**Feedback from Participants:**

<b>S. No.</b>	<b>Feedback</b>
<b>1</b>	Really insightful Event.
<b>2</b>	The event was better than what I had expected. Truly a wonderful event, CCA !!!
<b>3</b>	Ms. Poonam's Practical demonstration was top-notch. Really clarified such a complex process with ease.
<b>4</b>	I really feel like instead of Just one speaker, a panel discussion with such personalities could have yielded better results
<b>5</b>	I wasn't even aware our campus had such sustainable practices. I suggest forming a specialized team and helping the university bring awareness about its policies to students.
