Synopsis of the Activity (Description):

Highlights of the Activity	<ul style="list-style-type: none"> • The objective of this event was to make the Christites aware and sensitize them on the topics of environmental conservation and climate changes through the mode of songs, stories, speeches, and poems. • Another aim of this event was to introduce and market the "Christites for Climate Action" Club.
----------------------------	---

Summary of the Activity	<ul style="list-style-type: none"> Students from different courses participated in the Open Mic event and showcased their talent in the fields of singing, dancing, and public speaking by telling stories, speeches and poems on the theme of climate action and environment degradation. Through posters and word-of-mouth publicity, the club was introduced to the masses.
