SDG Alignment

Goal Number	3. Good health and well-being, 4. Quality education, 8. Decent work and economic growth, 9. Industry, innovation, and infrastructure, 10. Reduced inequalities, 17. Partnerships for the goals
Description	The session played an important role in broadening students' awareness beyond conventional career choices by introducing them to emerging fields, skill requirements, and the importance of informed decision-making. It helped students connect their aspirations with realistic pathways, enabling them to think strategically about their education and career goals. By creating a space for exploration and self-reflection, Career Compass helped students build confidence in planning their next steps after PU education. The activities encouraged curiosity, increased awareness of opportunities, and motivated students to take ownership of their career journeys.
Impact	The session left a lasting impact by inspiring students to make thoughtful choices, seek relevant opportunities, and approach their future with greater clarity and confidence.

Event Description

The session was conducted in helping students understand the important roles of higher education opportunities, career pathways, and future prospects.
