
