Summary of the activity	CCA organized a trek on 14 <sup>th</sup> of October 2023 with the aim of collecting waste during the trail of the trek. With immense

	<p>support from the volunteers the trek was a huge success in which we collected around 4 bags of waste. It was a hard climb to the top of the mountain but everyone kept their spirit intact and reached the top without any injuries or casualties. We learnt about the culture of the place by the local people which helped us broaden our perspectives.</p>
