

Dear Students,

Greetings from the Office of Examinations.

This is to inform you about the upcoming Continuous Internal Assessment 2 (**CIA-2**) for the **Environmental Studies (EVS)** course on **September 17, 18 and 19**. (detailed schedule with time and venue is attached)

The EVS course materials can be accessed through the CHRIST MOOC platform: <https://mooc.christuniversity.in>. You are required to use your **Knowledge Pro (KP) login credentials** to access the platform. Kindly ensure your credentials are active and accessible.

The portions of the **CIA 2** will be **Units III, IV and V**.

The CIAs for this course will be administered via the **LMS Moodle platform at the computer lab**. You can access the test by using windows key > safe browser > login using your Knowledge Pro (KP) login credentials.

The Duration of the test would be 30 minutes for 25 marks containing MCQ questions.

Important: Ensure that you click the **“Submit”** button after completing the test to ensure your responses are successfully recorded.

Regards
